FROM THE DUGOUT

OPENING STATEMENT

LATE, LATE SHOWS AND HEATH SEVEN CLEAR

Forty-two games, 153 goals and some of the latest drama you will ever see. Dial Square won theirs in the 96th minute. Worthing United won theirs in the 92nd, seconds after having one chalked off. Dorking Wanderers were in the 98th minute of a famous win over the National League South leaders when Ebbsfleet were given a penalty. Football, eh.

At the top of the SCFL Premier, Haywards Heath Town went to Roffey, fourth before kick-off, and won 2-0 with two Josh Wright finishes. That is seven straight league wins and a seven-point lead over Eastbourne United, who were held 2-2 by Guernsey at the Oval. In Division One, Infinity won at East Preston and are ten clear and unbeaten in 14.

Worthing beat second-placed Harrogate with a Jordan Young goal three minutes from time, and their full-time post was the most-liked Sussex tweet of the day. Eastbourne Borough came back from 4-2 down at Enfield to draw 4-4. Three hat-tricks too: Lorne Bickley for Jersey Bulls at Littlehampton, Elliot Harrison for Clanfield and Dec Partridge for Storrington, who still lost 4-3. Every game is reported inside, by Dougie, from the National League to SCFL Division Two.

Thank you to the 109 of you on The Terrace this week, everyone who liked, reposted or quoted the Saturday Supplement, and a special mention to Dial Square, who shared it with their own followers on Saturday morning. 48 of you are back for a second week running. We see you, we notice, and we appreciate every one of you.

Support the people who support your football: pulsewater.co.uk. Thanks to Joma, our global sportswear sponsor, and to Dugout 90, the most overhyped spring water in football, allegedly sourced from the fountain of youth.

We have room for a new partner. If your business wants to be seen by hundreds of thousands of people across the South East, every week, get in touch: mike@inthedugout.co.uk.

Away from the results, Eastbourne Town have sacked Jude Macdonald, Dugout News can confirm. It has divided opinion, mine included: look at what he did with the resources he had. Sometimes the grass isn't always greener. I feel for him, and there is more on page 8.

And tonight, the IBB10 Show, Best Non-League Podcast 2026, is live from 8pm to 10pm on YouTube, X and Kick, with Ian Nicholls making his debut. Plenty to digest. See you there.

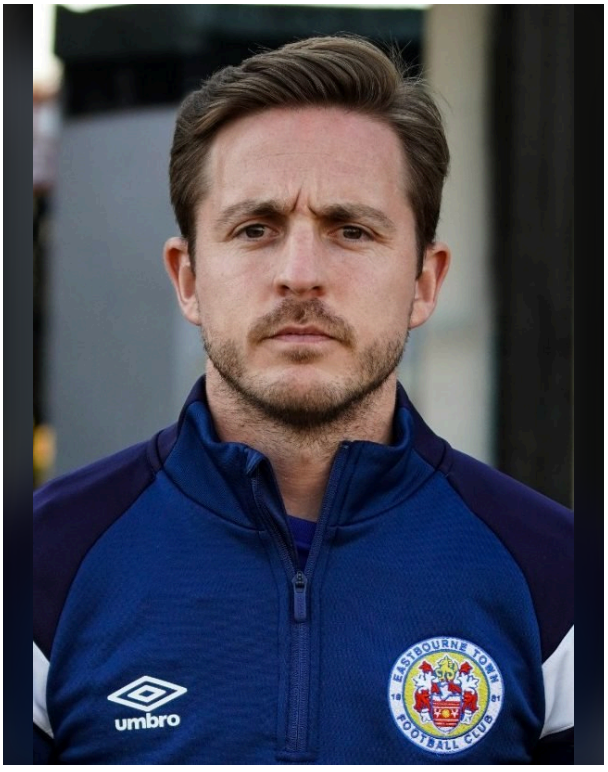
ISTHMIAN FOOTBALL LEAGUE

BREAKING NEWS · ISTHMIAN SOUTH EAST

MACDONALD SACKED BY TOWN

CONFIRMED

EASTBOURNE TOWN SACK JUDE MACDONALD HOURS AFTER WHITSTABLE DRAW



Jude Macdonald. Image: Eastbourne Town FC (eastbournetown.com), used with credit to the owner

Eastbourne Town have sacked manager Jude Macdonald, Dugout News can confirm, ending a four-and-a-half-year spell in which he rebuilt his hometown club and took it back into the Isthmian League.

The decision came on Saturday evening, only hours after Town held Whitstable Town, second in the Isthmian South East before kick-off, to a goalless draw at The Saffrons. The club's own full-time post called it "a brilliant performance" and said it could have been three points after an excellent second half. It was a second draw in a row.

Results this season have been the problem. Town are 21st of 22 on 11 points from 19 games, with two wins, five draws and 12 defeats, 21 goals scored and 40 conceded. They have not won in five league games. Only Horley Town are below them.

It is a hard end for a manager whose work at the Saffrons was transformative. When Macdonald arrived from Whitehawk in May 2022, after John Lambert stepped down, the club described the job ahead as a complete rebuild. Two years later Town finished second in the SCFL Premier, went on a 17-game unbeaten run of 15 wins and two draws, beat Hassocks 2-0 in the play-off semi-final and Newhaven 2-0 in the final in front of more than 1,000 at The Saffrons. It was the club's first promotion since 2007, and it brought Isthmian football back to The Saffrons after ten years away. Macdonald received the Chairman's Award at the end of that season.

Town held their own at Step 4. Last season they finished 11th in the Isthmian South East with 56 points from 42 games, more than they managed in their first season back. Only this week the club announced that two of the promotion side, James Stone, who scored in the 2024 play-off final, and James Waters, had returned to The Saffrons. Both started against Whitstable.

The club confirmed the news in a statement at 8.25pm on Saturday, saying it had "parted company" with Macdonald and his coaching staff. It thanked them for four and a half years of hard work and said keeping Town in the Isthmian League against bigger budgets "must be seen as a remarkable achievement". No further statements will be made.

THE VIEW FROM THE DUGOUT

This one has divided opinion, mine included. Look at what Jude has done with the resources he had available: a rebuild from the ground up, promotion through the play-offs and Isthmian football back at The Saffrons.

Sometimes the grass isn't always greener. Clubs at this level don't have bottomless budgets, and the job Jude did with what he had deserves more credit than the table gives it right now. His side had just held one of the division's best teams.

I feel for him. Whatever comes next, he leaves with his head held high, and I'd be surprised if he's out of the game for long.

GRUBS UP! · OPINION BY RUSS COCHRAN

MORE THAN JUST A BURGER

@Russ4Northbrook

WHAT'S THE PRICE OF A NON-LEAGUE MATCHDAY IN SUSSEX?

From a traditional burger and a cup of tea to loaded fries, speciality coffee and international cuisine, food is becoming an increasingly important part of the non-league football experience. But how much are supporters paying, and which clubs are offering the best value?

Russ Cochran
@Russ4Northbrook

Worthing · Horsham · Arundel · Midhurst & Easebourne · Hassocks · Littlehampton Town · Lewes · Hastings United · Eastbourne Borough · Punjab United · AFC Portchester · Dartford · St Albans City

There was a time when the traditional non-league football catering menu was fairly predictable. A burger, a hot dog, a portion of chips, perhaps a pie, and a cup of tea to keep you warm on a cold Saturday afternoon.

But things are changing. Across Sussex, clubs are increasingly recognising that the matchday experience is about more than the 90 minutes on the pitch. Food, drink, hospitality and the opportunity to socialise are all part of what brings people through the turnstiles.

From the National League down through the Isthmian League and into the Southern Combination Football League, there are some interesting examples of clubs developing their catering, introducing greater choice and, in some cases, offering something a little different from the traditional football ground menu.

The question is whether the prices reflect what supporters are getting, and whether good food at a reasonable price can become another reason to visit a non-league ground.

WHAT DOES A BURGER COST?

One of the clearest published price lists we have found comes from Worthing FC, whose July 2026 matchday guide for the 2026/27 campaign included the following prices:

There are also chicken strips and chicken chunks, with prices varying according to portion size.

That gives supporters a reasonably broad choice, extending beyond the traditional burger and chips. A burger with a portion of chips, using the published prices, comes to £9.50, while a cheeseburger and chips comes to £10.50.

It is worth remembering that these prices were published for a pre-season fixture, so they should be treated as a published 2026 menu rather than a guarantee that every item is available at every first-team match.

Nevertheless, it provides a useful benchmark for comparing other grounds.

At Horsham, independent visitor reports have recorded a burger at £6.50 during 2025. That is useful additional evidence, although it is not a current official menu price and does not establish that the same product or portion is being compared.

The important point is that a price comparison needs to consider the product itself. The size of the burger, quality of the ingredients, preparation and accompaniments all influence whether a price represents good value.

THE BURGER HAS ITS OWN LEAGUE TABLE

One of the more entertaining developments in Sussex non-league food is Gareth Spinks' work for The SNLF and its Bun-desliga.

Rather than simply asking supporters whether they enjoyed their burger, Gareth has introduced a scoring system that examines four separate components: the patty, bacon, cheese and bun. Each is scored out of ten, giving a maximum score of 40.

The published 2026/27 table now features 12 clubs, with Horsham top on 33/40:

Horsham currently lead the published table, half a point ahead of Steyning Town, with Shoreham, Pagham and Arundel all on 32/40.

It is a particularly useful exercise because it gives supporters something more meaningful than a simple thumbs-up or thumbs-down. A burger can be judged on its individual components, while the price, queue and waiting time are recorded separately rather than influencing the quality score.

There is also an interesting opportunity to combine Gareth's ratings with a proper value-for-money assessment. A highly rated burger is one thing, but how does its price compare with other clubs, and what does the supporter actually receive for their money?

The Bun-desliga is a welcome addition to the wider conversation about non-league catering, and it gives clubs something positive to aspire to.

THE BUN-DESLIGA 2026/27

	CLUB	P	B	C	Bun	Tot

NOT JUST BURGERS AND CHIPS

Perhaps the most interesting development is the variety of food now available at some Sussex grounds.

Lewes FC's Dripping Pan is a good example of a club offering several different matchday food outlets. Its 2026/27 matchday information references pizzas, pies, a food hatch, a dedicated pie shop, coffee and a fanzone with visiting traders.

This is a different approach to relying on a single catering hatch, providing supporters with a wider choice and creating a more varied matchday environment.

Horsham FC has also developed multiple catering points at its Fusion Aviation Community Stadium, including its food facilities and separate refreshment outlets.

At Hastings United, the club has promoted homemade food, speciality coffees and pastries as part of its matchday offering. These are examples of how traditional football catering can be supplemented with alternatives that appeal to different supporters.

Eastbourne Borough has taken the food offering beyond the usual Saturday afternoon menu too. Its Priory Lane facilities advertise traditional Sunday lunches, with published prices of £12.95 for one course, £14.95 for two courses and £16.95 for three.

That is an interesting example of a football ground operating as a hospitality venue outside the immediate matchday environment.

A TASTE OF SOMETHING DIFFERENT

The variety of food available in non-league football is not simply a Sussex phenomenon.

In August 2026, the Isthmian League published its own food awards, following nominations from across the competition.

Twenty-two clubs were nominated, representing approximately a quarter of the league's clubs.

The highly commended list included Punjab United, whose samosas and chickpea curry were singled out, alongside Croydon Athletic's chicken burger and a number of other clubs praised for their catering.

Lewes, AFC Portchester and Dartford shared third place, while St Albans City were runners-up.

The overall winner, for the third consecutive year, was Tilbury, whose Eat Street catering operation continued to attract considerable praise.

It demonstrates that supporters are increasingly willing to recognise food that offers something beyond the standard football menu. Indian-inspired food, specialist burgers and independent street-food-style catering can all find an audience at a football ground.

For Sussex clubs, there is an opportunity here. A distinctive food offering can help create an identity, encourage supporters to arrive earlier and give visiting fans something to talk about after the match.

WHAT DOES VALUE FOR MONEY ACTUALLY MEAN?

It would be easy to produce a league table of the cheapest burgers, but that would not necessarily tell us which clubs offer the best value.

A £6 burger is not automatically better value than a £7 burger, just as a £3 portion of chips cannot be compared fairly with another without knowing the size and quality of the serving.

There are several things supporters reasonably expect when buying food at a football ground:

- A fair price for the portion.
- Good-quality ingredients.
- Food served at an appropriate temperature.
- A reasonable waiting time.
- A choice for supporters who do not eat meat.
- Clear information about allergens and ingredients.
- Affordable options for children and families.

Hot drinks are another important part of the equation. Tea and coffee are often among the simplest and most affordable refreshments a club can provide, particularly during the winter months.

Unfortunately, there is not yet enough reliable, current published pricing across Sussex to identify the cheapest club for tea, coffee, bottled water, canned drinks or chips.

That is an important gap in the research, rather than a reason to guess.

THE COMMERCIAL OPPORTUNITY

There is also a business case for clubs to take catering seriously.

Eastbourne Borough chairman Simon Leslie discussed the financial pressures facing the club in a September 2026 interview, explaining that the cost of electricity and gas had roughly doubled and that raw materials for products as straightforward as burgers and chips had become considerably more expensive.

He also described the balance clubs have to strike between covering their operating costs and keeping food and drink affordable for supporters.

It is a genuine challenge. Clubs cannot ignore rising supplier costs, staffing, equipment, maintenance and the practical expense of operating catering facilities.

However, food is also an opportunity to generate additional income.

Lewes FC's published analysis of its 2023/24 season reported average matchday spending of £6.72 per person, an increase of 15% on the previous season.

That figure includes spending across the bar, food and merchandise, rather than food alone, but it illustrates the potential commercial importance of what supporters spend once they are inside the ground.

A club attracting 500 supporters has 500 potential customers on a matchday. If a proportion of those supporters purchase food or refreshments, the additional revenue can become meaningful over a full season.

The challenge is to make the offer attractive enough that supporters want to spend.

There is a balance between maximising the margin on each individual sale and encouraging more people to buy. An affordable meal deal, a reasonably priced children's option or a distinctive food product could help increase the number of transactions without necessarily requiring higher individual prices.

WHO OFFERS THE BEST VALUE IN SUSSEX?

At this stage, it would be premature to crown a cheapest club or declare an overall winner.

Worthing provides a useful published menu benchmark. Horsham offers a further independent price reference. Lewes demonstrates the variety that can be developed around a matchday, while Eastbourne Borough shows how catering can extend into a wider hospitality operation.

Gareth Spinks' Bun-desliga adds another dimension by providing an independent assessment of burger quality, with Arundel currently leading its published 2026/27 table.

And the Isthmian League's food awards demonstrate that innovation and quality are being recognised across non-league football, including food offerings that draw on cuisines from beyond the traditional football ground menu.

There is no single formula. A smaller SCFL club may have a simple but excellent-value offering, while a larger club may have the facilities and customer base to support several different catering outlets.

Both deserve recognition if they deliver what their supporters want at a fair price.

Ultimately, non-league football is competing for people's leisure time and disposable income. The match itself remains the main attraction, but the overall experience matters.

A good burger, a decent cup of tea, an interesting alternative for those who want something different and prices that don't make a family think twice about buying refreshments can all contribute to a successful matchday.

Perhaps the best question for clubs is not simply how much they can charge for a burger, but what they can offer supporters that makes them happy to come back next Saturday.

YOUTH LEAGUE FOCUS · OPINION BY RUSS COCHRAN

BRIDGING THE GAP

@Russ4Northbrook

WITH YOUTH FOOTBALL BIGGER THAN EVER, WHY ARE WE STILL LOSING SO MANY YOUNG FOOTBALLERS AT U18 AND U23?

Is grassroots football doing enough to keep young players in the game, or are we allowing a generation of footballers to disappear just as they reach the age where they could become the future of our adult clubs?

Russ Cochran
@Russ4Northbrook

There is a familiar problem within grassroots football. Clubs invest years in developing young players, coaches give up countless hours, parents commit their weekends and friendships are formed through the shared experience of playing football. Yet, as those players reach the end of youth football, an alarming number simply disappear from the game.

We talk regularly about player development, pathways and the importance of grassroots football, but perhaps we should be asking a more fundamental question: what happens when youth football ends?

For many players, the transition into adult football is not particularly straightforward. The physical demands are different, the standard can be intimidating, the opportunities are not always obvious and, perhaps most importantly, the opportunity to continue playing with the friends they have grown up alongside can disappear.

There is a missing rung on the football development ladder, and it is one that deserves considerably more attention.

> **"THERE IS A MISSING RUNG ON THE FOOTBALL DEVELOPMENT LADDER"**

THE JUMP FROM YOUTH TO ADULT FOOTBALL

The Football Association has previously recognised this challenge through its Jumping the Gap: Youth to Adult Football work. The transition from youth to adult football is not simply a matter of moving players into a senior team. It involves changes in the environment, expectations, playing opportunities and the social dynamics that have previously kept them involved.

A 16 or 17-year-old who has played youth football for years might suddenly find themselves competing against adults with considerably more experience, physical maturity and tactical understanding.

Some will make that transition comfortably. Others will not.

That doesn't necessarily mean they lack ability or commitment. They may simply need another couple of seasons to develop, gain confidence and become accustomed to the demands of adult football.

We shouldn't be surprised when young players walk away if we haven't provided an environment in which they can continue enjoying the game while developing at their own pace.

WHY NOT A SUNDAY U21 LEAGUE?

One practical solution would be to develop a more structured Sunday U21 competition across Sussex.

Rather than expecting every young player to make the immediate jump into Saturday senior football, clubs could offer a dedicated intermediate competition where young adults can continue playing together.

The attraction is relatively straightforward. A group of players coming out of youth football could remain together, retain their friendships and continue representing the club they have grown up with.

It would provide a competitive environment without necessarily placing the same demands on them as established open-age football.

There is no reason why these teams couldn't operate within an organised league structure, with divisions, promotion and relegation, cup competitions and an appropriate level of administration.

The important point is that it should be recognised as a genuine development pathway rather than simply another recreational competition.

KEEPING FRIENDS TOGETHER AND CLUBS TOGETHER

One of the biggest advantages of this approach is the opportunity to retain existing groups of players.

Youth football is built around teams. Players spend years together, develop an understanding of each other's game and form friendships that often extend beyond football.

When that team reaches the end of its youth journey, why should the opportunity to continue together disappear?

An U21 team could provide continuity for those players while allowing them to develop into adult football.

There would also be opportunities for older players within the club to provide guidance and leadership. Experienced senior players could help with coaching, mentoring and the transition into open-age football.

This could be beneficial for both sides. Younger players gain experience and confidence, while established adult clubs develop stronger relationships with the next generation.

THE ROLE OF EXISTING YOUTH CLUBS

There is another opportunity here for the many independent youth clubs operating across Sussex.

Clubs that have invested heavily in their youth sections could consider extending their programmes towards U21 football.

That would give them a longer-term purpose and provide players with a pathway beyond the traditional youth age groups.

Not every youth club will have the facilities, finances or volunteers to establish an adult section independently. However, partnerships with existing Saturday and Sunday clubs could provide a practical solution.

A youth club could retain responsibility for its development programme while an adult club provides access to facilities, pitches, changing rooms and established coaching structures.

It would also give adult clubs a more direct relationship with their local youth football community.

Rather than constantly searching for new players, they could develop relationships with teams already operating in their area.

FRIDAY NIGHT FOOTBALL - ANOTHER OPPORTUNITY?

Although Sunday football should be the principal focus of any new U21 structure, we shouldn't necessarily restrict ourselves to one playing day.

Friday evening football could provide another option, particularly for players who have other sporting commitments or employment and education responsibilities during the weekend.

It could also make better use of facilities that might otherwise be underutilised.

The important thing is flexibility. If we are serious about retaining young players, we need to consider when and where they want to play, rather than expecting every player to fit into the traditional Saturday football structure.

IT DOESN'T HAVE TO BE AN EXPENSIVE EXERCISE

Any new competition would need to be affordable.

There is little point creating another layer of football if the costs of affiliation, pitches, referees, equipment and administration make it inaccessible to the very players and clubs it is intended to support.

Centralised venues, sensible kick-off times and shared facilities could all help reduce the burden.

There are also opportunities to work with existing leagues rather than creating an entirely separate administrative structure.

Cup competitions could provide an additional incentive, allowing U21 sides to compete for something meaningful while developing their players.

Examples such as Bedford and Sedlescombe Rangers have demonstrated that alternative approaches to retaining and organising younger adult players are worth considering.

The challenge is to learn from existing experiences and establish something that works across Sussex.

"WE NEED TO CONSIDER WHEN AND WHERE THEY WANT TO PLAY"

WHAT ROLE SHOULD SUSSEX COUNTY FA PLAY?

The Sussex County FA should be part of this conversation.

It already has relationships with youth leagues, adult leagues, clubs and facilities across the county. It is therefore well placed to help identify where the gaps exist and what support would be needed to establish a sustainable U21 structure.

That doesn't necessarily mean the County FA has to operate the competition itself. It could help bring the relevant organisations together, encourage partnerships, identify suitable league structures and assist clubs looking to make the transition from youth to adult football.

There is also an opportunity to look at how existing competitions could accommodate additional U21 divisions.

The objective should be to make the pathway easier to access, not create another administrative obstacle.

MEANWHILE, ON SATURDAY

Mile Oak beat Dorking Wanderers B 2-1 in SCFL Division One with four Under-18s involved, two starting and two off the bench. Archie Cramer said all four were "absolutely incredible" and called it proof of the importance of a proper pathway into senior football. **Read the report, page 100**.

WE NEED TO STOP LOSING PLAYERS AT THE VERY MOMENT WE SHOULD BE DEVELOPING THEM

Grassroots football regularly talks about the importance of participation, development and keeping people involved in the game.

Yet the transition from youth to adult football remains an area where too many players are lost.

We cannot expect every teenager to move straight into a Saturday first team, nor should we assume that those who aren't ready to do so have lost interest in football.

Sometimes they simply need another opportunity.

A properly organised Sunday U21 structure, supported by youth clubs, adult clubs and the Sussex County FA, could provide that opportunity.

It could retain friendships, develop players, strengthen clubs and create a more sustainable pathway into senior football.

We spend years developing young footballers. Surely we should be doing more to make sure they have somewhere to play when those youth years come to an end.

The future of grassroots football isn't just about recruiting the next generation. It's about giving the generation we've already developed a reason to stay and enjoy the 11v11 game we all love.

"As one of the newer hosts on The SNLF, it's great to step in and see the momentum building this season, both with the show and across Dugout AI. I have loved the shift from the dugout to the mic.

There's been a real shift in how people are getting involved, sharing what we do and joining the conversation. Looking at the game through a manager's eyes gives us a chance to break down Sussex non-league properly, while keeping the debates and laughs sharp.

Jordan Young scored on the stroke of half-time and again three minutes from the end as Worthing came from behind to beat second-placed Harrogate Town 2-1 at Woodside Road.

Harrogate arrived having driven 267 miles for the longest away trip in the division, and they took the lead on 21 minutes when Will McGowan finished for the visitors. Worthing pushed for a way back and found it in the dying seconds of the first half: Young's equaliser in the second minute of added time was, in the club's words, an absolute beauty, and his second goal in as many weekends.

Grant Horton had been booked in the first half, and the second was tight and testy: Josh Hmami was booked for Harrogate, Adam Hinshelwood was shown a yellow card for protesting after Charley Kendall appeared to be tripped in the box, and Harrison Foulkes had to clear Jayden Moore's back-pass off his own line on 72 minutes. Sam Clucas came on for his home debut.

The winner was worth the wait. Dominic Johnson-Fisher skinned his man on the byline and found Cory Adjetey-Brew, who slid in to force the ball into the box, and Young was on hand to finish with composure. Hmami lashed into the side netting deep into the five added minutes, but Worthing held on. The club's full-time post, THREE BIG POINTS, was the most-liked Sussex tweet of the day.

"To get three points today is massive for us," said Hinshelwood afterwards. Foulkes added: "The result shows the ability we've got and the level we are at."

WORTHING 2-1 HARROGATE TOWN

MATCH FILE · FROM P27

The detail of the afternoon tells the story of a game Worthing had to work for. Harrogate's Grant Horton was booked on 36 minutes and Josh Hmami on 56, and the visitors' goalscorer McGowan was withdrawn in stoppage time, Bradley Dolaghan coming on as they chased an equaliser that never came.

Adam Hinshelwood named Harrison Foulkes in goal behind Joel Colbran, who wore the armband, Cory Adjetey-Brew, Jack Wadham and Joseph Cook, with Jayden Moore, Razzaq Coleman De-Graft, Dominic Johnson-Fisher, Ricky Aguiar, Emmerson Sutton and Jordan Young completing the side. Coleman De-Graft, the club's leading league scorer with seven, started; Sam Clucas and Charley Kendall were among those on the bench who came on.

The table makes it a significant win. Worthing climb from seventh to sixth in the National League on 32 points from 18 games, three behind Harrogate, who stay second but have now lost two of their last five. The Rebels have taken eight points from their last five league games and have lost only four of 18 all season.

There is little time to enjoy it. Worthing go to Woking on Tuesday night (7.45pm) and then make the long trip to Altrincham next Saturday: two away games in five days, at 18th-placed Woking and tenth-placed Altrincham.

WANDERERS DENIED AT THE DEATH BY THE LEADERS

Dorking Wanderers were seconds from beating the National League South leaders in front of 2,002 at Meadowbank, until Dominic Samuel's penalty in the eighth minute of stoppage time earned Ebbsfleet United a 2-2 draw.

Wanderers were forced into a change after four minutes when Brennan Camp went off for George Nikaj, and the first half finished goalless. James McShane made way for Dylan Stitt at the break, and four minutes into the second half the visitors went ahead through Fin Barnes. Stitt crashed a superb effort against the crossbar on 53 minutes.

Dawid Rogalski levelled on 61 minutes, his tenth league goal of the season, one behind the division's top scorer, Truro's Tyler Harvey. Femi Ilesanmi threw his body in the way of an Ebbsfleet cross on 66 minutes and Stevie Bausor launched himself across goal for a vital save on 70.

Then the break that should have won it. On 75 minutes the Wanderers countered, Nikaj cut the ball back and Jack Wood curled a brilliant finish into the far corner. Jimmy Muitt, back after time out, replaced Nikaj ("Great to have you back, Jimmy," said the club), and Theo Widdrington and Josh Barrett were sent on to see the game out.

The fourth official showed a minimum of seven added minutes, and in the eighth the visitors were awarded a penalty, which Samuel converted. "A hard-fought performance and the points are shared," said the club.

DORKING WANDERERS 2-2 EBBSFLEET UNITED

MATCH FILE · FROM P30

Wanderers' own match report filled in the detail of a first half that was busier than the 0-0 suggests. Brennan Camp's early injury brought George Nikaj on after four minutes. Charlie Seaman's cross was volleyed by Jake Vokins and claimed by debutant goalkeeper Stevie Bausor, on loan, who later made an athletic save from Vokins. Ben Chapman headed over and Barnes went wide. At the other end Jack Wood and Frank Vincent sent Nikaj through, but Ebbsfleet keeper Will Buse came out to claim. Josh Passley was booked for kicking the ball away and Kai Enslin for a shirt pull.

Bausor palmed over a Barnes shot from 14 yards early in the second half before Barnes struck across goal to open the scoring on 49 minutes. Alfie Rutherford turned his man and forced Buse into a save at his near post, and Stitt curled a shot from 20 yards onto the bar. The equaliser came from an Ebbsfleet error: Buse scuffed a pass and Dawid Rogalski rolled the ball into the bottom right-hand corner.

Femi Ilesanmi made a key block and Bausor produced a strong hand to deny what looked a certain goal before Wood's curler from the right of the box. Ebbsfleet changed it late on, sending on Kwesi Appiah, Dominic Samuel and Harvey Walker between the 79th and 83rd minutes, and it was Samuel, a substitute, who scored the penalty. Rutherford was booked for a tactical foul in stoppage time and Widdrington after the spot-kick.

The point leaves Dorking seventh on 28 points from 16 games, with a game in hand on Ebbsfleet, Farnham Town and Maidstone United; Ebbsfleet stay top on 36 and are unbeaten in four. Farnborough visit Meadowbank next Saturday. "Looking to keep our league unbeaten run going," said the club.

HORNETS' AWAY RUN ENDS AT CRABBLE

Image: Dover Athletic FC (@DoverAthletic) on X, used with credit to the owner

Horsham's unbeaten run on the road in the National League South came to an end at Crabble, where Ruben Soares-Junior's header 18 minutes from time gave Dover Athletic a 2-1 win in front of 878.

The Hornets made the 96-mile trip count early. Charlie Hester-Cook gave them the lead on six minutes, but it lasted four minutes: Euan Williams equalised for Dover on ten minutes, and it stayed 1-1 at the break.

Horsham started the second half brightly. Cox won a corner that Hammond fizzed in to force a smart punch from Dover keeper Walker, and Hester-Cook made a marauding run down the right on 54 minutes before the ball fell to Meekums, whose shot was blocked in the six-yard box. There were calls for a penalty when Yila went down under a shove from Jones, but the referee gave a goal kick.

Soares-Junior headed Dover in front from close range on 72 minutes. Horsham's afternoon then got harder: Lee Harding, booked on 63 minutes for a shirt pull, was shown a second yellow on 81 for a foul, and substitute McManus, on for Hester-Cook, went down in agony in the 90th minute and had to be replaced by Brivio. Cox's late free-kick went straight into Walker's arms.

DOVER ATHLETIC 2-1 HORSHAM

MATCH FILE · FROM P32

Dover's own match report described a first goal that came from a home error: Harry Beadle slipped, Greg Luer cut the ball back and Charlie Hester-Cook's shot went in off the post. Four minutes later Euan Williams drilled into the bottom corner past Michael Dike. Dover had a handball appeal waved away, and Jake Elliott was booked on 23 minutes after an off-the-ball incident with Corie Andrews. Beadle glanced a header from a free-kick, George Cox put one over the bar for Horsham before the break, and Williams was booked in first-half stoppage time.

The winner was Ruben Soares-Junior's first goal of the season, ending a 24-match wait after knee surgery. Sak Hassan, one of two changes alongside Jalen Jones, crossed from the left and Soares-Junior headed in. Dequane Wilson-Braithwaite had tested Dike ten minutes earlier. Horsham wanted Luke Baptiste sent off late on; he was booked. It was Dover's fourth straight win in all competitions.

Horsham started with Dike; Elliott, Hester-Cook, Cox, James Hammond (captain), Danny Barker, Jamie Yila, Luer, Reece Meekums, Ryan Bartley and Lee Harding. Ashley Nadesan, Niall McManus, Ronan Silva, Jimmy Wild and Jack Brivio came on; William Heater and Harvey Sparks were unused.

Dover move from 13th to 11th on 25 points from 15 games. Horsham, who have now lost two in a row, drop from 12th to 14th on 22 from 17. Truro City visit the Fusion Aviation Community Stadium on Tuesday night (7.45pm) before a trip to Billericay Town on Saturday. Dover go to Hampton & Richmond Borough on Tuesday, and on 5 December they host Leicester City in the FA Cup second round.

TEN-MAN STOKE HOLD CHI TO A DRAW

Image: Chichester City FC (@ChiCityFC) on X, used with credit to the owner

Chichester City led twice against ten men and were held twice, as a Jeremiah Okine-Peters double earned Basingstoke Town a 2-2 draw at Oaklands Park.

The game turned on 37 minutes. Hutchings had already been hacked down by Amardeep Singh, who was booked, when Basingstoke's Kristian Shevchenko cleaned him out in the corner off the ball and was sent off. Chi made the extra man count just before the break: Hutchings' corner from the right caused chaos, Bello got the ball in a crowded area and William Lannin-Sweet drilled it low and hard into the net.

Basingstoke were level five minutes after half-time, Okine-Peters walking past three Chi players and slotting home. Chichester came again. Pattenden raced clear and squared for Bridle, who was denied by a superb save from Tyla Dickinson, Joe Clarke made a goal-saving tackle at the other end, and on 59 minutes Emmett Dunn leapt to head home another Hutchings corner for 2-1.

With 13 minutes left Okine-Peters headed in from a corner for his second, and in the closing stages Basingstoke had a big shout for a penalty waved away by the referee. Dan Bayliss, Chinedu Agu and Billy Upton were all booked in the second half.

Basingstoke's afternoon was disrupted early: Thomas Blake went off after 26 minutes, James Henry replacing him, and Shevchenko's dismissal followed 11 minutes later. Amardeep Singh, already booked, was taken off on 69 minutes for Chinedu Agu, and Okine-Peters made way for Cheick Sylla nine minutes from time after scoring both goals.

Chichester made late changes too, sending on Brandon Chebby for Zachary Jeanes on 77 minutes and Olly Munt for Joe Moore on 83, but could not find a third. Harry Bridle, the club's top league scorer with ten, was denied by Tyla Dickinson's save when the hosts were 1-1 and pushing.

Chi stay seventh on 29 points from 18 games, two games now without a win after back-to-back victories. Basingstoke, unbeaten in three, slip a place to 16th on 20 points but will regard a point with ten men for 53 minutes as a good one. Chichester are at home again next Saturday, to Uxbridge.

CORBETT TO THE RESCUE IN EIGHT-GOAL THRILLER

Image: Eastbourne Borough FC (@ebfc_official) on X, used with credit to the owner

Substitute Kai Corbett scored twice in seven minutes to rescue a point for Eastbourne Borough in an extraordinary 4-4 draw on a 90-mile trip to second-placed Enfield Town.

Terrell Egbri gave Borough the lead on eight minutes. Thomas Avgoustidis equalised two minutes later, but an own goal on 23 minutes put the Sports back in front, and they went in 2-1 up after what the club called a positive first 45.

Enfield turned it round after the break. May-Parrott had a goal ruled out for offside on 48 minutes, McCallum made a superb block and Carey saved with his legs, but on 54 minutes goalkeeper Thompson's long ball sent Youngs through and he squared for Luke May-Parrott to tuck it in. Eight minutes later a reverse pass from Al-Sadi found May-Parrott again and he lifted it over Carey for 3-2. When a low cross was deflected and squirmed under Carey on 71 minutes, Avgoustidis had his second and Enfield led 4-2.

Corbett and Wilson had come on for McQueen and Egbri on 67 minutes, and they changed the game. On 74 minutes Corbett turned home a Wilson cross, and on 81 he cut inside and fired a rocket into the bottom corner from 20 yards to make it 4-4. Omotayo replaced McCallum and Borough saw out four added minutes.

"And breathe," said the club afterwards: Borough were 2-1 up at half-time but had to come back from 4-2 down.

ENFIELD TOWN 4-4 EASTBOURNE BOROUGH

MATCH FILE · FROM P39

Both managers rolled the dice in a frantic second half. Enfield sent on Tariq Al Sadi at half-time and Borough brought on Craig Eastmond for Liam Nash five minutes later. After Corbett and T'yano Wilson arrived, Enfield replaced two-goal Luke May-Parrott with Jez Davies and, just after Corbett's first, Avgoustidis with Nana Kyei. Gold Omotayo and Shiloh Remy came on late.

Corbett's brace takes him to nine league goals for the season, level with Josh Rees as Borough's leading scorer. Avgoustidis also has nine for Enfield. No bookings were recorded in an eight-goal game.

The point keeps Borough in the hunt at the top end: they are fourth on 35 points from 17 games, six behind leaders Welling United. Enfield are second on 38, three off the top.

Borough have two games in five days to follow. Aveley visit Priory Lane on Tuesday night (7.45pm), and on Saturday it is a Sussex derby at Burgess Hill Town.

JADAMA DOUBLE SINKS THE ROOKS

Image: Ramsgate FC (@RamsgateFC) on X, used with credit to the owner

Lewes lost ground on the Isthmian Premier play-off places after a 4-1 defeat at Ramsgate, in front of 1,089 at the Southwood Stadium.

Tijan Jadama scored twice in the first half. He opened the scoring on 13 minutes and doubled the lead on 26, getting on the end of a low cross at the back post. Brian Garzon's drive from range was the Rooks' best effort, straight at the keeper, and a Charlie Walker free-kick sailed over.

Three minutes after the restart Benedict Bioletti headed a third from Billy Munday's assist. Only goalkeeper Louis Rogers, with a superb acrobatic stop from a volley, and Alfie Allen, clearing off the line, kept the score down. Just before the hour Lewes made four changes, with Kwesi Ntim, Bobby Unwin and Tyler Christian-Law among those sent on, and it made a difference: Walker had a penalty shout waved away and Alfie Allen pulled one back on 68 minutes.

Ntim fired just over and Unwin was denied, but Lewes could not find a second. Jack Enkh needed treatment for a head injury late on, and after Rogers made another big save, Rowan Liburd turned in the rebound in stoppage time. Rogers, the club said, had a top game in goal despite conceding four.

MATCH FILE · FROM P41

Lewes lined up with Louis Rogers in goal; Jack Enkh, Josh Spinks (captain), Tyrese Owen and Danny Bassett; Alfie Allen, Noel Fisher, Kurtis Cumberbatch, Tom Bender, Charlie Walker and Brian Garzon. The four changes on 57 and 58 minutes brought on Olly Hamstead for Bender, Bobby Unwin for Fisher, Kwesi Ntim for Garzon and Tyler Christian-Law for Cumberbatch, and goalscorer Allen made way for Mackenzie Richardson on 89.

Ramsgate's goals were spread around their front line. Jadama made way for Jacob Bland on 85 minutes after his double, Bioletti was replaced by Latrell Lewis on 68, and Liburd, who scored the fourth, came off the bench for Alfie Paxman on 78. Tom Clifford was the only booking recorded. The hosts' top scorer Callum Jones, on ten league goals, did not score.

The result swaps the two sides in the table. Ramsgate move up to fifth and Lewes drop to sixth, both on 31 points, with the Rooks having played a game more. Lewes are now without a win in three, and they go to Leatherhead next Saturday.

HILL LEAD TWICE BUT SETTLE FOR A POINT IN ESSEX

Image: Burgess Hill Town FC (@Official_BHTFC) on X, used with credit to the owner

Burgess Hill Town made the longest trip in the Isthmian Premier, 99 miles to Stanway, and led twice, but Matthias Fanimo's free-kick eight minutes from time meant a 2-2 draw.

Harry Lawson gave Hill the lead on 12 minutes. It lasted two: Luka Chalwell equalised for the hosts on 14. Chris Whelpdale arrowed a shot inches past the post before the break, Joel Daly won a corner that Lawson put over, and Stanway had Finlay Adams and Tarrelle Whittaker booked.

Two minutes into the second half Ben Pope had the ball in the net from a corner, only for the referee to rule it out for handball. Pope headed at the keeper from a Hamish Morrison cross, shot straight at him again, and put another chance wide from a George Vorster cross.

Hill's second goal was the move of the match. On 76 minutes Whelpdale smashed the ball across, Pope laid it off and Vorster curled into the far corner, and the travelling fans behind the goal went wild. But on 82 minutes Hill gave away a free-kick on the edge and Fanimo thumped it in. Luther Williams and Nicky Wheeler made way for Jack Strange and Martyn Box, and Whelpdale had a goal-bound effort deflected away late on.

Burgess Hill started with Roco Rees in goal; Hamish Morrison, Luther Williams, Joel Daly and Luca Cocoracchio; George Vorster, captain Kieran Rowe, Ben Pope and Chris Whelpdale; Harry Lawson and Nicholas Wheeler. Hill's two changes came on 84 minutes, after Fanimo's equaliser.

Stanway's goalkeeper Khiani Ofuyaekpone-Shombe was booked on 65 minutes, and the hosts used four substitutes, with Fanimo himself taken off for George Holley three minutes from time.

It is a third draw in Hill's last five league games and their eighth of the season, and the point leaves them 15th on 23 points from 18 games, without a win in five. Stanway, second from bottom, are on ten.

The next one is a big one: Eastbourne Borough come to Leylands Park next Saturday for a Sussex derby.

BRIDGES FIND THEIR WAY BACK TO WINNING

Image: Three Bridges FC (@ThreeBridgesFC) on X, used with credit to the owner

Three Bridges came from behind to beat Cheshunt 2-1 at Jubilee Field, a first league win in five games after what the club called a challenging spell.

Bridges had the better of the early exchanges. Hayden Velvick ran through but was put off by a covering defender on 24 minutes, and Charlie Bennett was inches from turning in a Dan Ferreira cross. But on 33 minutes Joe Re's free-kick from the edge of the box went past the diving Sam Roberts to give Cheshunt the lead at the break.

Six minutes into the second half Velvick levelled, his shot from the right side of the box sneaking in at the near post. Noel Leighton had a lob tipped away by Rex Porter. Jadyn Dundas came on for his debut, replacing Reece Hallard, and should have scored soon afterwards, and Sam Granville hit the bar for Cheshunt on 70 minutes.

The winner came on 74 minutes: Porter saved the first effort but Leighton followed up. Bridges then had to defend, clearing a Cheshunt effort off the line in stoppage time. Billy Irving and Ronald Idowu-Johnson came on to see it out.

Dan Ferreira was named player of the match by the club: Mr Consistent, who ran the show and dictated the tempo. Manager Jamie Crellin said he was delighted with the performance.

It was a scrappy, competitive game. Hayden Neathey was booked for Bridges on 34 minutes, a minute after Re's goal, and Cheshunt had Tommy Wood and Sam Granville cautioned in the second half. Cheshunt sent on Obi Onyeagwara, Jakai Bascoe-Fisher and Cole Dasilva in search of an equaliser.

LATE RYAN GOAL NOT ENOUGH FOR HAWKS

Image: Cray Wanderers FC (@OfficialWands) on X, used with credit to the owner

Whitehawk remain bottom of the Isthmian Premier after a 2-1 defeat at Cray Wanderers, where Kamarni Ryan's 80th-minute goal could not rescue a point.

It was goalless at half-time at Flamingo Park, in front of 427. Cray broke through on 59 minutes when Misha Djemaili scored, and Lateef Adaja added a second six minutes later.

Ryan pulled one back for the Hawks with ten minutes left, but Cray, who have now won four league games in a row, held on.

The Hawks held Cray for nearly an hour at Flamingo Park before the breakthrough, and changed things quickly once behind. Within 12 minutes of Djemaili's opener they had made three substitutions, Imran Kayani replacing Marco Haigh, Daniel Fosu coming on for Seokjae Lee and Arezki Hamouchene for Matty Jones. Adaja's goal came between the second and third of them.

Cray made changes of their own after their second goal: Soul Kader came on for John Ufuah, Alex Hernandez for goalscorer Djemaili and Seidou Sanogo for Sammie McLeod. Whitehawk sent on Mehmet Halim for Rhys Murphy on 79 minutes, and a minute later Ryan scored. Victor Aiye replaced Finlay Chadwick as the Hawks pushed for an equaliser, and Cray took off top scorer Ade Yusuff for Tobi Tinubu three minutes from time. No bookings were recorded.

Whitehawk started with Henry Molyneux in goal; Dami Olorunnisomo, Adam Reeves, captain Grant Hall and Nikolai Krokhin; Matty Jones, Lee, Chadwick, Ryan, Murphy and Haigh. Ryan's goal was his eighth in the league this season, the club's best.

ZAC YOUNG DOUBLE AS THE BEARS BEAT HASTINGS

Image: Broadbridge Heath FC (@thebearsbbhfc) on X, used with credit to the owner

Zac Young scored in each half as Broadbridge Heath beat Hastings United 2-0 to close to within a point of them in the Isthmian South East.

Young opened the scoring on 11 minutes and the Bears led at half-time. He made it 2-0 on 62 minutes, and Heath saw the game out in front of 152.

It was a fractious afternoon: referee Harvey Ransome showed seven yellow cards, including one for Young on 50 minutes and five in the space of 25 minutes in the second half.

It follows Tuesday's 6-2 Sussex Senior Cup win at Haywards Heath. "The Bears claim all three points thanks to a brace from Zac Young," said the club.

The bookings came in a steady stream. Jay Richardson was cautioned for Heath on 21 minutes and Young five minutes into the second half. Hastings then had Ronnie Dolan, Sam Pidgeon, Sam King and Max Walsh booked, and Heath's Samuel Hards went into the book on 76.

Hastings made changes chasing the game. Kesna Clarke, joint top scorer with Walsh on eight, came on for Freddie Legg seven minutes after the break, with Warren-Hugues Mfula, Ayo Olasimbo and Joe Clifford following. Heath replaced captain Salvatore Marino with Jack Church on 65 minutes and brought on Bradley Peters, Ollie Rawlins and Mason Doughty.

Heath started with Alfie Hadfield in goal behind Dylan Thiselton, Ben Royall, Marino and Lewis Hyde, with Luke Bejashvili, Jamie Buchanan, Hards, Charlie Connell, Young and Richardson.

RUSHY'S DOUBLE MAKES IT TWO IN A ROW

Image: Crowborough Athletic FC (@CrowboroughAFC) on X, used with credit to the owner

Rushaar Samuel-Smikle scored twice as Crowborough Athletic beat Deal Town 3-1 for a second straight league win.

Rushy, as the club calls him, gave Crowborough the lead on 41 minutes. Deal levelled two minutes into the second half through Tom Chapman, but Samuel-Smikle put Crowborough back in front from the penalty spot on 68 minutes and Tom Pearson made the points safe on 81.

Five players were booked, three of them in a four-minute spell midway through the second half, including Chapman.

Tom Pearson came on for Alfie Bloomfield on 77 minutes and scored four minutes later, a fine piece of timing from the bench. Crowborough added Henry Muggeridge and Jack Mayhew in the closing stages to see it out.

Samuel-Smikle's double takes him to 11 league goals for the season, level with Harry Forster at the top of the club's scoring chart. George Hutcheon was booked for the hosts on 11 minutes; for Deal, Josh Vincent was cautioned a minute later and later replaced, and Ashley Miller and Zak Hammond were booked before Chapman.

Deal made five changes in the second half, with Alex Green, Rory Smith, Owen Wilkinson, Dillon Simmons and Malachi Mbogba all coming on, but could not get back into it.

Back-to-back wins lift Crowborough from 18th to 17th on 21 points. Deal stay 19th on 18 and have not won in four. Sittingbourne visit the Charles Century Community Stadium next Saturday.

TOWN HOLD HIGH-FLYING WHITSTABLE

Image: Eastbourne Town FC (@eastbournetfc) on X, used with credit to the owner

Eastbourne Town held Whitstable Town, second before kick-off, to a goalless draw at The Saffrons, a second draw in a row for the hosts.

It proved to be Jude Macdonald's last game in charge: Dugout News can confirm the club sacked him on Saturday evening (see News, page 8).

Luke Emberson came on for Alex Plummer in first-half stoppage time and Harrison Pont replaced Ian Gayle at the break. Kane Rowland, Corey Panter, Harvey Greig and Billie Clark were all booked in the second half.

Whitstable made a change at half-time, captain Ian Gayle replaced by Harrison Pont. Pont himself was later replaced, by Billie Clark on 81 minutes, and Clark was booked in stoppage time. Kane Rowland was booked on 55 minutes and taken off a minute later.

Eastbourne Town started with captain Christopher Winterton, Leon Greig, Jack, Alex Plummer, Harvey Greig, Nathan Hover, Marcin Ruda, Eliot Jenks, James Stone, Alfie Rogers and James Waters. Aaron Capon, Sonny Walsh and Grey Coleman came off the bench in the second half.

It is a clean sheet against a side who started the day second. Whitstable, unbeaten in five, slip to third on 36 points. Eastbourne Town stay 21st on 11 points, without a win in five, and go to Erith Town next Saturday.

PENALTY DECIDES IT AT THE LEADERS

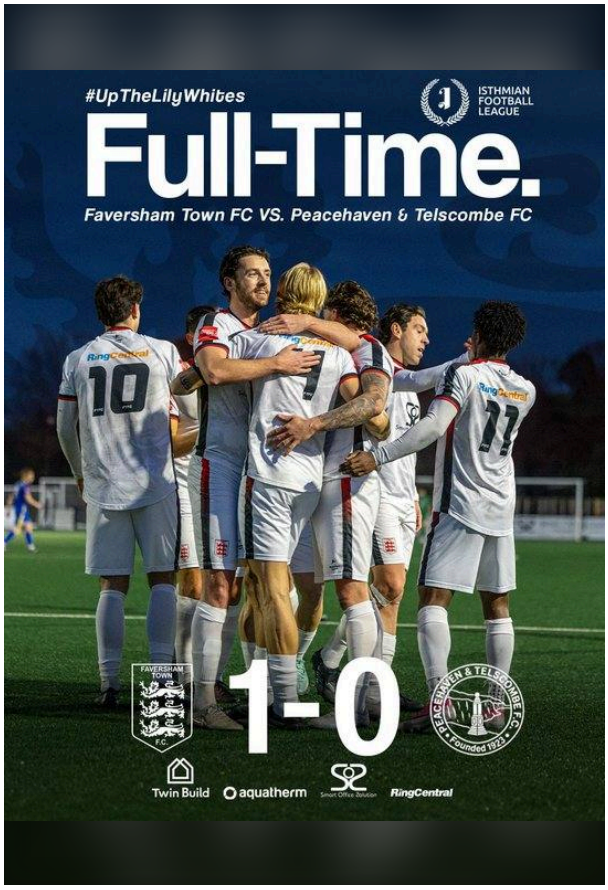

Image: Faversham Town FC (@FavershamTownFC) on X, used with credit to the owner

Peacehaven & Telscombe held the Isthmian South East leaders for more than an hour at the Aquatherm Stadium but were beaten 1-0 by Tommie Fagg's penalty.

The first half was goalless. Fagg scored from the spot on 64 minutes for Faversham, their fourth straight league win, in front of 436. Jack Parter, Marc Nouble and Ryan Thomas were booked.

Peacehaven made their first change early in the second half, Charlie Curran replacing Cal Edwards on 50 minutes. After the penalty they sent on Curt Ford and Jesse Lambert, and Ryan Thomas was booked on 84 minutes, but Faversham saw it through. Connor Tighe, Peacehaven's top scorer with ten league goals, was an unused substitute.

Fagg's penalty was his seventh league goal of the season. Faversham changed it late, with Troy Howard, Ibrahim Olutade, Kai Garande, Eniye Amgbaduba and Matt Newman all sent on, Newman replacing Fagg in stoppage time.

Faversham stay top on 40 points from 19 games. Peacehaven are 20th on 17, without a win in five, and next go to AFC Croydon Athletic.

BARROWMEN'S SECOND-HALF FIGHTBACK FALLS SHORT

Image: Steyning Town FC (@SteyningTown) on X, used with credit to the owner

There was every reason to expect a cracking game at the Shooting Field. The Barrowmen had won 4-1 away at Hastings United the previous weekend in front of more than 1,000 fans, while visitors Punjab United were unbeaten in seven league games.

The floodlights came on just ten minutes into a cold Saturday afternoon, and a crowd of 125 saw Punjab race into a four-goal lead inside 34 minutes. Steyning pulled two back after the break, but the visitors held on for a 4-2 win.

Punjab took the lead with the first chance of the game. Emmanuel Oluwasemo picked out Chris Edwards at the back post with a fine delivery, and Edwards headed in off the post.

Seven minutes later, Edwards turned provider, picking out Roman Campbell, whose bullet header flew past Alfie Mansell to make it 2-0.

Things went from bad to worse for the Barrowmen before the half-hour. Campbell pounced on a mistake by Marcus Allen and squared for Jack Hopkins, who rolled the ball into an empty net for Punjab's third.

Steyning were forced into an early change when Max Blencowe went off injured after a late, studs-up tackle. The Punjab defender was shown a yellow card. From where I was standing, it looked worthy of a red. Bright Kuntu-Blankson came on to replace Blencowe.

A couple of minutes later, Punjab had their fourth. Sam Wood swung in a corner in the 34th minute, and the ball somehow found its way into the net.

The Barrowmen had a couple of half-chances to pull one back before the break. With his side four down, Brannon O'Neil had a big half-time team talk on his hands.

The Barrowmen came out with more energy after the break and created several chances, but Punjab held firm until the 74th minute. Jesse Sentamu came off the bench to score for the second week running, pulling one back with his third goal of the season.

Steyning kept up the pressure and Jared Rance added a second in the 90th minute. The first-half damage proved too much to undo, and Punjab left the Shooting Field with all three points.

Man of the match: Roman Campbell. Punjab's win extended their unbeaten league run to eight matches and lifted them to ninth in the Isthmian League South East Division, while the Barrowmen dropped to 15th.

Steyning return to cup action in midweek when they travel to Faversham Town in the third round of the Velocity Cup. Kick-off is at 7.45pm. Punjab will look to extend their unbeaten run when they face Hastings United in the league on Saturday 28 November.

Bognor Regis Town built a two-goal lead inside 25 minutes and held on to beat Hayes & Yeading United 2-1 at Nyewood Lane, in front of 568.

Luke Roberts scored on eight minutes and Henry McDonald made it two on 25, and the Rocks were two to the good at half-time. Liam Ferdinand pulled one back for Hayes four minutes after the break, but Bognor held out for the remaining 41 minutes.

"WE HOLD ON FOR ALL 3 POINTS," said the club at full-time.

Hayes made a change just before half-time, Noah Hay replacing Joshua Edwards, and Ferdinand's goal four minutes after the restart was his eighth league goal of the season, including his goals for Southall. The visitors added Brendan Matthew, Richard Afrane-Kesey and Ross Derham from the bench; Ben Shroll and captain Amos Nasha were booked.

Bognor made changes to protect the lead, Ethan Robb replacing Kaya Tshaka on 57 minutes, Ben Anderson replacing goalscorer Luke Roberts on 71 and Charlie Gunson coming on for Ollie Lovell on 80. Bognor's XI was Tommy Scott, Benny Read, Henry Nevill, Lovell, Liam Webber, captain Tommy Block, Lennie Smith, Tshaka, Callum Laycock, McDonald and Roberts.

The Rocks stay third on 40 points from 19 games, three behind the leaders. Next Saturday they make the trip to Jersey Bulls, who are second, in a top-three meeting.

Lorne Bickley scored a first-half hat-trick as Jersey Bulls beat bottom club Littlehampton Town 6-0 at the Sportsfield.

Bickley scored twice in two minutes, on eight and ten minutes. Jonny Le Quesne made it three on 31, James Sunley four on 36, and Bickley completed his hat-trick on 41 for 5-0 at the break. Jarma Mohamed added a sixth on the hour.

Littlehampton made five changes at half-time, Daniel Simmonds, George Taggart, Kyle O'Brien, Lewis Olajide and Liam Kimber coming on for Charlie Cooper, Eugene Asike, Matthew Storm, Marcel Powell and Joshua Short. The second half was tighter: the Bulls, who also changed three at the break, including hat-trick man Bickley, scored only once more.

Bickley's treble takes him to 17 league goals for the season. Mohamed's goal came three minutes after he came on for Luke Watson. Fraser Barlow, Bickley's replacement, was the only booking recorded.

The Golds stay bottom with seven points from 17 games, and have lost their last four. Jersey are second on 41, two behind the leaders, and host Bognor next Saturday. Littlehampton face Kingstonian at home on Tuesday night (7.45pm) and go to Hayes & Yeading on Saturday.

WRIGHT AGAIN: HEATH SEVEN CLEAR

Image: Haywards Heath Town FC (@HHTFC) on X, used with credit to the owner

Josh Wright was played through twice and finished twice as Haywards Heath Town won 2-0 at Roffey, their seventh straight league win, to go seven points clear at the top of the SCFL Premier.

This was billed as the big one: Roffey, fourth before kick-off, hosting the leaders at the Fusion Aviation Community Stadium in front of 185. The Boars had the first look, Mase breaking down the right and finding Harrison on the edge, whose low drive was saved, and they had most of the ball early on. Heath's first real chance came on 22 minutes, when Webb found Sonny Causton in behind but his shot was an easy stop for Burton.

Heath grew into it, and on 33 minutes Wright went in behind, rounded the goalkeeper and rolled the ball into the empty net. Roffey responded with a change of shape four minutes later, Moyo replacing Gibbs, and Evan Hoarty came on for Callum Kilkenny at half-time. Tom Caplin was booked for Roffey and a Heath player for a challenge on Hoarty, and Luca Allen replaced Stan Berry on 73 minutes as the Boars rolled the dice.

It was settled on 79 minutes, when Wright was played through for the second time and made no mistake. He went off to applause five minutes later, replaced by Barnes, and Lukas Franzen-Jones made way for Tunji-Thomas late on. There was a sour note in stoppage time when Barnes was sent off for a late challenge.

"FT | ALL OVER! Big win!" said Heath. "Not our day," said Roffey.

ROFFEY 0-2 HAYWARDS HEATH TOWN

MATCH FILE · FROM P68

It completes the double for Heath, who beat Roffey 1-0 at home in October. They have now won seven league games in a row and have lost one of 18 all season, scoring 47 and conceding 13.

Wright's two goals take him to 14 league goals this season, including his goals for Seaford Town. Roffey, whose leading scorer Jordan Mase has nine, could not find a way past a Heath back line that has conceded fewer than a goal a game.

Roffey drop from fourth to fifth on 32 points from 17 games, 15 behind the leaders, after losing two of their last five. Heath host Arundel in the Peter Bentley Challenge Cup on Tuesday night (7.45pm) and Billingshurst in the league on Saturday.

Second played fifth at the Oval, and in a game that swung three times in 28 minutes, Eastbourne United and Guernsey shared a 2-2 draw in front of 216.

It was, in Guernsey's words, a highly competitive first half with chances at both ends, and it was settled by a moment of quality on the stroke of half-time: Ross Allen picked his spot and unleashed a rocket through a crowded box to give the Green Lions the lead. "Another terrific strike to add to his ever-growing collection," said his club.

United came out firing. Guernsey keeper Sheppard was booked after bringing down an attacker on 47 minutes, Rhyle Ovenden put the free-kick over, and Murray's header for the visitors rattled the crossbar from an Allen cross. Callum Barlow replaced James Hull on 54 minutes and changed the game: on 66 minutes his cross found Joe Overy, who finished brilliantly. Three minutes later Charlie Ball found himself one-on-one and powered the ball home for 2-1.

The lead lasted three minutes. Jacob Fallaize put his body on the line to convert from close range on 72 minutes for 2-2, and both sides had to settle. Alieu Secka made a good low save for United on 83 minutes; Mason Creese and Freddie Jones came on late, and Allen handed the Guernsey armband to Fallaize when he was replaced by Dave Merris.

"A battling point at home," said United. "A well-earned draw against second-placed Eastbourne United," said Guernsey.

EASTBOURNE UNITED 2-2 GUERNSEY

MATCH FILE · FROM P70

The two sides met in Guernsey in September, when United won 4-1. This was a much tighter contest, and the point keeps Guernsey's run going: they are unbeaten in eight league games and climb from fifth to fourth on 33 points, with games in hand on everyone above them.

Barlow came off the bench and made the equaliser. He is United's top scorer in the league with 12 and Ball, who scored the second, has 11. Allen's goal was his eighth of the league season for Guernsey.

United stay second on 40 points from 19 games, seven behind Haywards Heath. They host bottom club Forest Row next Saturday, while Guernsey cross to Seaford Town (2pm).

FIVE-STAR PIRATES AT THE POLEGROVE

Image: Bexhill United FC (@Bexhill_United) on X, used with credit to the owner

Bexhill United were two up inside five minutes and ran out 5-1 winners over Midhurst & Easebourne at The Polegrove, their third straight league win.

Playford nodded in from a corner after two minutes, from what the club described as the grand distance of one yard. Three minutes later Latuske dropped his shoulder inside off the right wing and played the ball into Shonk's path for 2-0, and it stayed that way to the break after what the Pirates called a storming start.

Midhurst pulled one back on 50 minutes, but Bexhill answered within five: Latuske put the ball into the box, and Coombs swivelled and fired in for 3-1. On 68 minutes Moir laid the ball out to Coombs, who hung up a cross for Shonk to nod home his second, and on 76 minutes Samways finished a great half-volley for 5-1.

Midhurst had made the longest trip in the SCFL Premier on Saturday, 64 miles. They have not won a league game since 31 August.

"Five star performance from the Pirates at The Polegrove!" said the club.

Bexhill also won the first meeting, 2-0 at Midhurst in September, so they complete the double, 7-1 on aggregate. Coombs's goal was his seventh in the league this season, the club's best, and Moir, who started the move for the fourth, has six.

Three straight wins lift the Pirates from seventh to sixth on 32 points from 17 games. Midhurst slip to 19th on 12 points.

Bexhill go to Pagham next Saturday. Midhurst visit Little Common.

ROBINS BACK TO WINNING WAYS

Hassocks scored four times in the first half and played most of the game against ten men as they beat Billingshurst 4-0 at Jubilee Fields.

Billingshurst's Jamie Smith made a brilliant sliding block on the line to deny the Robins in the seventh minute, but on 16 minutes a free header was handled on the line by Nat Guest. Hassocks were awarded a penalty and Guest was sent off. By the break the Robins were four up.

Billingshurst keeper Fraser made a good save before half-time and the hosts kept the second half goalless. "A battling 2nd half performance," said Billingshurst. Hassocks called it a strong performance and a job well done as they took the points back to the Beacon.

The clubs have not published the scorers; FA Full-Time had not recorded them at the time of going to press.

It was the same score as the first meeting between the clubs: Hassocks also won 4-0 at the Beacon in September.

The Robins stay third on 36 points from 17 games, 11 behind the leaders with a game in hand. They had lost 2-1 at Newhaven a week earlier, so this was the response they wanted. Billingshurst stay 16th on 15 points; they have played 20 games, more than anyone else in the division.

Hassocks are in the FA Vase next Saturday, away at Rusthall. Billingshurst go to the leaders, Haywards Heath Town.

LINGFIELD HIT FIVE

Image: Lingfield FC (@Lingfield_FC) on X, used with credit to the owner

Lingfield beat Horsham YM 5-0 at Whyteleafe's Church Road ground, where they are playing their home games this season.

It was Lingfield's first clean sheet in a league game this season. They had conceded in every one of their previous 15 league matches, and had not won in two before Saturday.

YM arrived in decent form, having won their previous two league games, 3-1 away and 2-0 at home, but were well beaten. Hassan Rajwani refereed, assisted by Matthew James and Justin Roadnight.

The result lifts Lingfield to seventh in the SCFL Premier, level on 30 points with East Grinstead Town. YM are 18th.

Neither club had published the scorers by the time we went to press, and FA Full-Time had not recorded them. If you were there, send us the details and we will add them to the Data Hub.

It completes the double for Lingfield, who won 3-1 at Horsham YM in September. Their 42 league goals are the third-most in the division, behind Eastbourne United and Haywards Heath Town.

Lingfield move from eighth to seventh. YM slip from 17th to 18th on 13 points, one above Midhurst & Easebourne in 19th, and go to East Grinstead Town next Saturday.

COMMON SWEEP PAGHAM ASIDE

Image: Little Common FC (@littlecommonfc) on X, used with credit to the owner

Little Common beat Pagham 4-1 at the Rec, with Oli Macdonald, Kieran Ludlow, Freddie Warren and Sonny Tyrell all on the scoresheet.

Oli Macdonald's 23rd-minute goal, a strike the Little Common account called an absolute worldie, made it 1-1, and Kieran Ludlow put Common 2-1 up on the half-hour. They should have been further ahead at the break, but Pagham keeper Kelly Connor saved a penalty right on half-time.

Freddie Warren made it 3-1 on 57 minutes and Sonny Tyrell added the fourth in the 90th minute. For Pagham it is two defeats in a row.

Little Common move up to 17th on 13 points.

It was a big turnaround from the first meeting, when Pagham won 5-1 in October. Little Common have now won four league games this season, all at home; they have lost every one of their nine away games.

Pagham's away form is the reverse of their home form: they are unbeaten in eight league games at Nyetimber Lane but have lost their last six on the road. Kelly Connor's penalty save on half-time was the highlight for the visitors.

Common climb off the bottom, from 20th to 17th on 13 points, and host Midhurst & Easebourne next Saturday. Pagham, 11th on 23, have a busy week: Selsey in the Sussex RUR Charity Cup on Tuesday, then Bexhill United at home.

OLIVER WRIGGLES THROUGH TO SEAL IT FOR THE DOCKERS

Image: Newhaven FC (@NewhavenFC) on X, used with credit to the owner

Newhaven made it three home wins in a row with a 3-1 victory over Lancing at the Trafalgar Ground, in front of 202.

Lee Robinson put Newhaven ahead on six minutes, but Lancing levelled on 11 with their first meaningful attack, Popham finishing. Matthew Gunn restored the Dockers' lead on 17 minutes, Robbo was blocked after getting through on 30, and it was 2-1 at the break.

Lancing should have been level on 65 minutes, when Newhaven's Pike was beaten to a long ball over the top but the eventual shot hit the post with the goal gaping. Robbo was denied by a decent save at the other end, and on 76 minutes Oliver settled it with a brilliant goal, wriggling through numerous challenges before firing into the roof of the net.

Revenge for September, when Lancing won the first meeting 3-1. The Dockers have now won three in a row at the Trafalgar Ground.

Newhaven are 12th on 23 points from 17 games, six above Lancing, who are 14th. Newhaven go to Wick next Saturday; Lancing visit AFC Varndeanians.

JUPP FINISHES A FLOWING MOVE

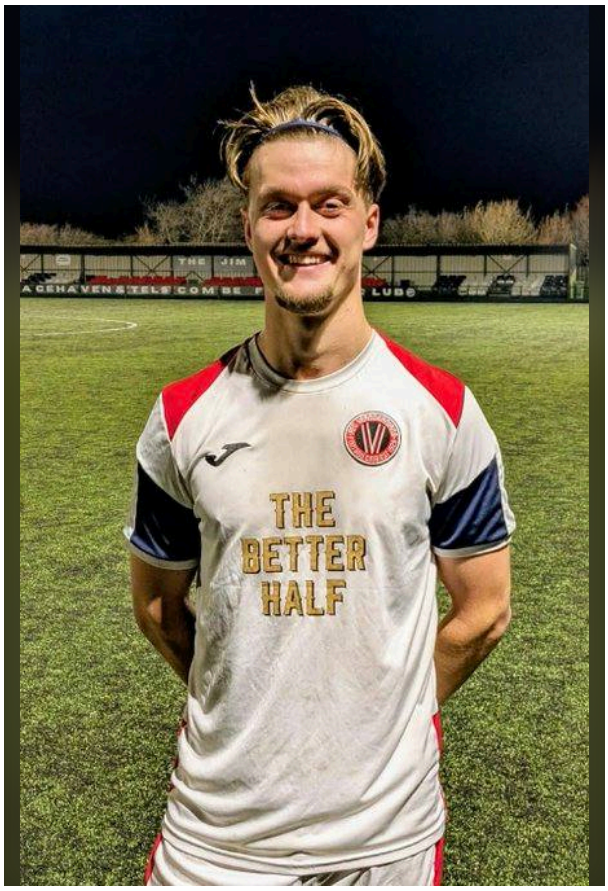

Image: AFC Varndeanians (@AFCVarndean) on X, used with credit to the owner

One goal, one great move: Tommy Jupp finished it to give AFC Varndeanians a 1-0 win over Wick at Centenary Park.

Morris played it to Kian, who slipped it back to Jupp to tuck home, what the club called a quality goal. Jupp was named man of the match, a constant threat who kept driving the V's forward.

Wick made a double change on 63 minutes, Layton and Allcock replacing Bennett and Tester, but could not find an equaliser. "A draw would've been a fair result but fair play to AFC Varndeanians for taking their chance," said Wick. The V's said they played some really good football, created plenty of chances and stood firm defensively when they needed to.

It reverses the first meeting, when Wick won 2-0 in September. The V's, who play their home games at Peacehaven's Centenary Park this season, move from tenth to ninth on 27 points from 19 games.

Wick are 15th on 16 points and without a win in four. They host Newhaven next Saturday; the V's are at home again, to Lancing.

Seaford Town beat Forest Row 1-0 at The Crouch with a goal they will not be putting on the highlights reel, but one that took the points.

Seaford hit the woodwork twice in the first eight minutes: Ollie Lee headed against the bar on six minutes and Aidan's driven shot from the edge of the box hit the bar two minutes later. Jedd was denied, Seb poked wide after good work by Rio, and goalkeeper Josh made a solid save at the other end.

The breakthrough came on 37 minutes. Forest Row tried to clear a through ball, it hit Rio and rolled into the empty net. "They all count!" said the club.

Seaford had more chances after the break, including a header from Ollie denied by a great save from the Forest Row keeper, and the visitors were down to ten for a spell after a sin-bin on 81 minutes. Seaford had to withstand pressure late on but kept a clean sheet.

Seaford also won the first meeting, 4-3 at Forest Row in September, so they complete a narrow double.

Forest Row are now bottom of the SCFL Premier on ten points from 18 games and have lost all eight of their away league games. Seaford are 13th on 22.

Seaford host Guernsey next Saturday (2pm). Forest Row go to second-placed Eastbourne United.

DAVEY AT THE DEATH: MAVERICKS TURN IT AROUND

Danny Kingston goal graphic: Worthing United FC

Ethan Davey scored in the 92nd minute, seconds after having a goal ruled out for offside, to give Worthing United a 2-1 win at Selsey.

Selsey went ahead on 30 minutes through Isaac Glanfield, with the visitors temporarily down to ten men, and led at the break. "Not been great," said United at half-time, "but we've livened up since the goal."

On 63 minutes Ahmed Kamil was bundled over in the box and Danny Kingston coolly converted the penalty. Marcus Puddephatt replaced Liam Appleton on 77 minutes. Selsey keeper Lelliott looked to have kept the draw with a late reflex save, but Davey, foiled by the flag one moment, was lurking at the back post and onside the next to win it.

"We left it late but it won't matter," said United. "What a turnaround." Selsey's photographs were by McGuffin Media.

Kingston's penalty was his ninth league goal of the season, the most at the club, and Davey's winner his fifth. United are now unbeaten in seven league games, having won the last three, and climb from fourth to third on 36 points from 17 games.

Selsey, who have lost two in a row, stay 13th on 21 points. They go to Pagham in the Sussex RUR Charity Cup on Tuesday and Dial Square in the league on Saturday. Worthing United host Dorking Wanderers B.

ARUNDEL RUN AWAY WITH IT AFTER THE BREAK

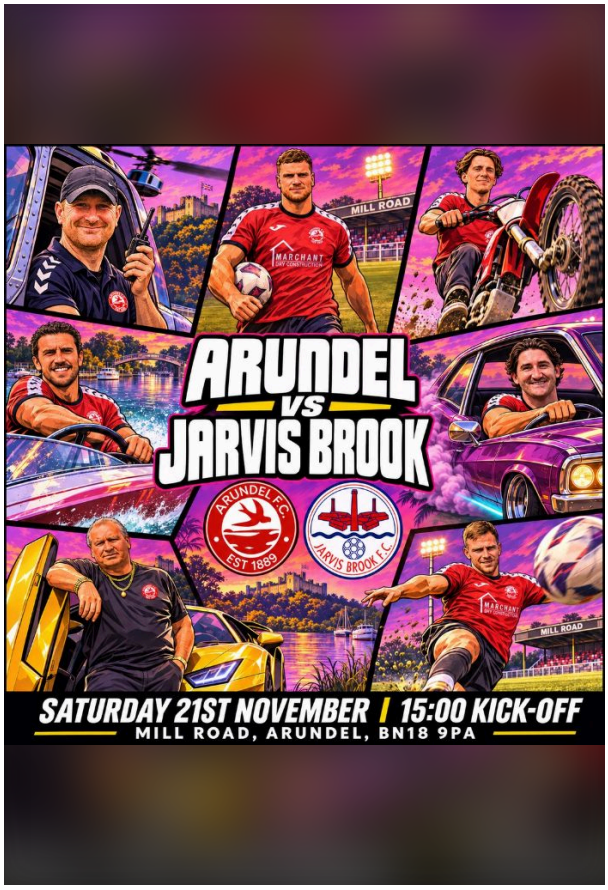

Image: Arundel FC (@ArundelOfficial) on X, used with credit to the owner

Arundel scored four times in the second half to beat third-placed Jarvis Brook 5-1 at Mill Road, ending a ten-game winless run in the league.

The Brook led on 15 minutes when Ted Whittington finished after great work from Matt and Jim, and Archie produced one hell of a clearance to stop a quick equaliser. But Arundel levelled from a set piece on 39 minutes and it was 1-1 at the break.

The game turned in the first five minutes of the second half. Arundel went 2-1 up on 46 minutes and 3-1 on 50. Jarvis Brook made three changes, Charlie Baitup, Liam and Graig coming on for James Broom, Ted and Sam Sales, but Arundel scored twice more, the fifth on 64 minutes from a goal the Brook account thought looked offside.

"It's a long season and this league is so competitive," said Brook boss Raff afterwards.

Cal Stobart scored a hat-trick for Arundel, with Daegan Walsh and Steve Herbert getting the others, according to the club's match centre. It was a big afternoon for Stobart, who had also scored Arundel's goal in the 1-1 draw with Westfield three weeks earlier.

The scale of the result is clear from the form book. Jarvis Brook had not lost a league game since 18 August, a run of 14 matches, and had won six of their last seven. Arundel had not won in the league since 5 September.

Arundel move from 16th to 15th on 19 points. The Brook drop from third to fourth on 36 points from 17 games.

Arundel go to Haywards Heath Town in the Peter Bentley Challenge Cup on Tuesday night, then host Shoreham on Saturday. Jarvis Brook host Saltdean United.

Substitute Danny Taylor scored in the 96th minute to give Dial Square a 1-0 win over Westfield, who had made the longest trip in Division One, 79 miles.

It was a tight first half at Brookwood Country Park. Westfield lost Sammy Willett after 20 minutes, replaced by Jack Stapley, and it was 0-0 at the break.

Taylor's goal deep in stoppage time made it four straight league wins for Dial Square. "A long way to go with no reward," said Westfield, who are now without a win in six.

Dial Square are fifth on 32 points from 17 games and have now won four in a row in the league. They play their home games at Knaphill's Brookwood Country Park this season.

Westfield are 14th on 20 points. Dial Square go to Selsey next Saturday; Westfield's next trip is to AFC Walcountians.

Hailsham Town came from behind to beat Loxwood 4-2 at The Beaconsfield, their second league win in a row.

Loxwood took the lead on 31 minutes, but Hailsham turned it round before the break with two goals in two minutes: Jordan Masters on 42 and Connor Townsend on 44.

Harry Worsell made it 3-1 on 71 minutes. Loxwood pulled one back from the penalty spot two minutes later, but Robin Deen restored the two-goal cushion on 77.

Goal times and scorers are as recorded on FA Full-Time. Hailsham's account was quiet at half-time: it was the admin's birthday and he was on holiday.

Townsend, known to the Hailsham faithful as CT7, struck two minutes after Masters. The club's leading scorer, Tyler Pearson, has 12 league goals this season.

Hailsham move from seventh to sixth on 31 points from 18 games, with four wins from their last five. Loxwood, 11th on 23, have alternated wins and defeats over their last five games.

Hailsham go to Guildford City next Saturday; Loxwood face the long-time leaders Infinity.

A DESERVED VICTORY AND A BIG DAY FOR OAK'S YOUNGSTERS

Archie Cramer. Image supplied by Mile Oak FC

I thought we put in a really good performance overall, and ultimately it was a deserved three points against a Dorking side who kept going right until the final whistle.

First half, I thought we were excellent. We were really disciplined out of possession, stayed compact and narrow, and limited Dorking to very few clear-cut opportunities. We knew they were going to have possession, but we didn't feel the need to go chasing the ball unnecessarily. Instead, we were patient, kept our shape and picked the right moments to go and press.

Our goal was a perfect example of that. We waited for the right opportunity to jump, recognised the trigger as they played the ball across their own box, pressed aggressively and got our reward with a really good finish. That's something we were particularly pleased with because it showed the players' understanding of when to press rather than just pressing for the sake of it.

I also thought our attacking play in the first half was really positive. We had a high number of final-third entries and got into some really good areas. The only slight frustration was that we perhaps didn't make the most of some of those situations.

Second half, I thought Dorking improved, particularly in possession. They showed a little more quality on the ball and there were periods where we perhaps rode our luck slightly. However, I still felt we created more than enough opportunities to put the game beyond doubt.

MILE OAK 2-1 DORKING WANDERERS B

MATCH FILE · FROM P100

If we take our chances early in that second half, I genuinely think the scoreline could have been three or four-one, and suddenly the game looks completely different. Unfortunately, we didn't take those opportunities, and that allowed Dorking to grow back into the contest.

Credit has to go to them because they never stopped working and continued to make things difficult for us right until the end. On another day, they might have managed to come away with a point, but when you look at the balance of chances across the 90 minutes, I think we were worthy winners.

One thing I particularly want to highlight is the involvement of four of our Under-18 players. We had two starting and another two coming off the bench, and I thought all four were absolutely incredible. They showed maturity, quality and a real willingness to compete at this level.

It's something I'm incredibly proud of because we're not just including young players to make up the numbers. We're giving them genuine opportunities because we believe they're good enough, and they're continuing to repay that faith with their performances.

I genuinely don't think there are many, if any, other clubs in this league showing the same level of trust in their Under-18 players as we are. For me, that's a massive positive for the football club and shows the importance of having a proper pathway for young players to progress into senior football.

Overall, there's still plenty for us to improve on, particularly being more clinical in front of goal and managing certain periods of games better. But I thought the attitude, discipline and togetherness of the group were excellent.

A deserved victory, three important points and another really positive afternoon for the young players coming through the club.

Horndean loanee Elliot Harrison scored a hat-trick as Clanfield beat Reigate Priory 6-2 in the new manager's first home game.

Henry Martin opened the scoring on 34 minutes, rounding the keeper after he spilled the ball. In first-half stoppage time Martin threaded it through to Harrison, who beat his defender and smashed in his first goal for the club.

Reigate pulled one back with a brilliant finish into the top corner on 56 minutes, but Harrison headed in a Bailey Harkin free-kick on 61 and completed his hat-trick on 69, cutting inside after a pass from James Barker. Reigate scored a direct free-kick on 81 minutes, but in stoppage time Harrison Burton sent Leyton Davies through to make it five, and young Kenny Sherwood followed up his own saved shot to score his first goal.

"UP THE CLAN!!! What a scoreline!" said the club. Photos from the game were posted by Murray Sports Pics.

It was Clanfield's first league win in six and moves them from 18th to 17th on 13 points. Reigate, who have lost two in a row, slip from sixth to seventh on 28.

Clanfield host Mile Oak next Saturday. Reigate host Oakwood on Tuesday night and Ringmer AFC on Saturday.

Ryan Ferrar's 30-yard free-kick gave Shoreham the lead against Oakwood at Middle Road, but the visitors equalised just before half-time and it finished 1-1.

Ferrar stepped up on 23 minutes and converted in style. Oakwood were level on 45 minutes, and there were no more goals.

It is becoming a habit for the winger. Ferrar joined Shoreham in October, after a spell on dual registration with Reigate Priory, and his opener at Worthing United on 24 October was, in the club's words, "the best goal you've ever seen".

It is two draws in a row for Shoreham, who are 19th.

The point lifts Shoreham off the bottom of Division One, from 20th to 19th on ten points, though they have not won in six. Oakwood, unbeaten in three, are 16th on 17.

Shoreham go to Arundel next Saturday. Oakwood have two games in a week, at Reigate Priory on Tuesday and at home to East Preston on Saturday.

TD Shipley beat Division Two leaders Chichester City B 3-0 at Dragons Green.

Kyle Johnson made it 2-0 on 53 minutes, going clean through and slotting past the onrushing keeper, and Toby Smith added the third on 75, Reece chipping the ball through and Smith rolling it past the keeper.

"A complete performance against the league leaders," said the club. Chichester B stay top on goal difference, level on 31 points with Hurstpierpoint, who have a game in hand. TD Shipley are two points further back in third.

It was only Chichester B's second league defeat of the season, and a rare blank for a side who had scored 64 goals in 12 games before Saturday. Their top scorers, Josh Hall and Joshua Irish, have 15 and 14 league goals.

Shipley move from fourth to third on 29 points from 13 games, two behind the joint leaders. They go to Upper Beeding next Saturday, while Chichester B face Hurstpierpoint, level with them at the top, in what is now a first-against-second meeting.

PARTRIDGE HAT-TRICK, BUT FERRING HOLD ON

Image: Storrington Community FC (@StorringtonFC) on X, used with credit to the owner

Dec Partridge scored a hat-trick for Storrington Community, but Ferring won a seven-goal game 4-3.

Ferring led on 20 minutes with a shot from just outside the box and doubled it on 41 with a heavily deflected effort on the break. Partridge pulled one back with a great solo goal right at the end of the first half.

Ferring scored a penalty early in the second half and a back-post header from a corner on 80 minutes for 4-1. Partridge curled a free-kick into the bottom corner with five minutes left and completed his hat-trick in stoppage time, but there was no time for an equaliser.

"Almost redeemed ourselves," said Storrington. "Great performance and hat trick from Dec Partridge, and he leads by example with his work rate."

Ferring also won the first meeting, 5-1, in October. They are unbeaten in six league games and are sixth on 23 points from 12.

Partridge's hat-trick takes him to nine league goals for the season.

Storrington have lost three in a row and are tenth on 14 points. They go to ASC Brighton Rangers next Saturday; Ferring visit Brighton Electricity.

WHAT WE BRING TO THE TABLE

Everything a business needs to get seen — under one roof

I'm **Joseph Combes**, founder of **SEP Media**. I'm excited to be partnering with **Dugout Design** to offer a complete digital and visual media service across Sussex. Between us, we cover the full journey — from building a client's online presence to filling it with professional media that actually converts. No juggling freelancers. No gaps. One team, one point of contact.

ABOUT DUGOUT AI

Dugout AI is the ultimate companion for Sussex non-league football — delivering live scores, league tables, club directories, exclusive podcasts and fan engagement, all powered by AI. **Dugout Design** is their web design arm, building professional websites for clubs and businesses across the region.

ABOUT SEP MEDIA

SEP Media provides 3D virtual tours, licensed drone photography & video, and AI-powered marketing for businesses across Sussex. Professional-grade equipment, CAA-authorised aerial operations, and a local team that delivers fast — based in Worthing, covering all of Sussex.

Matterport Pro 2 walkthroughs with hosted 3D models, floor plans and highlight reels. Buyers and guests explore the space from their phone before they visit.

02 — AERIAL

Drone Photography & Video

Licensed aerial media under a CAA Operational Authorisation. Property overviews, site surveys, estate aerials, roof inspections and seasonal content packages.

AI-powered social media content, Google Business optimisation and automated lead generation. Monthly retainers, no long-term contracts required.

CAA Licensed & Insured

All aerial work is flown under a CAA Operational Authorisation with full public liability insurance. Professional, compliant, covered.

We don't use consumer gear. Matterport Pro 2 for precision scans, Leica BLK360 LiDAR, DJI M300 with thermal — the same tools the big firms use.
