## SATURDAY NIGHT ROUND-UP

COLUMN

Mike McCaffrey, Dugout Diaries

Two through, six out: a brutal Vase day for Sussex, and the rest of Saturday's results

**Eight Sussex clubs went into the FA Vase Second Round on Saturday. Two are still standing: Hassocks and Crawley Down Gatwick. That is a cruel return, and a big day for the two who made it.**

## FA VASE

Start at the Beacon. Hassocks and Eastbourne United had drawn twice in five weeks, 2-2 in the RUR Cup and 0-0 in the league, and I fully expected another tight one. Instead Hassocks were 4-0 up at half-time against the division's top scorers and won 5-2. It takes them into the Third Round for the first time in the club's history. Hassocks were 3-0 up inside 13 minutes, and the damage was done long before United's better second half. Hats off to the Robins.

Crawley Down Gatwick, who lost 6-1 at Newhaven on Tuesday, went to Whyteleafe and scored three times in the first 54 minutes against Lingfield, through Rhys White, Joshua Brown and Oli Leslie. Lingfield, fifth in the Premier Division, will be disappointed to have trailed 2-0 at half-time on their own patch against a side six places below them. To their great credit they kept going and scored twice to make it 3-2, but the Anvils held on. Lingfield have had a fine start to the season and are good enough to put this behind them quickly.

Then the Kent border bit us. Haywards Heath Town, runaway SCFL leaders who had conceded nine league goals all season, were 3-0 down at Rusthall inside 28 minutes and lost 4-2. East Grinstead went out 4-2 on penalties at Larkfield & New Hythe after Kieron Pamment had put them ahead. AFC Varndeanians were heading for penalties at Fisher until Festos Kamara scored in the 93rd minute. Lancing lost on penalties at Cove after a 1-1 draw. Pagham, one of only two Sussex hosts, were beaten 5-1 at home by AFC Greenwich Borough. Seven SCEFL sides are in Monday's draw. That should hurt a bit.

## NATIONAL LEAGUE

Up at Step 1, it was a bad afternoon for Worthing: beaten 3-0 at home by Sutton United. They stay sixth on 28 points, still in the play-off places, but they missed a chance to close the gap. Boreham Wood beat Hartlepool 4-3 and are now 12 points clear, unbeaten in 16.

## NATIONAL LEAGUE SOUTH

National League South was much better reading. Horsham went to Farnborough and won 5-0, which lifts them to tenth. Dorking Wanderers beat Weston-super-Mare 2-0 and sit seventh, the last play-off place, level on 24 points with Tonbridge and Dagenham. Truro beat Ebbsfleet 3-0 and go top.

## ISTHMIAN LEAGUE

In the Isthmian Premier, Eastbourne Borough beat Ramsgate 2-0 for their fifth straight win and are third. Lewes drew 2-2 with Wingate & Finchley and are fourth. It was a grim day for Burgess Hill, beaten 6-0 at home by the leaders Enfield. Three Bridges lost 3-1 at Maldon & Tiptree, and Whitehawk, beaten 3-1 by St Albans, are still bottom.

The South East Division is now a three-way tie. Hastings United lost 1-0 at home to Faversham, and South Park drew 0-0 at Deal, so South Park, Hastings and Faversham are all on 28 points. Steyning won 2-0 at Sittingbourne, which is their second win on the bounce. Bognor drew 3-3 with Hendon and are a point behind Jersey Bulls in the South Central.

## SOUTHERN COMBINATION

With the big boys in the Vase, the SCFL Premier was quiet, but Guernsey made it five league wins in a row by beating Bexhill 2-1. Little Common thumped Forest Row 6-1. In Division One, Infinity beat Ringmer 3-0 and are eight points clear on 40. In Division Two, Chichester City B (5-0 against Storrington) and Hurstpierpoint (5-2 against Rustington) are both on five straight wins.

## GRASSROOTS

And my own league, the Brighton, Worthing & District Division 1: TMG beat second-placed Rottingdean Village 6-0. They have 19 points from seven games and are unbeaten. Somebody needs to stop them, because nobody has managed it yet.

## NEXT WEEK'S GAMES TO WATCH

# THE QUESTION IS, DO YOU?

COLUMN

**Mike McCaffrey, Dugout Diaries**

On criticism, respect, and a phone that works both ways

## "YOU CAN'T UNFOLLOW US ON SATURDAY AND ASK US FOR A FAVOUR ON MONDAY. RESPECT HAS TO WORK BOTH WAYS."

Some managers can't take criticism. They tell anyone who will listen that we're being unfair to them, yet when we pick up the phone to get their side of the story, it rings out.

Then there's another kind. They smile and shake your hand at the ground, then quietly unfollow us on social media the moment a result or a column doesn't go their way. A few weeks later the messages start arriving. Could we give the club's event a push? Could we have a word with a player and see if he'd be interested in coming over?

I don't see how that works. You can't treat us as the problem when it suits you and as the club noticeboard when you need something. We have

always been happy to help clubs, and the volunteers and supporters behind those events deserve backing. But respect has to work both ways.

I'm not here to kiss anyone's backside. I'm here to say what the mainstream publications won't. I built this brand by speaking our minds, and when we get it wrong, or a team picks up points and turns things around, I'll be the first to give you your flowers.

None of this is personal. Football is a game of opinions. I answer to myself and the DUGOUT AI team, and when I'm wrong I will hold my hand up publicly. When I'm right, you'll hear about that too.

## "ASK FOR THE RECEIPTS. WE CAN SHOW OURS."

If I told you we have put nearly £10,000 of our own money into Sussex football, you would think we were mad. We probably are.

That money has gone to six teams and 15 players. It has bought boots for the children of ten single-parent families, so those boys and girls could turn up kitted out like everyone else and not get stick from their mates. It has sponsored three leagues and created three new cups.

People assume we make thousands out of this. The truth is that every penny we make goes back into supporting teams, and for the record, we haven't made a penny yet. It makes me laugh. Ask anyone else doing football media round here what they have put back into the game, and ask to see the receipts. We can show ours.

We have also created four new regular media voices, funded by us, so they can showcase their talent. We put on two live shows of two hours or more every week, we have launched new publications including this one, we

run a data website for fans and coaches, and our drinks range is sold at cost to help clubs raise money. Our commitment doesn't stop, and it won't stop. If you don't believe me, ask the few thousand people who tune in a couple of times a week.

I have never been afraid to speak my mind, and I have had my run-ins with leagues and county FAs over the years. Things have changed. The SCFL is a great example: they understand we are here to promote the league, its clubs and its players for the fans. There are great people at the Sussex FA who get it now. The Brighton, Worthing & District League gets it, and so does the Sussex Sunday League.

The West Sussex League doesn't even reply, which doesn't surprise me, and the Mid Sussex League is much the same. We will keep promoting their clubs for now, but that won't last forever.

So, bottom line: we feel we play our part for Sussex football. The question is, do you?

Crawley Down Gatwick are in the Third Round of the FA Vase. They won 3-2 against their Southern Combination Premier rivals Lingfield at Whyteleafe's ground, where Lingfield play their home games, and then survived a late Lingfield fightback.

The visitors got off to a quick start. Rhys White put them ahead from the penalty spot after seven minutes, and Joshua Brown made it 2-0 on 23 minutes. Both goals are confirmed by the club's own match updates and the official match record. That was the half-time score, which surprised anyone who had looked at the league table. Lingfield came into the game fifth in the Premier Division with 37 league goals, the second-highest total in the division. Crawley Down Gatwick were eleventh.

Lingfield pulled one back six minutes into the second half through Alex Kpakpe. Oli Leslie then restored the two-goal cushion on 54 minutes with a strike his club described as "an absolute rocket". Stephen Hodge scored Lingfield's second right at the end, and the Anvils' own feed called the last few minutes "nervy".

Crawley Down Gatwick used five substitutes: James Laws, Benjamin Martin-Coward, Javaughny Waugh, Matthew Rapson and Joshua Alder. Martin-Coward was booked in the fourth minute of stoppage time. George Rees made his debut in the starting XI, and Charlie Pettipher returned after a few weeks out, according to the club's team news.

It is a big turnaround for the Anvils. On Tuesday they lost 6-1 at Newhaven in the Sussex RUR Charity Cup. This was their first Vase tie of the season, because recent runs in the competition exempted them until the Second Round. Lingfield had beaten Chipstead 2-1 in the First Round.

Winning the round is worth £900 to Crawley Down Gatwick, and Lingfield take £275. Crawley Down Gatwick host Seaford Town on Tuesday night and Newhaven on Saturday. Lingfield face Hassocks, the other Sussex winners today, at Whyteleafe next Saturday.

After two draws, this one was not close. Hassocks beat Eastbourne United 5-2 at the Beacon Ground and are into the Third Round of the FA Vase for the first time in the club's history, as the club confirmed after the game.

The tone was set inside 30 seconds. According to Eastbourne United's live updates, Hassocks scored in the first minute, again on five minutes and a third time on 13 minutes. A fourth came on 23 minutes, when Alieu Secka made a good save but the hosts were quickest to the rebound. Hassocks' own account summed up the first half as "four goals inside the opening 30 minutes".

A fifth arrived on 51 minutes. Alex Fair, named the Robins' Starman by matchday sponsor Oliver Moore, was among the scorers, the club said. Hassocks have not published the full list of their scorers, so we are not attributing the other goals.

United's second half was much better, by their own account. Rhyle Ovenden scored from a free kick on 54 minutes, and substitute Freddie Jones, on for James Hull, pulled another back on 85 minutes. Callum Barlow and Ovenden were booked. Jorge Nones and Zach Robitaille also came off the bench.

It was the third meeting between the clubs in 39 days, each in a different competition: a 2-2 draw in the RUR Charity Cup, which United won on penalties, and a 0-0 draw in the league on 13 October. The clubs went into the game level on 30 points, second and third in the Premier Division. United had scored 50 league goals at more than four a game.

Hassocks are £900 better off and into Monday's draw. United take £275. Hassocks visit Lancing in the Peter Bentley Cup on Tuesday, then travel to Lingfield. United go to Horsham YM on Tuesday and Wick on Saturday.

RUSTHALL 4-2 HAYWARDS HEATH TOWN

DOUGIE REPORTS

# Rusthall stun the SCFL leaders

Haywards Heath Town were three down inside half an hour at Jockey Farm. Their comeback stalled at 3-2.

**4-2** JOCKEY FARM

Haywards Heath Town

**H**aywards Heath Town arrived in Kent as the best side in the Southern Combination. They had 35 points from 14 league games and had conceded only nine goals. They went home beaten 4-2 by Rusthall, out of the FA Vase at their first hurdle.

The Bluebells were exempt until the Second Round. Within half an hour, Rusthall had blown the tie open. Thompson Adeyemi scored on 12 minutes, and Lekan Osideko added goals on 17 and 28 minutes for a 3-0 lead. That is a third of the league goals Heath have conceded all season, in less than 30 minutes.

Heath responded after the break. Ryan Warwick scored on 52 minutes and Mark Goldson on 58, two goals in six minutes, and at 3-2 the momentum was with the visitors. Rusthall settled it from the bench. Substitute Rajan Sahni scored the fourth with eight minutes left.

The attendance at Jockey Farm was 174, according to Rusthall. Osideko's two goals earned him the club's man of the match award.

Rusthall had already shown they do not do things the easy way. In the First Round they drew 3-3 at Fleet Town and went through 8-7 on penalties. Heath came into this game in good form after a 4-1 win over Hailsham Town in Tuesday's RUR Charity Cup.

The defeat costs Heath the £900 winners' prize, though they take £275, and it ends their Vase campaign. Their league lead is untouched: they are five points clear of Eastbourne United and Hassocks with a game in hand on United. The next week is a test. Heath visit Worthing United in the Peter Bentley Cup on Tuesday and then go to East Grinstead Town, fourth in the table, next Saturday.

East Grinstead Town

East Grinstead Town are out of the FA Vase. They lost 4-2 on penalties at Larkfield & New Hythe after a 1-1 draw, and the Kent side are into the Third Round for only the second time in their history.

The Wasps went ahead on 24 minutes through Kieron Pamment, one of three East Grinstead players on 11 goals in all competitions before today, according to the Dugout Data Hub. Andrew Mensah equalised for Larkfield on 54 minutes. Under this season's rules there is no extra time, so a draw after 90 minutes went straight to penalties. Larkfield won the shoot-out 4-2.

East Grinstead came in looking strong. They were fourth in the Southern Combination Premier with 34 league goals, and they beat Bedfont 4-1 in the First Round with goals from Harris (pen), Pamment, Starkey and Gayler. Larkfield had also won comfortably last time out, beating Chislehurst Glebe 4-0.

Alex Malins was booked on 65 minutes. In the shoot-out, Larkfield scored their first two penalties, and the tie ended when Malins put East Grinstead's kick over the bar, the Wasps reported. The crowd was 81, according to Larkfield, and the home side named goalkeeper Connor Collins their man of the match.

East Grinstead take £275 and get back to a busy league schedule. They visit Roffey on Tuesday night and host leaders Haywards Heath Town, also knocked out today, next Saturday.

FISHER

AFC Varndeanians

**A** FC Varndeanians were heading for penalties at Fisher until the third minute of stoppage time. Festos Kamara then scored the only goal of the game, and Fisher went through 1-0.

It was a tough draw for Varndeanians. Fisher were exempt until this round and came in top of the Southern Counties East Premier Division, with five wins in their last six league games. Varndeanians are ninth in the Southern Combination Premier. Their strength this season has been their defence, which had conceded 16 goals in 15 league games before today. That kept them in the tie until the very end.

Varndeanians have made a habit of close Vase ties. They reached this round after a 2-2 draw at Berks County and a 9-8 penalty shoot-out win, and they came into today in form after a 3-0 league win over Little Common on Tuesday.

Kick-off at St Paul's Sports Ground in Rotherhithe was delayed until 3.15pm, Varndeanians said. The visitors described the result as "last-minute heartbreak" after a strong defensive display. Kamara's goal, timed at 90+3, is confirmed by Kent Online and Football Web Pages.

Varndeanians take £275 from the prize fund. They are back at Peacehaven Sports Park next Saturday to host Horsham YM in the league. The attendance was 170.

NYETIMBER LANE

AFC Greenwich Borough

Pagham's FA Vase run is over. AFC Greenwich Borough won 5-1 at Nyetimber Lane, and Joshua Shonibare scored a hat-trick.

Shonibare scored on 30 and 35 minutes, and Bradley Ryan made it 3-0 on 42 minutes. Pagham got a goal back on 66 minutes, but the scorer has not been published. Olu Obilana restored the three-goal lead two minutes later, and Shonibare completed his hat-trick on 72 minutes.

It is a disappointing end for Pagham, who were one of only two Sussex clubs at home in this round. The Lions came in tenth in the Southern Combination Premier with games in hand and a positive goal difference. They had beaten Newport IOW in an earlier round and won 3-2 at AFC Aldermaston in the First Round. Greenwich, seventh in the SCEFL Premier this morning, needed a midweek rematch to beat Tooting Bec 2-1 in the First Round. They are one of seven SCEFL clubs in the Third Round.

A note on sources: The FA's own results page shows this score the other way round, 5-1 to Pagham. Kent Online's report and Football Web Pages both have Greenwich winning 5-1 away, with the goals listed above, so we are going with that.

Pagham take £275. They are straight back in action on Tuesday night against Horsham in the Sussex Senior Cup, then visit Seaford Town in the league next Saturday.

Lancing

Lancing's FA Vase run ended on penalties in Hampshire. They drew 1-1 at Cove's Oak Farm Stadium in Farnborough and lost the shoot-out 4-2.

Cove, who play in the Wessex League, went ahead in first-half stoppage time. Their club account credits Atkinson with the goal, timed at 45+1. Lancing were awarded a penalty on 53 minutes and scored it a minute later. The Lancers have not named the penalty taker on their feed, so neither do we.

Lancing had to reshuffle twice because of injuries. Kowalczyk went off on 40 minutes, replaced by Sharpe, and Isaac followed on 78 minutes, with R. Deda coming on. McGonigle made way for Walter on 85 minutes.

It was Lancing's second shoot-out in this season's Vase. They beat Corinthian 3-1 on penalties after a 1-1 draw in the First Round. Lancing went into the tie 13th in the Southern Combination Premier (they are 15th after Saturday's league results elsewhere), but they had lost only once in their last five league games, a run that included a 3-1 win over Hassocks.

Lancing take £275. They host Hassocks in the Peter Bentley Cup on Tuesday, then travel to Guernsey for a 1.30pm league game on Saturday.

## MATCH REPORT

BEXHILL UNITED 3-2 WORTHING UNITED

# Bexhill turn the tables in RUR cup fight back

After the stormy weather of the weekend it was a moonlit and still Tuesday evening at the Polegrove as Bexhill prepared to take on Worthing United in the RUR Cup in front of a healthy midweek crowd, up for a bit of knock out football.

Worthing United stand a division below the Pirates in the old County League structure but have had an impressive start to the current season and have built an energetic young side with a reputation for moving the ball at speed around the deck and wasting no time in getting into advanced positions. Basically, they like to play a bit of football and that's how they set themselves up for the challenge of this fixture.

On six minutes Worthing's pressing game brought an early reward. Robbing the Pirates defender, Kamil danced forward and squared the ball to Thurgar who banged it home for one nil.

Both keepers were to have busy evenings. On 12 minutes it was Finn Holter who saved well for Bexhill to keep it at one nil and five minutes later Theo Coombs forced a great stop from the young Worthing keeper. Charlie Playford headed just over from the resulting corner.

On 25 minutes Gainsford in the Worthing goal was at it again, tipping over a bullet header from Dale Penn that had goal written all over it. It was end-to-end stuff now and moments later Kamil was booked for diving in the box but dusted himself down to almost immediately win a high ball over the top, finding himself one on one with the keeper and finishing easily for two nil.

So, for the second time in three days Bexhill found themselves two adrift at the break but they came out like men possessed, determined to pull things round.

Worthing were pushed back as they tried to soak up the pressure. Luke Donaldson had a good chance set up by Coombs and Shonk but couldn't quite find a clean contact.

Almost immediately Coombs picked the ball back up on the angle of the box and rifled a precision strike into the bottom corner. Bexhill could smell that it was game on now. On 55 minutes Ant Thomas got forward at pace down the left and put in a wicked cross that was crying out to be finished but it went begging.

Ten minutes later the Bexhill pressure paid off. Donaldson saw his shot saved but Jack Shonk was on hand to dispatch the rebound. The Pirates now went in search of a winner.

When it came it was a cracker and it was that developing partnership of Jack Shonk and Luke Donaldson again. Shonk whipped in the free kick and Donaldson deep at the far post rose to get his head on it and direct the ball like a bullet into the top corner.

There were a few hairy moments as Bexhill fought to hang onto the lead and Worthing chucked everything into forcing the game to penalties. On the edge of full time Holter got down to block a shot on the line in a proper old cup-tie scramble.

It was the last decisive action of the match and Bexhill took the honours, a place in the next round and some momentum as they head off to Guernsey for a league game at the weekend.

BEXHILL UNITED 2-2 LANCING

## Bexhill battle to two all draw against Lancing

The arrival of storm conditions in the run up to Saturday's game between Bexhill and Lancing had threatened the fixture but an early morning pitch inspection, during a brief respite from the wind and rain, called the game on.

By the time the kick off approached the storm was back with a vengeance with a fierce wind howling across the pitch and as the players ran out the hard core fans who had chosen to brave the conditions huddled together under the shelter of the historic Polegrove grand stand. This was classic English football weather conditions and as the DJ spun Halloween tunes, and the gale howled around the rafters, it was like something out of a Hammer Horror movie rather than a routine Southern Combination league fixture.

Bexhill started strongly, coming close with a couple of efforts within the first five minutes but it was Lancing who had the benefit of the wind in the first half as it whipped across the pitch towards the Brockley Road end. It was a more decisive factor on the game than the torrential rain. And Lancing capitalised on it.

On thirteen minutes they forced the pace down Bexhill's right flank and the Lancers striker Szymon Kowalczyk was first to the ball in the box and knocked it past Holter into the net. Nine minutes later they doubled the lead when McKay won a strong tackle and set up Robinson.

On 34 minutes Finn Holter was called upon to make a fine save to keep the arrears down to two and that's how it remained when the teams went into the break.

With the wind now to Bexhill's advantage they set about clawing their way back into the match with real purpose. Five minutes in, Elliot in the Lancers goal was in the thick of it, pushing a shot away as Bexhill mounted wave after wave of attacks with the wind holding the ball up and pushing it forwards.

But Bexhill would have to be patient. It wasn't until the 74th minute that Theo Coombs surged forwards and found enough space to get his shot away which

he drilled into the bottom corner. It was all Pirates now and with the Lancing defence forced back both Shonk and Donaldson were agonisingly close to levelling things up.

On 85 minutes Shonk swung in the latest in a succession of corners and it was Coombs again who rose magnificently to place his header past the keeper.

The final few minutes were a rain-soaked frenzy and Jack Shonk came within a couple of inches of nicking all three points at the death with the keeper beaten all ends up.

At the final whistle Theo Coombs took the player of the match award after a combative performance capped off with a brace of goals.

# Sutton's 12-minute blitz ends Worthing's unbeaten run

Worthing had gone five league games without defeat. Sutton scored three times between the 21st and 33rd minutes, and that was the game.

Dugout News reporter · facts checked against official match records and the clubs' own match updates

Worthing's unbeaten run came to an end at Woodside Road, where Sutton United scored three first-half goals in 12 minutes and won 3-0.

Worthing came into the game in good form. They had won 2-1 at Gateshead, beaten Solihull Moors 5-0, won 2-1 at Kidderminster and drawn 3-3 with Southend on Tuesday night. Sutton had beaten Aldershot 2-0 in midweek. The opening was lively. Temi Babalola was booked after seven minutes for a series of late challenges, Brandon Njoku appealed for a penalty after a battle with Jayden Moore, and Colbran made a tackle on Charlie Carter that got the home crowd going.

Then it went wrong in a hurry. On 21 minutes Sutton went ahead through an own goal credited to Moore. Four minutes later Babalola scored with a right-footed shot from the centre of the box, set up by Njoku. In between, Kirk had volleyed over from inside the area for Worthing. On 33 minutes Seymour brought down Njoku in the box, and Carter sent the penalty high into the middle of the goal.

Sutton picked up four bookings in the first half, including Carter for catching Colbran with an elbow, but Worthing could not find a way back. Adjetej-Brew's shot through a crowd of players was held by Sutton keeper Brits just before the break.

Worthing made two changes six minutes after the restart, bringing on Dan Isichei and Charlie Waller. The home side had their chances. Razzaq Coleman De-Graft hit the roof of the net from range, Emmerson Sutton skipped past Urpens and set up Isichei, who shot wide, and Emmerson Sutton then saw a shot deflected onto the woodwork. De-Graft, the club's top scorer with seven league goals, snatched at another chance on 78 minutes.

Joe Cook, Moore and substitute Bailey Smith were booked for Worthing. The defeat leaves Worthing sixth on 28 points, still in the play-off places, with Sutton 11th.

Dorking Wanderers beat ten-man Weston-super-Mare 2-0 at Meadowbank to climb back into the National League South play-off places.

The first 20 minutes were steady, with no clear chances. The game changed on 23 minutes when Weston's Will Dawes was shown a red card, and a member of the Weston staff was dismissed at the same time. Dorking's own feed said another member of the visiting staff was booked two minutes later.

Weston thought they had taken the lead on 35 minutes, but the referee blew for a foul on Dorking goalkeeper Glenn Morris. Morris could not carry on, and Max Foulkes replaced him five minutes later.

Dorking went ahead right on half-time. Brennan Camp bundled the ball in after a goalmouth scramble. The second goal came on the hour. Alfie Rutherford and Dawid Rogalski combined well, and Rogalski finished. Rogalski is Dorking's leading league scorer this season. Two minutes later Dorking won a penalty, but Rogalski's effort was saved.

Weston made five substitutions in the second half, four of them at once on 72 minutes, but they never threatened a comeback. Max Harris and Luke Skinner were booked for Weston, and Jack Wood for Dorking. Dorking made four changes of their own. Frank Vincent replaced Rogalski on 73 minutes, Charlie Sayers came on for Femi Ilesanmi, and Seb Tauta-Caballero replaced Josh Barrett in stoppage time. Theo Widdrington came on for his Dorking debut on 83 minutes. Harry Pinchard was named man of the match.

Dorking have now scored 31 league goals in 14 games and have lost only two league matches all season. Manager Marc White called it a solid victory. The club's own summary was "Three points. Two goals. One clean sheet." Dorking are seventh on 24 points, unbeaten in five league games. Weston have lost four of their last five and are 15th. Dorking host Hampton & Richmond Borough on Tuesday.

# Hornets run riot at Cherrywood Road

James Hammond's free-kick opened the scoring and Horsham went on to win 5-0 against a side who have struggled for goals all season.

**H**orsham won 5-0 at Farnborough. They led 2-0 at half-time and pulled away with three goals in the last 16 minutes.

Before kick-off there was a minute's silence ahead of Remembrance Sunday, and both managers laid poppy wreaths. Horsham, in their white away kit, had the better of the early play. Yila cut the ball back for Greg Luer on seven minutes, and the Farnborough goalkeeper Hall saved low. Cox's free-kick was tipped over, and Elliott's follow-up was pushed away. The Horsham media team said their side were way ahead on points.

The breakthrough came on 42 minutes. Ryan Jackson was booked for fouling Reece Myles-Meekums, and skipper James Hammond chipped the free-kick over the wall from the edge of the box. Just before half-time Hester-Cook won the ball deep in Farnborough territory, and Luer struck to make it 2-0.

Luer was replaced by Jimmy Wild at half-time, and Farnborough had their best spell early in the second half. They hit the outside of the post direct from a corner, and Horsham keeper Howes had to scramble to push away a deflected shot. Howes also blocked a shot from substitute Tate Xavier-Jones, and Bloomfield fired over from eight yards.

Horsham killed the game in four minutes. On 74 minutes George Cox picked the ball up 18 yards out and smashed it into the top corner. Myles-Meekums made it 4-0 on 78 minutes. Substitute Harvey Sparks, who had replaced Cox, added the fifth in the fourth minute of stoppage time.

It was a complete away performance. Horsham had scored 16 league goals in 14 games before today and scored five here, while Howes kept a clean sheet at the other end. Hammond, the skipper, scored from a set piece and set up Myles-Meekums for an earlier chance with a through ball. The result lifts Horsham to tenth on 22 points, with three wins and two draws in their last five league games. Farnborough have scored only 12 league goals all season and are 16th. Horsham host AFC Totton next Saturday.

**Worthing FC's Football Success Story Sadly Has a Missing Chapter: Where Is Adult Grassroots Football Going in Worthing as a town?**

**By Russ Cochran**

**"IT IS ALL VERY WELL DEVELOPING YOUNG FOOTBALLERS, BUT WE MUST ALSO CONSIDER WHERE THEY WILL PLAY WHEN THEY GROW UP."**

Much of Worthing football has plenty to celebrate. Worthing FC continues to put the town on the footballing map, while Worthing Town is developing as a community football facility, showing real promise through its youth, girls' and women's football alongside its place in SCFL Division Two. There is genuine reason to be optimistic about the direction of football in the town, with clubs investing in young people, developing facilities and creating opportunities for more people to participate in the game. But alongside that progress, there is another side to Worthing's football story that deserves attention. Away from the headlines, the Saturday crowds and the development pathways, adult grassroots football on our parks and recreation grounds appears to be struggling. If football in Worthing is growing, why are some of the teams that provide ordinary adults with somewhere to play disappearing?

## FOUR TEAMS GONE. WHAT HAPPENS NEXT?

This season, four teams associated with Worthing have reportedly folded from the Sussex Sunday Football League: The Village, AFC Durrington Athletic, Goring Forest, and Sompting & Worthing Wanderers. Each team represents more than a name on a league table. Behind every club are players, friendships, volunteers, years of Sunday mornings and a commitment to keeping local football going. When a team folds, its players may find another club, move to Saturday football or decide that their playing days are over, but we should not assume that every player can simply find a new team that fits around their work, family commitments, finances and preferred matchday. The disappearance of a club can mean the loss of a familiar social network as well as a football team, and rebuilding that elsewhere is not always straightforward.

The question is particularly important for younger players. We rightly encourage children and teenagers to get involved in football, develop their ability and progress through the age groups, but what happens

when they reach adulthood? If the local adult grassroots game is contracting, where do those players go? What opportunities exist for someone who wants to play competitive football on a Sunday without committing to the demands of a Saturday side? It is all very well developing young footballers, but we must also consider where they will play when they grow up. A healthy grassroots structure should offer opportunities beyond childhood, rather than leaving players to discover that the teams they might once have joined are no longer there.

## SATURDAY FOOTBALL: AN ALTERNATIVE, BUT HOW MUCH CHOICE IS THERE?

Some players may move into the West Sussex Football League, which offers a range of divisions and opportunities for Saturday football. But looking at the teams based in Worthing and the surrounding area raises another question: is there really enough choice to absorb players displaced by the disappearance of local Sunday sides? Worthing Town Reserves provide an example of a Worthing-based team competing in the West Sussex League, while Goring by Sea Cricket also fields adult football teams. Nearby clubs such as Ferring, Angmering and East Preston provide further opportunities across the wider area. These clubs are valuable parts of the local football network, but listing nearby teams is not the same as demonstrating that every player who loses a Sunday side can find a suitable alternative.

Saturday football is not a direct replacement for Sunday football. Work patterns, family responsibilities, travel, playing commitments and the social appeal of a Sunday team all influence whether someone can make the switch. Nor should we assume that a reserve or development team has unlimited capacity to take on additional players. A club may already have a full squad, limited training facilities or its own recruitment challenges.

If four Sunday sides disappear at once, where do their players go — and how many simply stop playing? The concern is not that Worthing has no adult football, but whether the town and its surrounding communities have a sufficiently broad, accessible and sustainable network of teams to meet local demand. That distinction is important: the presence of a few alternatives does not necessarily mean that the demand left behind by a folding club can be met.

## WE HAVE THE YOUTH FOOTBALL. SO WHERE ARE THE ADULTS?

Perhaps the biggest question of all concerns the transition from youth football into the adult game. Look at the youth football available across Worthing. The Arun and Chichester Youth Football League provides organised competition from the youngest age groups through to under-18 football, with local clubs including Worthing Dynamos, Worthing Minors, Worthing Town, Worthing United, Worthing Rebels, Durrington Athletic and Worthing Brazilian Masters all contributing to the local game. These are not simply a handful of teams. Several clubs operate multiple sides across different age groups, giving children opportunities to play organised football from as young as under-six level through to under-18s. Worthing United Youth reports 35 teams across boys' and girls' football, while Worthing Town reports more than 40 teams across youth, girls' and inclusive football. Worthing Dynamos, Worthing Minors and Durrington Athletic are further examples of clubs investing in youth development and providing opportunities across multiple age groups.

On the face of it, Worthing should have the ingredients for a thriving adult grassroots game. Every season, young people reach the end of their youth football journeys. Some will move into senior football, some will play recreationally, and others will understandably leave the game. That is natural. But when adult Sunday football is losing teams and the local Saturday landscape appears relatively limited, it is reasonable to ask whether we are doing enough to retain those who want to carry on playing.

Do we have a shortage of young people playing football, or a shortage of opportunities to keep them playing as adults? The distinction matters because the strength of youth football cannot be measured solely by the number of children registered or the number of teams competing on a Saturday morning. We should also be interested in what happens to those players when their youth careers come to an end.

The Adur and Worthing Playing Pitch Strategy published in 2019 identified adult 11-a-side football as a contracting part of the local game. It also highlighted the difficulty of maintaining the momentum of youth football as players moved into senior teams, alongside a shortage of dedicated pitch-sport capacity to accommodate adult football. In other words, the gap between youth participation and adult football was already being recognised years ago. That should prompt some serious questions. Are young players being shown the opportunities available to them after under-18 football? Are local adult clubs actively engaging with youth sides to recruit players? Are the costs, travel and time commitments of adult football putting people off? And are there enough accessible pitches and teams to make the transition straightforward? We should not assume that every youngster leaving youth football wants to play competitively as an adult, but equally, we should not accept that

large numbers simply disappearing from organised football is inevitable without examining why.

A town can have hundreds of young players, excellent coaches and ambitious youth sections, yet still struggle to maintain its adult teams. Youth participation is only one part of the picture; retaining players and providing a realistic next step are just as important. The challenge is to connect those two worlds. If clubs are investing years in developing players, there should be a serious conversation between youth organisations, adult clubs, leagues and the council about what happens next. Could more players be encouraged into existing adult teams? Could clubs create additional open-age sides? Could shared facilities, better pitch access or more flexible playing opportunities help? Worthing has plenty of evidence of a commitment to developing young footballers. The question now is whether the adult game has the structure, capacity and support to welcome them when they are ready to make that next step.

## IS THE LOCAL LEAGUE SYSTEM SHRINKING?

The Brighton, Worthing and District Football League has experienced a long-term contraction. Some clubs have moved into the West Sussex League, so the picture is not simply one of clubs disappearing, and it would be wrong to treat every team that leaves one competition as a team that has folded. Nevertheless, the contraction raises a question about the availability of local football at different levels. The West Sussex League can provide an alternative for players who are able and willing to play on Saturdays, but it cannot automatically replace the role of Sunday football in providing accessible competition for adults who want to play locally. The two formats serve different needs, and the availability of one does not necessarily compensate for the decline of the other.

With AFC Goring and Tarring identified as the remaining Worthing-based Sussex Sunday Football League clubs, the reported loss of four sides in a single season deserves serious attention. We should be asking whether this is a temporary downturn, a consequence of individual club circumstances or evidence of a wider decline in adult grassroots participation. The answer matters because, if clubs are disappearing faster than new ones can form or existing ones can accommodate additional players, the town risks losing more than a few entries in a league table. It risks losing accessible opportunities for adults to play, socialise and remain connected to football in their own community.

## ARE THE PITCHES AND FACILITIES PART OF THE PROBLEM?

We should not ignore the cost and quality of the facilities on which these clubs depend. The Adur and Worthing Playing Pitch Strategy, published in 2019, recognised the importance of providing facilities that are high quality, affordable and accessible. It also acknowledged the financial pressures involved in maintaining grass and artificial pitches. For 2026/27, the published charges for an adult football pitch are £75.27 per booking without facilities and £100.96 with facilities, with changing-room hire listed separately at £58.07 per session. Those figures deserve closer examination. What does a club actually pay for a season of home fixtures? Are changing facilities included in its arrangements? How do the charges compare with other local authorities and with the income a small Sunday club can generate?

CONTINUED OVERLEAF >

# IS THE RED FLAG REALLY FLYING HIGH?

Russ Cochran · continued (3/3)

## WHERE IS THE VALUE TO THOSE PAYING SUBS DURING A COST OF LIVING CRISIS?

And what are clubs receiving in return? A pitch that is poorly drained, uneven or regularly unplayable can make the experience frustrating for players and create uncertainty over fixtures. Even where the surface is adequate, the lack of suitable changing rooms or reliable access to facilities can affect the appeal of playing locally. These are questions that need answers from clubs, players and the council. Pitch charges alone cannot explain why teams fold, and we should not assume that they are responsible without evidence from the clubs concerned, but affordability and quality should be part of the investigation. If the town wants to encourage participation, the cost and availability of the facilities required to play football must form part of that conversation.

## THE PEOPLE BEHIND THE TEAMS

There is another factor that deserves attention: the people who keep grassroots football running. Sunday sides often depend on a small number of volunteers to organise fixtures, collect subscriptions, manage players, arrange pitches, maintain equipment and deal with the administration that comes with running a team. When those people step away, finding replacements can be difficult. Player availability can become a problem, costs rise, and a club can find itself struggling to fulfil fixtures even when there is still enthusiasm for playing. Running a grassroots side requires commitment well beyond turning up on a Sunday morning, and the loss of one or two key volunteers can put an entire team at risk.

It would be unfair to assume that any of the four teams folded for a particular reason without hearing from those involved. Their experiences could help establish whether Worthing is facing a wider problem with recruitment, affordability, player retention or the workload placed on volunteers. It may be that some clubs struggled to attract enough players, while others faced financial pressures or simply reached the end of the road after years of relying on the same people. Each club's circumstances may be different, but together their experiences could reveal a pattern. If clubs are struggling to survive, the answer may require more than simply encouraging people to join another team; it may require a better understanding of what makes running a team sustainable in the first place.

## WHERE DO WE GO FROM HERE?

There is no single answer that can be assumed in advance. Perhaps the biggest pressures are financial. Perhaps they concern the condition and

availability of pitches. Perhaps changing lifestyles, volunteer recruitment and player numbers are more significant. It may be a combination of all these factors. But the first step is to establish what is happening, rather than allowing teams to disappear without asking what could have been done differently. The council should be able to explain the cost of providing and maintaining grassroots pitches, the standard of the facilities available and how it supports the clubs that use them. The leagues and clubs can help explain why teams have folded, whether players have found alternative sides and what would make it easier to keep teams running.

There may also be opportunities for clubs to work together, share resources, recruit players collectively or create clearer routes between youth and adult football. Those possibilities are worth exploring, provided they reflect what local players and clubs actually need. Youth organisations could work more closely with adult sides to give older teenagers a clearer picture of their options, while leagues and clubs could explore whether additional teams could be established where there is sufficient interest. None of this will happen simply by wishing it into existence, and there may be practical barriers involving pitches, costs, volunteers and player availability. But those barriers are worth identifying if the alternative is to watch the local adult game contract further.

Worthing should celebrate its football successes. Worthing FC's achievements and Worthing Town's community ambitions are positive developments, and they deserve recognition. The youth clubs producing teams year after year are equally important to the town's footballing future. But success at one level should not distract us from difficulties elsewhere.

A thriving football town is not measured solely by the success of its best-known clubs. It is also measured by whether ordinary people can find a team, afford to play, access a decent pitch and continue enjoying organised football close to home.

If four Sunday sides have disappeared in a single season, while the local Saturday landscape offers a relatively small pool of clearly identifiable Worthing-based options, we should want to know why. Where are those players going? What is stopping new teams from emerging? Are our facilities affordable and fit for purpose? Are we doing enough to help young players move into adult football? And what needs to change to ensure that the next generation of Worthing footballers still has somewhere to play when youth football ends? Those are questions worth asking before another club folds, another group of players is dispersed and another piece of the town's grassroots football community disappears.

ENFIELD TOWN

# Avgoustidis hat-trick as the leaders take Hill apart

A kit clash held up the start. After that, league leaders Enfield Town were in control, and Thomas Avgoustidis scored three.

**B**urgess Hill Town were beaten 6-0 at home by Isthmian Premier leaders Enfield Town in front of 861 spectators at Leylands Park.

The game was barely seven minutes old when it was stopped for several minutes. The referee could not tell Enfield's grey from Burgess Hill's green, and the Hill had to change into their white away kit. Their management team, also in grey, had to change too. Hill's own feed compared it to London Fashion Week.

When play restarted, Chris Whelpdale got into a good position and Harry Lawson fired over. Enfield then took over. On 15 minutes Roco made a good save, but nobody reacted to the rebound and Thomas Avgoustidis tucked it in. Amrit Bansal-McNulty doubled the lead with a brilliant strike on 24 minutes. Roco kept the score down with a very good save on 29 minutes and two more just before half-time. Hill's feed admitted they were lucky to be only 0-2 down at the break.

Burgess Hill made a double change at half-time, bringing on Charlie Lambert and Ben Pope. It made little difference. On 48 minutes a Hill block fell kindly for Avgoustidis, whose low shot crept in at Roco's near post. Three minutes later he completed his hat-trick with a free header from a cross from the left. Substitute Oliver Davis hit the post on 62 minutes and was first to the rebound to make it 5-0. Hill cleared one off the line late on, and fellow substitute Daniel Efobi added the sixth with the last kick of the game.

Pope had Hill's best chance, a header from a corner that was saved. Hill's verdict at full-time was honest: "There's levels to this league." Enfield have now scored 43 league goals in 14 games and lead the division by a point. Burgess Hill are 12th on 20 points, having lost three of their last five. They visit Wingate & Finchley on Tuesday and Chatham Town on Saturday.

# Super sub Harrison strikes twice late on

Ramsgate keeper Henly kept Borough out for 87 minutes. Substitute Shayon Harrison then scored twice to make it five league wins in a row.

Eastbourne Borough made it five straight league wins with a 2-0 victory over Ramsgate. Both goals came from substitute Shayon Harrison in the last three minutes.

A crowd of 1,575 saw a game that Borough dominated but could not settle until the end. Ramsgate started brightly and forced a goalmouth scramble inside three minutes. After that it was mostly Borough. Henly in the Ramsgate goal tipped over Darren McQueen's deflected shot on ten minutes and made a string of saves.

Kai Corbett had a free-kick blocked, with claims for handball turned down. Paul McCallum glanced a header wide from an Oguntayo cross on 33 minutes, and Corbett spun his defender a minute later but shot into Henly's chest. Ramsgate had chances of their own. Liburd volleyed over from six yards on 28 minutes, and Raphe Brown was booked for a late challenge on McQueen. Henly made a fine save from McCallum's flick in stoppage time, and it was 0-0 at the break.

Borough kept pushing after half-time. Rees headed over and then, with a golden chance on 54 minutes, sent a tame effort from a couple of yards straight at Henly. Ramsgate's Jones missed a good opening on 65 minutes, Borough had penalty appeals waved away, and a Ramsgate corner skimmed the bar on 71 minutes. Borough keeper Carey's positioning stopped a free header.

On 71 minutes Harrison replaced McCallum, and Egbri came on for McQueen. Harrison broke the deadlock on 88 minutes and added a second two minutes into stoppage time. Cameron James was also booked for Ramsgate.

Harrison's two goals came within 21 minutes of him coming on. Corbett, Borough's leading league scorer, had another busy afternoon from set pieces without finding the net. Borough are third on 28 points with a game in hand on the two sides above them. They host Stanway Rovers on Tuesday and visit Dartford next Saturday. Ramsgate are seventh.

Lewes drew 2-2 with Wingate & Finchley at the Dripping Pan, where 697 watched a lively first half and a tighter second.

Lewes started the day fourth and on a run of three wins and a draw in their last four. Brian Garzon's inswinging corner flew close early on, and Ryan Gondoh's low cross forced Wingate keeper Charlie Grainger to dive. Charlie Walker gave the Rooks the lead on 14 minutes.

Wingate responded well. Anointed Chukwu, their top scorer, went clean through after a Lewes error on 22 minutes but shot wide. On 31 minutes Lewes failed to clear their lines and Billy Cracknell poked the ball into the bottom corner. Bobby Unwin's low shot was saved by Grainger, and on 43 minutes Sam Cornish's first-time side-footed shot took a deflection and went in. Ryan Lowe, Kai Fraser and Kurtis Cumberbatch were booked in a feisty first half.

Lewes were level two minutes into the second half. Jack Enkh scored the equaliser, which the league record lists at 45+2, and Lewes's live feed confirms it came at the start of the second half.

Lewes goalkeeper Louis Rogers made a brilliant save on 64 minutes to deny Gianluca Botti from a couple of metres. At the other end Gondoh looped a shot onto the roof of the net, and substitute Noel Fisher tried his luck from distance. Lewes made four changes in all, and Cornish was booked late on for Wingate.

Lewes have now drawn their last two league games, after a 1-1 draw with Maldon & Tiptree a fortnight ago. They have lost only three of their 14 league games. The point leaves Lewes fourth on 27 points, a point behind Eastbourne Borough. Wingate are tenth. Lewes have two more big games this week: Dartford visit on Tuesday, and the Rooks go to Dulwich Hamlet on Saturday.

THREE BRIDGES

# Bridges down to nine after first-half collapse

Former Bridges player Ibby Akanbi scored with a bicycle kick. Three Bridges trailed 3-0 at half-time and finished with nine men.

By Dougie

Dugout News reporter · facts checked against official match records and the clubs' own match updates

Three Bridges lost 3-1 at Maldon & Tiptree after a poor first half and two late red cards.

Bridges started reasonably. On 17 minutes Noel Leighton took on half the Maldon defence to win a corner and then fired just over. Two minutes later Maldon led, and it was a goal to remember. Ibby Akanbi, a former Three Bridges player, scored with a bicycle kick. Bridges responded straight away, with Charlie Bennett playing in Leighton, whose shot was saved.

After that it was one-way traffic. Bridges keeper Roberts made a good save to stop Akanbi scoring again, and Jesse Olukolu hit the post on 31 minutes. Bridges' own feed said they were under the cosh. Jamie Bennett scored from the edge of the box on 39 minutes, which the feed described as far too easy, and Olukolu made it 3-0 in first-half stoppage time.

Bridges got a goal back on 56 minutes. Leighton took a quick free-kick and Charlie Bennett tapped in from close range. Ten minutes later Dan Ferreira was sent off for a last-man foul on Olukolu.

The referee was Alexander Shipp. Maldon's three goals came from three different players, and Olukolu also hit the post and was booked. Bridges made changes, with Reece Hallard and Dawid Przybylo coming on, but they could not find a second goal. Scott Malone was booked on 80 minutes, and Leighton was sent off for a second yellow card in stoppage time.

It was a frustrating afternoon for Leighton, Bridges' leading scorer with seven league goals. He was involved in almost everything good his side did, from the early run to the quick free-kick for their goal. Bridges are 20th on nine points after 14 games and have won only two league games all season. They have conceded 39 league goals in 14 games. Maldon & Tiptree are 17th. Bridges are at home to Brentwood Town next Saturday.

# Effiong hat-trick turns it round after Ryan strike

Kamarni Ryan gave bottom side Whitehawk a half-time lead. Inih Effiong scored three times in the second half for St Albans.

Dugout News reporter · facts checked against official match records and the clubs' own match updates

Whitehawk led St Albans City at half-time but lost 3-1 after a second-half hat-trick from Inih Effiong.

The Hawks went into the game bottom of the Isthmian Premier with one league win all season, and they made a good start. Imran Kayani won an early corner, and goalkeeper Hugo got down well to keep out a St Albans chance on 26 minutes. Rhys Murphy and Tobi Akinyimika were booked in the first half.

Whitehawk took the lead on 33 minutes. Kamarni Ryan, the club's leading scorer, struck, and the club's feed simply said: that man again. They almost doubled the lead moments later, when Ryan and Murphy combined to find Kayani, but he could not get the ball out of his feet in time. It was 1-0 at half-time.

St Albans made two changes at the break, and the game turned. Effiong equalised on 56 minutes and put the visitors ahead on 61 minutes. St Albans hit the post on 78 minutes, and Effiong completed his hat-trick six minutes from time. Mikey Faulkner and Ollie Knight were booked late on for St Albans.

The referee was James Kerten, and the crowd at the Enclosed Ground was 244. St Albans' substitutes, including Mikey Faulkner, Alex Dyer and Ollie Knight, all came on during the game. Whitehawk made four changes, with Victor Aiye, Lee Seok-Jae, Arezki Hamouchene and Mehmet Halim all coming on, but they could not find a second goal.

Effiong is St Albans' leading scorer, and his three goals came in a 28-minute spell. St Albans have now lost only twice in 11 league games. It is another painful afternoon for the Hawks. They have now lost 11 of their 15 league games and have six points, three behind Three Bridges. St Albans are sixth with games in hand. Whitehawk have scored only 14 league goals all season. They visit Stanway Rovers next Saturday.

# Fagg penalty settles the top-three clash

Second played third at the Pilot Field. Tommie Fagg's penalty was the only goal, and Hastings finished with ten men.

Hastings United lost 1-0 at home to Faversham Town in a meeting between second and third in the Isthmian South East. The crowd at the Pilot Field was 637.

Hastings had billed it as a big game with a big crowd, and they went into it three points clear of Faversham. Hastings had lost only twice in the league all season and had scored 29 league goals. Faversham were unbeaten in four.

The only goal came on the half-hour. Faversham were awarded a penalty and Tommie Fagg scored it. It was 0-1 at half-time. The league's record has no other incidents in the first half.

It was a game of few clear chances. Faversham have scored 32 league goals this season, but here they had to rely on a penalty. Hastings made changes in the second half to try to get back into it. Max Walsh, their top scorer with eight league goals, came on for Kian Moynes on 65 minutes. Warren-Hughes Mfula replaced Freddie Legg, and Trevor McCreadie came on for Mitchell Chapman. Faversham made four changes of their own: Nathan Wood, Matt Newman, Ethan Smith and Kai Garande all came on. Smith replaced Jack Evans, Faversham's leading scorer, five minutes from time. The referee was Joshua Williams.

The late drama went against Hastings. Thomas Chalmers was booked on 88 minutes and then sent off for a second yellow card in stoppage time. Hastings could not find the equaliser. The club's verdict at full-time was short: "Not our day today. On to the next one."

Faversham are now level with Hastings on 28 points, and Hastings stay second only on goal difference. Hastings have two chances to respond this week. They host Deal Town on Tuesday and visit Cray Valley PM on Saturday. Faversham play Littlehampton Town in the Velocity Cup on Tuesday and host Merstham on Saturday.

Eastbourne Town were two minutes from a precious away win when Margate scored twice to win 2-1 at Hartsdown Park.

Town, playing in all yellow, had a positive first half-hour. Aaron Capon had the first shot on target with a header inside 15 minutes. Margate had plenty of possession but did not trouble Town keeper Winterton.

The goal came on 34 minutes, according to the league's record. Summerbell broke from deep, Hopkinson found Rogers on the right, and Rogers' cross landed perfectly on Summerbell's head. He buried it. Summerbell was booked five minutes later. Marcin Ruda went off injured just before half-time, and Leon Greig came on.

Town started the second half well. Capon cut in and forced a save with a shot towards the far corner on 50 minutes. Harvey Greig was booked, and new signing Reuel Powell-Downey came on for Hopkinson. Summerbell, whose performance Town's feed called superb, came off on 77 minutes for Sonny Walsh.

The referee was Simon Cutler. Town finished with three players booked, Summerbell, Harvey Greig and Johnny Walker, as well as Murphy's red card. Margate had made three changes by then, bringing on George Nunn, Elliott Duncan and Ryan Huke, and Bradley Schafer had been booked. Margate equalised through Joe Tyrie on 88 minutes. Two minutes later Jack Murphy was shown a straight red card for a professional foul as Margate broke. In the third minute of stoppage time David Adewoju scored the winner.

It was a cruel way to lose. Summerbell's goal was a fine team move, and Town's own feed was positive about long spells of the game. The result leaves Eastbourne Town bottom on nine points, with five straight league defeats. They have scored 18 league goals in 14 games. Margate are fifth. Town visit Merstham on Tuesday and host AFC Croydon Athletic on Saturday.

STEYNING TOWN

# Barrowmen make it back-to-back wins

Adam Adam and Marcus Allen scored, Sittingbourne had two goals ruled out, and Steyning won on a ground where they lost 5-0 two seasons ago.

**S**teyning Town won 2-0 at Sittingbourne for their second league win in a row.

Steyning goalkeeper Alfie made a save inside three minutes. On 30 minutes Marcus Allen's goal-bound volley was deflected wide, and seconds later Rance drove through and shot wide. Steyning's feed called it an even game in terms of territory and chances. The breakthrough came a minute before half-time, when Adam Adam put the Barrowmen ahead. Tad almost added a second with a header on the stroke of half-time.

Sittingbourne thought they had equalised on 53 minutes. The ball looked to be going in, but their centre-forward tapped it over the line and the goal was ruled out. Steyning's feed called it a big let-off.

Allen made it 2-0 on 68 minutes. Sittingbourne had another goal disallowed on 77 minutes. Dexter Peter, already booked, was then sent off for a second yellow card when he brought down Adam as he raced through on goal. Steyning thought it should have been a penalty, but the referee gave the foul just outside the box. Edgar Velasquez was also booked for Sittingbourne.

Sittingbourne had to make an early change when Darren Foxley replaced Jay Beckford after 16 minutes. They later brought on Joseph Boachie and Luke Woodward. Steyning made three changes. Leo Ginger came on for Conrad Honore after 31 minutes, Jesse Sentamu replaced Alex Brewer, and Charlie Pitcher replaced Adam on 82 minutes.

Sittingbourne played the last 12 minutes with ten men. They are tenth on 21 points and have lost three of their last five league games. The win means more than most. Steyning lost 5-0 on this ground two seasons ago, and the club said that made it extra sweet. They are now 14th on 18 points after losing their previous three before last week. They host AFC Croydon Athletic on Tuesday and Horley Town on Saturday, with a chance to make it three wins in a row.

HENDON

# Block's late goal earns the Rocks a point

Hendon scored three times in 16 first-half minutes. Bognor fought back to draw 3-3 in front of 718.

**B**ognor Regis Town came from 3-1 down to draw 3-3 with Hendon at Nyewood Lane. The crowd was 718.

Bognor went into the game second in the Isthmian South Central, having lost only once in the league all season. Hendon, 12th, made a fast start. Florian Ada scored on 24 minutes, and John Shamalo made it 2-0 three minutes later.

Josh Batt pulled one back for Bognor on 37 minutes, but Ada scored again on 40 minutes to restore Hendon's two-goal lead. Bognor got back into it on the stroke of half-time, when Lennie Smith made it 3-2. Smith was replaced at the break by Timi Abraham, and Henry Nevill came on for Jake Cope.

Hendon had come into the game on a poor run, and today's draw means their last five league games have brought no wins. Their first-half display was a surprise. The second half was tighter. Bognor's three goals came from three different scorers. Olu Shobowale, Nevill and Shamalo were booked. Bognor brought on Luke Pardoe, Ben Anderson and Louie Williams as they pushed for the equaliser.

It came on 81 minutes, when Tommy Block scored. Neither side could find a winner, even deep into stoppage time. Ivan Imasuen was booked late on for Hendon, who brought on Tyler Notley, Ayoub Enajar and Elliot Oviawe. The referee was Oscar Whiting.

The draw is Bognor's second in a row, and it keeps them second on 34 points. Conceding three at home will be a concern, but coming back from two down twice showed real character. Bognor and Egham Town have both scored 35 league goals this season. Bognor have a quick chance to respond. Egham Town visit on Tuesday, fresh from a 6-0 win of their own, before a trip to Windsor & Eton on Saturday. Hendon host Binfield next weekend.

# Ten men, then nine: a heavy day for the Marigolds

Littlehampton had Eugene Asike sent off after 35 minutes. Egham scored six, and Callum Kimber was also sent off late on.

Littlehampton Town lost 6-0 at Egham Town after playing most of the game with ten men and the closing minutes with nine.

The game kicked off at 2pm at the Runnymede Stadium, and 125 watched. It was goalless until shortly after the half-hour. Dion Jarvis was booked for Littlehampton on 28 minutes, and on 35 minutes Eugene Asike was shown a straight red card.

Egham scored three times in the next ten minutes. Connor Cullen scored a penalty on 37 minutes, Bradley Clayton made it 2-0 on 43 minutes, and Cullen scored again on 45 minutes. Cullen is Egham's leading league scorer this season.

Quincy Patterson made it 4-0 on 62 minutes. Substitutes Verrell George and Joe Barnieh added the fifth and sixth on 64 and 77 minutes. Rob Malila was booked for Littlehampton, and Egham had three players booked. Littlehampton substitute Callum Kimber, who came on just after the hour, was booked on 84 minutes and sent off for a second yellow card two minutes later.

Egham made four changes. Cullen was replaced by Verrell George on 63 minutes, and George scored within a minute of coming on. The referee was Thomas Hood. Egham's six goals came from five different players. Littlehampton's recent form makes grim reading: one draw and four defeats in their last five league games. Littlehampton made three changes, bringing on Scott Faber, Kimber and Marcel Powell, but it was a long afternoon. They have now conceded 40 league goals in 14 games and are 21st on seven points, with one league win all season.

Egham have won their last five league games and are fourth on 28 points, six behind Bognor Regis Town, who they visit on Tuesday. Littlehampton are not in league action on Tuesday but play at Faversham Town in the Velocity Cup. They host Southall next Saturday.

## Ramon pulls the strings as Seaford turn it round

Billingshurst missed a string of first-half chances and paid for it. Two second-half assists from Ramon gave Seaford all three points.

Seaford Town came from behind to win 2-1 at Jubilee Fields. Billingshurst had the best of the first half and will feel they should have been out of sight by the break.

The home side created the clearer openings before half-time. Sizzey was clean through on 33 minutes but went for placement and hit it straight at the goalkeeper, and four minutes later Morgan did the same in another one-on-one. Seaford keeper Elias also made smart saves on 25 and 31 minutes and stood up well to deny a through-ball on 39 minutes. It was 0-0 at half-time.

Billingshurst finally scored on the hour. A headed clearance was cut out, Brandon fed Morgan, and he finished. Seaford's response was quick. Cook had already gone close with a volley, and on 63 minutes Ramon's outside-of-the-boot cross found Jedd at the far post. He went round a defender and slotted home.

The winner came five minutes from time. Billingshurst gave the ball away, and Ramon played a one-two with Jedd before crossing for Max to arrive at the far post for a tap-in. Billingshurst's own feed was blunt about it: their first-half dominance had gone.

The result lifts Seaford to 13th on 16 points, with a game at Crawley Down Gatwick on Tuesday before Pagham visit on Saturday. Billingshurst stay 16th on 12 points and travel to Bexhill United next Saturday. The crowd was 69.

## Six different scorers as Common end their run in style

Little Common had lost four league games in a row. They scored six against Forest Row, with six different names on the scoresheet.

Little Common gave the 102 at the Recreation Ground a Halloween treat, beating Forest Row 6-1 in a meeting of two clubs at the wrong end of the Premier Division.

Common went into the game on a run of four straight league defeats and second from bottom. They led through Oliver Macdonald on 19 minutes, and Harvey Mapstone doubled the lead on 35 minutes.

Forest Row pulled one back six minutes after half-time, but the visitors could not build on it. Sam Ellis restored the two-goal cushion on the hour, and Sonny Tyrell made it 4-1 on 68 minutes. Ollie Hull added a fifth on 74 minutes, and substitute Finlay Jack completed the scoring on 80 minutes. The club confirmed the six scorers on its own feed after the game.

The result lifts Little Common level on ten points with Forest Row. Common are still 19th, one place behind the Frow on goal difference, but the gap to Billingshurst in 16th is now two points.

Forest Row have now conceded 42 league goals in 17 games. Their week had started well with a 3-0 home win over Midhurst & Easebourne on Monday, but this was a heavy setback. Little Common's previous three league games had ended in defeats to Guernsey, Wick and AFC Vardeanians, the last of them 3-0 on Tuesday night. Little Common host Roffey next Saturday.

**MIDHURST & EASEBOURNE** 

## Wadhams double and a debut brace for Bukleb

Newhaven followed Tuesday's cup win over Crawley Down Gatwick with a comfortable 5-0 league victory. New signing Omar Bukleb scored twice on his debut.

Newhaven made it two big wins in five days, beating Midhurst & Easebourne 5-0 at Fort Road. The Dockers had beaten Crawley Down Gatwick 6-1 in the RUR Charity Cup on Tuesday.

Ashley Wadhams gave Newhaven the lead four minutes before half-time. Ezra Roeg was a constant threat. He forced a save with a direct run, and Billy Oliver could not steer the rebound on target. Oliver then headed wide from Harry Reed's cross just before the break.

Wadhams added his second on 56 minutes with good control and a tidy finish. Debutant Omar Bukleb made it 3-0 on 65 minutes. Midhurst had their moment on 79 minutes, when Newhaven's young goalkeeper Buss either touched a shot onto the post or watched it come back off the woodwork. Roeg then hit a lovely strike for the fourth a minute later.

Roeg turned provider for the fifth. His whipped free-kick on 87 minutes was tapped home by Bukleb. The Midhurst goalkeeper kept the score down with good saves from substitute Pacey Bean on 74 minutes and again in stoppage time. Bukleb was booked late on.

Newhaven called it a really comfortable afternoon. The win lifts them to 12th on 17 points, and they go to Crawley Down Gatwick next Saturday. Midhurst stay 17th on 11 points. Top scorer Brett Pitman, who has 12 league goals this season, could not find a way through.

41' Ashley Wadhams 1-0 · 56' Wadhams 2-0 · 65' Omar Bukleb 3-0 (debut) · 80' Ezra Roeg 4-0 · 87' Bukleb 5-0 (Roeg free-kick) · 89' Bukleb booked

## Ten-man Guernsey hold on to make it five unbeaten

Guernsey came from behind, then played the last half-hour with ten men and for a spell with nine. Goalkeeper Sheppard was named man of the match.

Guernsey beat Bexhill United 2-1 in St Peter Port despite finishing with ten men. For ten minutes of the second half they had only nine on the pitch.

Bexhill started better and took the lead on ten minutes. Ryan Moir picked up a loose pass close to goal and finished neatly into the bottom corner. Guernsey levelled eight minutes later. Ben Solway's cross came back off the post, and Sam Murray, making his 150th appearance for the club, tapped in. Bexhill goalkeeper Holter then saved from Will Fazakerley, and Moir was booked for a challenge on the lively Dylan Graham. It was 1-1 at half-time.

Fazakerley put the Green Lions ahead on 49 minutes. He made a front-post run and glanced in a header from Ross Allen's corner. On 64 minutes he was sin-binned, and two minutes later Fallaize was sent off for impeding a Bexhill player who was through on goal.

Bexhill pressed hard from there. Sheppard saved the free-kick from the red-card incident, and in the 90th minute he made an outstanding full-stretch save from a deflected shot. Guernsey's own report called it a job done after almost 30 minutes with ten men. Sheppard was named man of the match.

The win is Guernsey's fifth league win in a row and lifts them to seventh on 26 points from 13 games. They host Lancing next Saturday. Bexhill are eighth, three points behind, and host Billingshurst.

# Stobart levels and Fernandez keeps the Mullets in it

Westfield led at half-time and hit the woodwork twice. Arundel goalkeeper Fernandez made a run of late saves to earn a point.

**A**rundel and Westfield shared the points at Mill Road after a scrappy first half and a much livelier second.

Westfield went ahead on 17 minutes. Their striker found space down the left and hit a low shot into the bottom corner. The official record credits the goal to Warren Pethig. Westfield's Harry Murphy was sin-binned a few minutes later, and Arundel went closest before the break when Dudas headed over from six yards.

The Mullets equalised early in the second half. Stobart's shot from ten yards went in off the bar, and he caused problems down the left for the rest of the afternoon. Arundel's own feed described the second half as even and entertaining. Hamilton fired over from close range as the home side pushed for a winner.

The best chances of the closing stages fell to Westfield. They hit the post on the break, then hit it again before Fernandez saved with his feet. In between, the Arundel keeper turned a header over from two yards, and he then tipped a long-range shot round the post. Without him, Westfield would have won.

The point leaves Arundel 15th on 16 points, three behind Westfield in 12th. Arundel are straight back in action at home to Saltdean United on Tuesday. The attendance was 55.

**REIGATE PRIORY** 

# East Preston edge it against Priory

A single second-half goal gave East Preston three points against a Reigate Priory side who started the day sixth.

**E**ast Preston beat Reigate Priory 1-0 in front of 86 spectators. It was a valuable win for a side whose previous four league games had brought two draws and two defeats.

The first half was goalless. Neither club has named the scorer of the only goal, and the official match record does not list one, so we cannot tell you who got it. What we can tell you is that it came after the break and that East Preston held on.

Priory arrived in good shape. They had won eight of their first 13 league games and had scored 33 league goals. Their leading scorer, Tommy McKenna, has 15 league goals this season. Keeping that attack out was the achievement of the afternoon. Priory had named former captain Joe Elbishlawi in their squad for a cameo appearance.

The win lifts East Preston to 13th on 18 points, and they have now conceded only 19 league goals in 14 games. Priory stay sixth on 25 points. East Preston had lost their previous two league games, 3-2 at Selsey and 2-0 at Mile Oak, so this was a timely response. Priory's recent results have been up and down: they beat Arundel 7-0 a fortnight ago but lost 3-1 at home to Shoreham before that.

East Preston host AFC Walcountians in the Division One Challenge Cup on Tuesday and travel to Clanfield on Saturday. Priory host Hailsham Town next weekend.

## Guildford pull away after Mile Oak see red

Goals from Bamgboye, Hennem and Kimble earned Guildford City a third win in four league games. Mile Oak finished with ten men.

**G**uildford City beat Mile Oak 3-0 at the Spectrum in front of a crowd of 234.

Mile Oak had the first big moment. Robins hit the bar with a long-range shot around the 20-minute mark. Guildford scored two minutes later through George Bamgboye, and Harry Hennem doubled the lead on the stroke of half-time. Ambler and Tighe both had efforts for Mile Oak before the break.

Mile Oak improved after the restart, by their own account, but the game turned with about 20 minutes left. Robins, who had gone close in the first half, was shown a red card. Ambler then had a decent effort after a strong run from Masters, but Oliver Kimble settled it for the hosts on 81 minutes.

Mile Oak's feed was frank afterwards. It said the club's away-day woes had returned and that the red card had ended the contest. It was their first league defeat in five games, after three wins and a draw. Guildford had won 1-0 at Dial Square last Saturday, and a 2-0 home defeat to Worthing United on 21 October is now their only loss in their last four.

Guildford move up to fifth on 26 points, one ahead of Reigate Priory and Hailsham Town. They go to Selsey next Saturday. Mile Oak drop to tenth on 21 points and are at home to Loxwood next weekend.

## Pearson hat-trick sinks Clanfield

Tyler Pearson scored three times in 43 minutes as Hailsham Town made it four wins from five.

**T**yler Pearson was the difference at the Beaconsfield. He scored a hat-trick as Hailsham Town beat Clanfield 4-1 in front of 120 spectators.

Pearson opened the scoring on 14 minutes and added a second on 31 minutes to give Hailsham a 2-0 lead at half-time. He completed his hat-trick on 57 minutes. Pearson is Hailsham's leading league scorer this season.

Toby Brett made it 4-0 on 67 minutes. Clanfield got a consolation late on through Madhav, according to the visitors' own feed. The official match record lists only the Hailsham scorers.

The result continues a strong spell for Hailsham, who have won four of their last five league games. They are seventh on 25 points, one behind Guildford City in fifth. Their reserves had a less happy afternoon, losing 2-0 at Reigateians.

Hailsham had won their previous two league games 1-0, at Dial Square and at Ringmer, so the four goals here were welcome. Clanfield have now lost ten of their 13 league games and stay 17th on nine points. They have scored only nine league goals all season, the fewest in the division. Hailsham travel to Reigate Priory next Saturday, while Clanfield host East Preston. Clanfield have already lost 6-0 at Jarvis Brook and 3-0 at home to Infinity this month.

# Willett double keeps Infinity clear at the top

Zackary Willett scored twice and Ashton added a third as the Division One leaders stretched their unbeaten run to nine games.

Infinity stayed top of Division One with a 3-0 win over Ringmer AFC at Sidlesham Recreation Ground.

Zackary Willett scored both first-half goals. Willett is the leading scorer in Division One this season. Ashton added the third in the second half from what the club called a beautiful ball from Miles. Nathan was named man of the match.

Infinity were generous about their opponents. Their feed singled out Ringmer's young goalkeeper as outstanding and said he has a good future in the game. A three-goal defeat against the league leaders might have been much heavier without him.

Infinity's club account said the side are now nine games unbeaten, collecting 25 points from them. They have 40 points from 15 games, eight clear of second-placed AFC Walcountians, who also won today. The two meet next Saturday, which looks like the biggest game in Division One so far this season.

Ringmer stay 18th on nine points. Their recent defeats have mostly been close: 1-0 at Loxwood and 1-0 at home to Hailsham Town, either side of a 4-2 loss to Guildford City. Infinity had beaten Clanfield 3-0 last Saturday and drew 1-1 at Worthing United the week before. They have lost four league games in a row and play again on Tuesday at home to Jarvis Brook, before hosting Oakwood on Saturday. The attendance was 31.

# Worthing United fight back from two down

Jarvis Brook led 2-0 inside 15 minutes. Worthing United recovered to draw, and both sides finished level on 27 points.

Jarvis Brook and Worthing United drew 2-2 at the Lime Kiln Playing Field. The home side started fast, but they could not hold on to a two-goal lead against the division's top scorers.

Jarvis Brook led on ten minutes through Chidima Ajeh, set up by Alfie, and doubled the lead five minutes later. Harrison Avery headed in after a flick from the skipper. Worthing United's own feed said they were not at the races. Brook had another goal ruled out for offside soon after, and Matty made a save at his near post on 36 minutes.

United pulled one back before half-time. They had already seen what their feed called a really strong penalty shout waved away. They made a change at the break when Ryan Singers was unable to continue, and Harry Butler came on.

The equaliser came on 75 minutes. Neither club has named United's scorers. Victor had half a chance for Brook from a corner late on, and United's Joe Sadler was booked for kicking the ball away. United said a brilliant save from the Brook keeper stopped the full turnaround.

Both clubs now have 27 points. United are third on goal difference, and Brook are fourth with a game in hand. Brook visit Ringmer on Tuesday and Westfield on Saturday. United host Haywards Heath Town in the Peter Bentley Cup on Tuesday and Arundel next weekend.

## Saunders sets up a big three points for the Magpies

Mason Saunders scored early, Dorking levelled from a corner, and Loxwood found a winner with 15 minutes left.

Loxwood beat Dorking Wanderers B 2-1 at The Nest. Their club called it a big three points.

Mason Saunders gave the Magpies the lead on eight minutes. He went past two defenders and finished calmly. Loxwood lost Turner to injury on 22 minutes, and Gaff replaced him. Dorking had to change their goalkeeper soon after, when a nasty collision in the box on 27 minutes forced him off five minutes later.

Dorking pushed after the break and equalised from a corner on 68 minutes. Loxwood responded with a double change: Saunders and Cross came off, and Maunder and Roberts went on.

The winner came on 75 minutes. Loxwood's own feed admitted it was not sure who scored it from where it was standing, and the official record does not name the scorer either. Huggins, who started the day with eight league goals, made way for White on 81 minutes as the hosts saw the game out.

The win lifts Loxwood to 11th on 20 points. They had lost 1-0 at AFC Walcountians last weekend, so this was a quick return to winning ways. Dorking B had beaten Shoreham 4-2 earlier in October but have since lost 1-0 to both Clanfield and Jarvis Brook. Dorking B stay 19th on eight points, with 12 defeats from 16 games. Loxwood's under-23s also beat Horley Town 3-2. Loxwood go to Mile Oak next Saturday. Dorking B host Saltdean United.

## Super sub Taylor wins it in stoppage time

Danny Taylor came off the bench and scored three minutes into stoppage time to give Dial Square a 2-1 win.

Dial Square left it late at Oakwood. Substitute Danny Taylor scored in the third minute of stoppage time to win the game 2-1.

Adam Aziz gave Dial Square the lead on 27 minutes. Oakwood equalised at some point after that, but the official match record does not list their scorer and the club has not named one.

That left the game heading for a draw until Taylor's intervention. Dial Square's own feed called him a super sub and described the result as a much-needed win. It was only their second win in five league games.

The three points lift Dial Square to eighth on 23 points, two behind Reigate Priory in sixth. They have conceded only 12 league goals in 14 games, the joint third-best defensive record in Division One.

Dial Square had lost their previous two league games 1-0, to Hailsham Town and Guildford City, so Taylor's late goal ended a frustrating run. Oakwood stay 16th on 12 points. They have lost four of their last five league games and have conceded 33 goals this season. The crowd was 39. Oakwood go to Ringmer next Saturday, a meeting of two sides in the bottom five. Dial Square are at home to bottom side Shoreham.

## Tigers 3-0 up inside 12 minutes

Saltdean scored twice in the first three minutes and went on to win 6-1. Jesse Burbidge got two.

Saltdean United were 3-0 up after 12 minutes and went on to beat Selsey 6-1 at Hill Park.

Harry Furnell scored after two minutes, smashing the ball into the roof of the net after Yeates' cross bounced to him. A minute later Furnell's cross was blocked and Jesse Burbidge slotted it into the bottom corner. Taylor Edwards then curled a free-kick from just outside the box into the bottom corner on 12 minutes.

Selsey pulled one back through Frederick Chipp-Smith, but Alfie Marchant headed in Maryon's cross before half-time to make it 4-1.

Burbidge scored his second on 61 minutes, cutting inside and toe-poking into the top corner. The sixth came on 81 minutes when substitute Aaron Winsor's corner hit the post and went in off the goalkeeper's back. The club credits it to Winsor. Saltdean said it should have been more but for some unbelievable saves from the Selsey keeper.

Saltdean had lost 3-0 at AFC Walcountians in their previous league game, a fortnight ago, so this was an emphatic response. Selsey had beaten East Preston 3-2 in their last league outing. The win lifts Saltdean to ninth on 22 points with games in hand on most of the sides above them. They visit Arundel on Tuesday and Dorking Wanderers B on Saturday. Selsey are 14th and host Guildford City next weekend. The attendance was 107.

## Sewell double keeps Walcountians on Infinity's tail

Shoreham started well but Walcountians scored against the run of play and pulled away after the break.

AFC Walcountians won 3-0 at Middle Road and stay second in Division One, setting up next week's meeting with leaders Infinity.

Shoreham's own feed said the hosts were the better side for the first half-hour. Walcountians scored first anyway. Charlie Moore struck on 30 minutes.

Jacob Sewell put the game beyond Shoreham with two second-half goals, on 48 and 74 minutes. Walcountians have now won three league games in a row and have conceded only 11 goals in 14 games.

The result leaves Shoreham bottom of the division on eight points. They have lost four of their last five and have conceded 44 league goals, the most in Division One. There were signs of a better performance, but the gap at both ends of the table is growing.

Shoreham's results this month have included a 3-1 win at Reigate Priory, but they have since lost 4-2 at home to Dorking Wanderers B and 2-1 at Worthing United. Walcountians, unbeaten since early October, are on 32 points, eight behind Infinity with a game in hand. They play East Preston in the Division One Challenge Cup on Tuesday before hosting Infinity next Saturday. Shoreham go to Dial Square, who won their own game in stoppage time today.

“I’m gonna make him  
an offer he can’t refuse...”

24 cans of DUG OUT 90.

A man in a tuxedo is seated at a dark, polished wooden table in a dimly lit room. He is holding a cigar in his right hand. On the table in front of him is a large, condensation-covered can of Dugout 90 Still Spring Water. The can features a cartoon robot character and the text 'DUGOUT 90', 'STILL SPRING WATER', 'HYDRATION FOR THE FULL 90', '330 ml', and 'POWERED BY DUGOUT AI'. To the left of the can is a box of Dugout 90 cans, also featuring the robot character and the text 'DUGOUT 90' and 'HYDRATION FOR THE FULL 90'. To the right of the can is a glass of amber liquid and a small, dark, rectangular box with the text 'GOOD PLAYERS STAY HYDRATED'. In the foreground, a dark, rectangular box with the text 'WINNERS STAY HYDRATED' is visible. The background shows a bookshelf and a lamp.

## Castle double as the leaders roll on

Joshua Castle scored twice, and Josh Hall, Clarke and Mepham also found the net as Chichester City B beat Storrington 5-0.

Chichester City B kept up their perfect run of form with a 5-0 win over Storrington Community at Oaklands Park.

The leaders went ahead on 14 minutes. Josh Hall crossed and Joshua Castle headed in at the back post. Hall made it 2-0 on 30 minutes, firing in from the edge of the box when the ball dropped to him. Five minutes later Micevius beat his man and pulled the ball back for Clarke to drive home. All three goals are confirmed by Chichester City B's own match updates.

Storrington, known as the Swans, made changes to try to stem the tide. Lewis Ifould came off at half-time for Aiden Crabb, and Oli Perrin and Jordan Suter made way for Jacob Atkinson and Tate Stowell on the hour. Chichester scored a fourth on 65 minutes. Noble floated in a corner, Selby headed it down, and Castle finished for his second. In stoppage time Williams crossed to the back post, and Mepham rolled the fifth into the bottom corner.

The numbers behind Chichester's season are remarkable. They have won ten of their 11 league games, scored 63 goals and conceded only eight. Last weekend they won 13-1 at Upper Beeding. Hall, Castle and Joshua Irish are their three leading league scorers, and Chichester's feed singled out their defensive leader at the back for his part in one of the best defensive records in the league.

Chichester stay top on 30 points, two clear of Hurstpierpoint. Storrington stay eighth on 14 points. Chichester go to Ferring next Saturday, while Storrington host Upper Beeding in the Division Two Challenge Cup.

## Bosham edge a five-goal game at Palatine Park

Worthing Town led at half-time through Isaac Abatan, but Bosham scored three times after the break to win.

Bosham won 2-3 at Palatine Park, coming from behind against Worthing Town.

Isaac Abatan gave Worthing Town the lead five minutes before half-time. Bosham turned the game round after the break. Bailey Rand equalised on 58 minutes and Jack Lindsay put them ahead on 74 minutes.

Fahmi Juneydi levelled for Worthing Town on 80 minutes, but Bosham scored again to win. Their third goal is not listed on the official match record, and neither club has posted any details, so we cannot say who scored it or when.

It was a much-needed win for Bosham, who had picked up one point from their previous three league games. That run included a 3-0 defeat at Rudgwick and a 3-3 draw with Storrington. They are now tenth on ten points.

Worthing Town have now lost three league games in a row, to Rustington, Hurstpierpoint and Bosham, after back-to-back wins over Copthorne and Brighton Electricity in September. They stay ninth on 12 points and have conceded 41 league goals in ten games.

Worthing Town visit ASC Brighton Rangers next Saturday, and Bosham go to Brighton Electricity. Bosham have conceded 23 league goals this season, far fewer than Worthing Town's 41. Both clubs sit in the bottom half, separated by two points.

SOUTHWATER

## Six goals at Withdean as Brighton Electricity find their shooting boots

Brighton Electricity had scored two league goals all season before today. They scored three against Southwater and took a point.

**B**righton Electricity and Southwater drew 3-3 at the Withdean Sports Complex in front of 20 spectators.

Neither club has published the scorers, and the official match record does not list them, so we can only report the score. Even so, the result stands out for the home side.

Before kick-off, Brighton Electricity had scored only two league goals in seven games and had lost their previous four league matches. Those defeats were 4-1 at TD Shipley, 4-0 at Worthing Town, 4-0 at Upper Beeding and 5-0 at home to Chichester City B. Scoring three in one afternoon more than doubled their season's total.

Southwater's recent form had been just as difficult. They lost 8-1 at Hurstpierpoint and 3-1 at home to Alfold before a 1-1 draw at Ferring. This was a second league draw in a row for Southwater.

The point keeps Brighton Electricity 14th on three points, and they have now drawn three of their eight league games. Southwater are 12th on nine points. Brighton Electricity host Bosham next Saturday, and Southwater are at home to Rudgwick. Both will see those games as chances to climb away from the bottom of the table, where Copthorne are also on three points.

RUSTINGTON

## Waterman hat-trick as Hurst pass their big test

Hurstpierpoint called Rustington a good test. Jamie Waterman's hat-trick helped them win 5-2 in front of 140 at Fairfield.

**H**urstpierpoint beat Rustington 5-2 in a meeting between second and third in Division Two. The crowd at the Fairfield Recreation Ground was 140.

Hurst led 2-1 at half-time. Rustington's goal came from Matthew Wilson on 40 minutes. Matthew Searle scored a second for the visitors on 72 minutes, but by then Hurst were well clear.

Jamie Waterman scored a hat-trick, Joe Hooper added another and Rustington put through their own net, according to the club. The official record does not give the minutes of the Hurst goals. The club's verdict was simple: they knew it would be a good test, against a side who have been near the top for the last few years, and they passed it.

Hurst have now won five league games in a row, including an 8-1 win over Southwater and a 3-1 win at Rudgwick last weekend. They have 28 points from 11 games and have conceded only 11. Rustington had won their previous four league games and stay third on 24 points with a game in hand.

It was a good day all round at Hurst. Their fourth team, from Division 5, knocked Division 4 side Hartfield out of a cup on penalties. The first team host Alfold in the Division Two Challenge Cup next Saturday, and Rustington host TD Shipley.

## Fadjou wonder goal earns Ferring a point

Fadjou beat three men and rounded the keeper for Ferring. Adam Campbell-Stone equalised for TD Shipley.

**T**D Shipley and Ferring drew 1-1 at Dragons Green in a meeting between fourth and fifth in Division Two. The game kicked off at 2pm.

Ferring took the lead on 14 minutes with a goal their feed called sensational. Fadjou picked the ball up 30 yards out, beat three men, rounded the goalkeeper and rolled it into an empty net. TD Shipley equalised in the first half through Adam Campbell-Stone, according to the official match record.

TD then had their best spell. Greeno was booked for Ferring, and Morriss made a great save to keep the score level. Wilmer forced a good save from the TD goalkeeper with a powerful shot on 31 minutes.

Both sides had chances to win it after the break. Jones flashed a shot past the post from H. Green's cross on 55 minutes. On 66 minutes Fadjou was inches away from a tap-in, then a minute later went round the keeper again but shot wide. TD's best chance came five minutes from time, and Rose made a heroic block on the line.

TD stay fourth on 23 points, and Ferring are fifth on 19. Ferring have lost only one league game all season, but this was their third draw in four. TD Shipley visit Rustington next Saturday, and Ferring host leaders Chichester City B. The crowd was 83.

**ASC BRIGHTON RANGERS** 

## A long ball and a long afternoon for Beeding

Upper Beeding had plenty of the ball but lost to one goal from ASC Brighton Rangers.

**A**SC Brighton Rangers won 1-0 at Upper Beeding. The home side had most of the ball but could not find a way through.

The only goal came about 20 minutes in. Upper Beeding's own feed summed it up. After all the chances and possession, they found themselves 1-0 down from a long ball. Neither club has named the scorer, and the official match record does not list one.

It was a valuable clean sheet for Rangers. Rangers came into the game off a 2-1 defeat at TD Shipley. Earlier in October they had won 3-2 at Cophorne.

Upper Beeding have had a hard few weeks. Last Saturday they lost 13-1 at home to leaders Chichester City B. Today was a much tighter game, but it is now three league defeats in a row. They had beaten Brighton Electricity 4-0 at the start of October.

Rangers move to seventh on 14 points, and they have won three of their last five league games. Beeding stay 11th on ten points, level with Bosham and one ahead of Southwater. A tighter defensive display than last week's is something to build on. They go to Storrington Community in the Division Two Challenge Cup next Saturday, while ASC Brighton Rangers host Worthing Town in the league.

# Alfold through in the Surrey Intermediate Cup

Alfold, sixth in Division Two, won 2-1 at Beacon Hill in the Surrey Intermediate Cup.

**A**lfold are through to the next round of the Surrey Intermediate Cup after a 2-1 win at Beacon Hill. It was a narrow margin, but a cup win away from home is never a given at this level.

Alfold play in Division Two of the Southern Combination but are based just over the border in Surrey, which is why they enter Surrey's county cup. Neither club has published the scorers or any details of the game, so we can only report the score.

The win continues a good run for Alfold. They have won four of their last five league games, and last weekend they beat Copthorne 4-1. They went into the cup tie sixth in Division Two on 19 points from ten games, level on points with Ferring and four behind TD Shipley.

Ince Florimond is Alfold's leading league scorer this season with eight goals. Earlier in October Alfold beat TD Shipley 4-3 and won 3-1 at Southwater, results that show how dangerous they can be going forward.

Alfold's next game is a trip to Hurstpierpoint in the Division Two Challenge Cup next Saturday. Hurst are second in the league and have won five league games in a row, so it will be a tough test. Beacon Hill will now concentrate on their own league programme.

# Oram double sends Rudgwick through

Kai Oram scored twice as Rudgwick won 4-0 against Copthorne in the Division Two Challenge Cup.

**R**udgwick beat Copthorne 4-0 in the Division Two Challenge Cup. The tie was played at Roffey FC's ground.

Matthew Blogg gave Rudgwick the lead on ten minutes. The second goal came two minutes after half-time from Kai Oram. Lewis Christensen added a third on 72 minutes, and Oram scored again on 79 minutes. The official match record lists all four scorers.

Oram is Rudgwick's leading league scorer this season. Today's two goals in the cup will not count in the league charts, but they underline his importance to the side.

Copthorne have had a very difficult start to the season. They are bottom of Division Two with one win from 11 league games and have conceded 39 goals. Their recent league defeats included 3-2 losses to Storrington, ASC Brighton Rangers and Rustington, and a 4-1 defeat at Alfold last weekend, so they have not often been beaten heavily.

Rudgwick came into the tie off a 3-1 home league defeat by Hurstpierpoint, so this was a welcome lift. Rudgwick are 13th in the league but have taken points from Bosham, Storrington and Upper Beeding this month. They are back in league action at Southwater next Saturday, while Copthorne have no fixture listed for next weekend.
