# OPENING STATEMENT

## WE WILL REMEMBER THEM. THEN: HASTINGS GO TOP.

Today is Remembrance Sunday, and before anything else this issue begins with remembering. Three Bridges marked it at Jubilee Field on Saturday, Westfield wore their remembrance kit against Jarvis Brook, and Hastings United's academy posted three words that say it best: we will remember. Turn the page and you will find Russ Cochran's Sussex Football Legends Roll of Honour, 60 years of the players, volunteers and administrators who built the game we love. It is the first thing we want you to read today.

Now, the football. 39 Saturday games involving our clubs, 131 goals, 3.36 a game. Last week 2,549 of you downloaded Issue 13; this week we have checked every table from the National League down to the Sunday Vets against every result of the season, written a full report on every one of those 39 games, and drawn more charts than an Ofsted inspection.

Hastings United won 3-0 at Cray Valley and went top of the Isthmian South East on goal difference, plus 14 to Whitstable's plus 9. Haywards Heath won 3-2 at East Grinstead, the only side to have kept them out all season, and lead the SCFL Premier on 38 points from 15 games. Josh Wright scored twice. Lukas Franzen-Jones got the third, and the club's social media celebrated with "LUAKS. FRANZEN. JONESSSSSSS!!!!". Spelling is optional at quarter to five on a Saturday. We respect it.

Eastbourne Borough's run of eight straight league wins ended at Dartford, where they were 4-0 down at half-time, having conceded two in their previous seven. Lewes came from behind at Dulwich Hamlet in front of 3,092, with half-time substitute Bobby Unwin scoring the third. Ollie Rawlins came off the bench for Broadbridge Heath on 85 minutes and scored on 90: five minutes, one goal, best ratio in Sussex. Joshua Alder won it for Crawley Down Gatwick in the 93rd minute, Isaac Glanfield scored a hat-trick for Selsey, and Guernsey made it six straight wins, beating a Lancing side that flew out on Saturday morning.

Best moment of the weekend goes to Wick. Their admin got locked out of the club's X account mid-game, and when they got back in they posted: "Good news, we're back. Bad news it's 2-5 to Eastbourne United." Eastbourne United now have 60 league goals in 17 games, 22 more than anybody else in the division. Infinity lead Division One by ten points, and Zackary Willett has 20 goals in all competitions, the most at any of our clubs.

None of this happens without our partners. Pulse Water Ltd are our technology partners and the country's leading independent water hygiene and treatment company: legionella risk assessments, tank cleaning, water softeners and full maintenance at pulsewater.co.uk. Thanks to Joma, our global sportswear sponsor, and to Dugout 90, the most overhyped spring water in football, allegedly sourced from the fountain of youth. Rawlins should be on it.

Next Saturday six Sussex clubs are in the FA Trophy, and Guernsey host East Grinstead. Wherever you go, wear a poppy, buy a pie and a programme, and say hello if you see us with the camera.

# SUSSEX FOOTBALL LEGENDS ROLL OF HONOUR, 1966-2026

*Remembering notable people who are the foundations that built our game in the last 60 years, on and off the pitch*

REMEMBRANCE SUNDAY FEATURE · SUSSEX FOOTBALL HISTORY

**By Russ Cochran**

Sussex football has a history that stretches far beyond the clubs that make the headlines. From the grounds of Hastings and Eastbourne to Worthing, Chichester, Crawley and the villages in between, generations of players, managers, administrators, volunteers, referees, journalists and supporters have given their time and energy to the game.

Some became household names within their clubs. Others worked quietly behind the scenes, often for decades, ensuring that fixtures were arranged, pitches were playable, grounds were maintained and clubs survived difficult periods. Their contribution is no less important simply because it did not always happen in front of a crowd.

This Roll of Honour is an attempt to recognise some of those people who have helped shape Sussex football between 1966 and 2026. It is not intended to be a definitive list, nor is it restricted to the highest levels of the non-league pyramid. In fact, some of the most important stories are found much further down the football ladder, where a club's survival can depend on just a handful of committed people.

There are players whose achievements deserve to be remembered, administrators who helped shape the county game, and volunteers whose commitment kept clubs alive. There are also those who recorded the history of football, ensuring that the achievements of others were not lost.

The following names represent just some of the people whose contribution deserves recognition.

## THE PEOPLE WHO KEPT CLUBS ALIVE

### Morty Hollis – Worthing FC

Few people have been as closely associated with Worthing FC as Morty Hollis. Born in Sompting in 1928, he first attended a Worthing match in 1944 and went on to devote a huge part of his life to the club.

His involvement became particularly important during the difficult period of the 1960s. Following relegation from the Athenian League Premier Division in 1967, Worthing found itself in a precarious financial position. A group of supporters, including Morty, stepped forward to help the club through that period and took on responsibility for its future.

His commitment was not always conventional. One story recalls him taking matters into his own hands and getting into the ground to cut the grass because he was so unhappy with the state of the pitch. It says plenty about the standards he expected and the personal responsibility he felt towards the club.

Morty eventually became life president, a fitting recognition for someone whose connection with Worthing spanned so many decades. His story is about more than supporting a football club; it is about taking responsibility when the club needed people to step forward.

### Len Smith – Langney Sports / Eastbourne Borough

The development of Eastbourne Borough from its beginnings as Langney Sports owes much to Len Smith, whose involvement helped turn a local football club into one of the county's best-known non-league sides.

Langney Sports began in the mid-1960s, with the club growing through the dedication of people who wanted to provide football opportunities in their community. Smith was central to that development, helping guide the club through its progression towards the senior non-league game and its home at Priory Lane.

He stepped down as chairman in 2015 but continued as club president and remained involved in supporting the club and its wider community work, including fundraising through the Acorns Trust.

His contribution is a reminder that the clubs we see today are often the result of decades of commitment from people who started with little more than an idea and a determination to make it work.

### Roger Addems – Eastbourne Town

Roger Addems gave many years of service to Eastbourne Town, taking on the roles of chairman, manager and president during his association with the club.

His contribution extended well beyond any one position. He was recognised for his commitment to the club and the wider Eastbourne community, receiving the Eastbourne Herald Sports Personality of the Year award in 2008.

The tributes following his death in 2018 reflected the esteem in which he was held. His was the kind of service that is often difficult to quantify: years of work, responsibility and personal commitment that helped keep a historic football club moving forward.

### Roger Weekes – Broadbridge Heath

Roger Weekes was a major figure in the development of Broadbridge Heath, arriving at the club in the mid-1970s and becoming involved as a player, manager and chairman.

Under his guidance, the club progressed through successive promotions from the West Sussex Football League, eventually establishing itself in the Sussex County League. His contribution also extended to the development of the club's facilities, including work with Horsham District Council on a new pitch and clubhouse.

That work is an important part of the story. Clubs do not develop simply by winning matches; they need facilities, a sustainable home and people willing to take on the long-term work that makes progress possible.

### John Isaacs – Horsham FC

John Isaacs played a crucial role in keeping Horsham FC alive during a difficult period in the club's history.

His involvement initially included running the clubhouse and bar before he became chairman at a time when the club was struggling. Working with a small group of volunteers, he helped keep the club afloat and gave it the opportunity to rebuild.

Horsham's own tribute recognised the importance of his work, suggesting that without Isaacs and that small group of people, the club might not have survived.

It is an important reminder that the future of a football club can sometimes rest on the shoulders of a very small number of people. Their contribution may not appear in a goalscoring record or a league table, but it can be the difference between a club continuing to exist and disappearing altogether.

### Ralph Prodger and Cheryl Perris – Shoreham FC

Ralph Prodger and Cheryl Perris were important figures in the modern history of Shoreham FC. Their involvement as club owners and their contribution to the club's development deserve recognition as part of the wider story of Sussex football.

Their deaths in 2021 were a significant loss to the club. Their work formed part of the foundations on which subsequent developments at Shoreham were built, including the involvement of Malcolm Saunders.

The contribution of people who take responsibility for running a club is often complex and demanding. It involves financial decisions, facilities, staffing, league requirements and the everyday challenges of keeping a football club operating. Their place in Shoreham's history should not be overlooked.

## PLAYERS WHOSE ACHIEVEMENTS DESERVE TO BE REMEMBERED

### Nigel Hillier – Chichester City

Nigel Hillier was an important figure in Chichester City's playing history, captaining the side that won the Sussex County League title in 1959/60 and helping the club retain the championship the following season.

He was also part of the Chichester team that enjoyed a memorable FA Cup run in 1960, reaching the first round proper and earning a tie against Bristol City. Hillier scored a hat-trick against Dorchester in the qualifying rounds, contributing to a run that remains an important part of the club's history.

His involvement with Chichester continued beyond his playing days, including spells managing the first team and reserves, as well as involvement with Selsey.

Hillier died in 2021, aged 84. His story connects the club's early achievements in senior football with the people who helped maintain its place in the Sussex game.

### Joe White – Hastings United and other Sussex clubs

Joe White was a powerful centre-forward who played for Hastings United in the early 1960s and went on to represent a number of other clubs, including Hollington, Rye, Sidley, Bexhill and Ashford.

He later managed Hastings Town during the mid-1980s, continuing his involvement in the game beyond his playing career.

His family had a long association with football in the Hastings area, and his passing in 2020 prompted a substantial tribute at the Pilot Field, where more than 700 people gathered to remember him.

White's career is a reminder of how players often contributed to several clubs across the county, carrying their experience and reputation from one community to another.

### Mick Browning – Horsham YMCA

Mick Browning's footballing career took him well beyond Sussex. He was an England amateur international who began his football journey with Horsham YMCA in 1954, later playing for Horsham, Reading and Tooting & Mitcham, as well as representing Sussex.

He was offered a professional contract by Tottenham Hotspur, an indication of the regard in which his ability was held. His involvement with the game continued after his playing career, including administrative work at Horsham Town before becoming chairman of Horsham YMCA.

Browning remained closely involved with the club and the local game for decades. Shortly before his death in 2015, he hosted an evening reflecting on more than 50 years in football.

His story is a reminder that a footballer's contribution does not necessarily end when their playing career does. For Browning, the game remained a lifelong commitment.

### Peter Pickles – Worthing FC and West Sussex football

Peter Pickles deserves recognition as one of the notable goalscorers in Sussex's local football history.

Playing for Worthing FC and a number of other clubs, Pickles made his mark in the West Sussex League during the 1960s. His single-season 1965 goalscoring achievement is particularly remarkable: the historical information available indicates that he scored more goals (67) in a season than anyone else in the West Sussex league has managed since, with the record still standing today.

Records of this kind are an important part of local football history. They tell us something about the players who excelled in their era and provide a link between generations of footballers. A record that has survived for more than half a century deserves to be preserved and recognised.

Pickles' connection with Worthing and his involvement with other clubs make him a fitting inclusion in a county-wide Roll of Honour.

### Fred Weatherill – Hassocks and Burgess Hill Town

Fred Weatherill was involved in football as a player, coach, manager and volunteer, with a particularly strong association with Hassocks and Burgess Hill Town.

He joined Burgess Hill during the 1980s and managed the reserves to a Sussex League and Cup double in the 1989/90 season. He then spent four seasons as assistant manager to Jim Thompson before returning to Hassocks.

His enthusiasm for playing remained with him into later life. In 2012, at almost 70 years of age, he was still turning out for Hassocks Fatboys.

Weatherill died in 2020. His story captures the spirit of local football: a lifelong attachment to the game, a willingness to take on different roles and an enthusiasm that did not disappear with age.

### Billy Vigar – Eastbourne Borough

Billy Vigar's time at Eastbourne Borough was tragically short, but he made a lasting impression on those who knew him at the club.

A forward on loan from Arsenal, Vigar made 32 appearances during the 2023/24 season. He was just 21 when he died in September 2025.

His inclusion in this Roll of Honour recognises a different kind of footballing legacy from the long-serving administrators and volunteers elsewhere in the article. It acknowledges a young player whose time in the game was cut short, but whose contribution and memory remain part of Eastbourne Borough's story.

## THE ADMINISTRATORS, ORGANISERS AND GUARDIANS OF THE COUNTY GAME

### Peter Bentley – Sussex County FA and Sussex County Football League

Few people have made such a sustained contribution to the organisation and governance of Sussex football as Peter Bentley.

His involvement with the Sussex County FA and Sussex County Football League extended over more than 35 years, during which he became one of the most influential administrators in the county.

Bentley joined the Sussex County FA council in 1975 and went on to serve on numerous committees before becoming chairman in 2003. He also served as chairman of the Sussex County Football League, giving him a significant role in both the county's governing structure and the competition that provided the backbone of senior non-league football across Sussex.

His work extended beyond the county, too. He represented The FA and, following 13 years of service to the national association, received honorary membership of The Football Association in 2013.

His contribution was not confined to committee rooms. Bentley had played local football himself, spending much of his playing career with Haywards Heath FC. That experience gave him an understanding of the clubs and people whose interests he would later represent. He was also a firm defender of the Sussex County League when its future came under threat from proposals to disband it.

Peter Bentley died in November 2013, aged 73. Tributes followed from clubs throughout the county, reflecting the breadth of his involvement and the respect in which he was held.

His legacy is not simply measured in the positions he occupied, but in the decades of work he gave to ensuring Sussex football had a structure in which clubs could compete and develop. His place in this Roll of Honour is essential.

## Laurie Claydon – Northbrook Old Boys and the local leagues

Laurie Claydon was a central figure in grassroots football for generations, particularly through his involvement with Northbrook Old Boys and the Worthing and wider local leagues.

He was heavily involved in the founding of Northbrook Old Boys in 1952 and scored the club's first goal against Goring Reserves. His association with the club developed into a lifetime of service, taking on the roles of chairman, secretary and treasurer across the Northbrook clubs.

Claydon joined the Worthing Football League management committee in 1954 and became fixture secretary in 1963, a role he held for almost 50 years until the merger with the Brighton & Hove Football League. He also served as a Sussex County FA councillor for more than 40 years and later became president of the Brighton, Hove and Worthing Football League.

His contribution was not limited to administration. He also ran the line as an assistant referee and was involved in cricket as an umpire.

Claydon died in 2023, aged 90. The naming of a memorial trophy in his honour is a fitting tribute to someone whose work helped organise and sustain local football for so many years.

## Les Kempster – Three Bridges, Mid Sussex youth football and Sussex FA

Les Kempster's contribution to Sussex football spanned playing, refereeing, youth football administration and county governance.

After moving to Crawley following the Second World War, he played for Three Bridges before becoming involved in refereeing. He later worked as a referees' assessor and trainer, helping support and develop officials.

His volunteer involvement in grassroots football dated back to 1964. He chaired and later became president of the Mid Sussex Youth League, helping provide organised football opportunities for young players across the area.

In 2012, he became president of the Sussex County FA. His contribution was recognised nationally in 2017 when he received The FA's Outstanding Contribution to Community Football Award. The Sussex County FA also named its Under-13 County Cup the Les Kempster Challenge Trophy.

Kempster died in March 2023, aged 99. His life in football is a reminder of how much of the game depends on people who are prepared to give their time to others, particularly young players and developing referees.

## Geoff Philby – Southwick FC and Sussex County League

Geoff Philby represents another essential part of Sussex football's history: the dedicated club secretary, league servant and local football correspondent whose contribution often took place away from the attention of supporters on matchdays.

His association with Southwick FC developed through his son Ian's involvement with the club, but Geoff soon became a committed servant in his own right. He took on the role of club secretary in 1964 and remained involved through to the 1980s.

His contribution also extended into the wider game, serving on the Sussex County League ground committee from its early ground-grading days and becoming a life vice-president of the league.

That ground committee work was particularly important. The standards of facilities, playing surfaces and grounds have always played a significant part in the development of non-league football. The people who helped establish and maintain those standards contributed to the future of clubs across the county, not just the one they supported.

Philby also helped preserve the history of the game through his reporting. He wrote detailed, handwritten match reports for the Shoreham Herald, recording the events and characters of local football at a time when much of that coverage would otherwise have been lost. He had played for Amberley in his younger days, giving him an appreciation of the game from both sides of the touchline.

Geoff Philby died in January 2015, aged 97, just two weeks short of his 98th birthday. His story is a reminder that football history is not written solely by players and managers. It is also written by the secretaries, administrators, ground graders and correspondents who give clubs their continuity and ensure their stories are remembered.

# SUSSEX FOOTBALL LEGENDS ROLL OF HO... (CONT.)

RUSS COCHRAN

**Barry Munn – Crawley Town and Sussex FA**

Barry Munn was a long-serving figure at Crawley Town, serving as club secretary and board member over many years.

His contribution also extended into the county game, where he held the position of Honorary Vice President of the Sussex County FA.

Munn died in June 2026. His passing marked the loss of another person whose work helped connect a club's day-to-day operations with the wider football structures that support the game across Sussex.

**Peter Down – Chichester City**

Peter Down was a familiar and valued figure at Chichester City's Oaklands Park, where he volunteered for many years.

His contribution extended beyond the ordinary matchday duties. The club recognised the work he had done for Chichester and for Sussex football more widely, describing him as a genuine clubman who had given a great deal to the game.

Down died in February 2026. His story is typical of the many volunteers whose names may not always be familiar outside their own club, but whose absence is deeply felt by the people who shared the football journey with them.

## THE PEOPLE WHO HELPED SHAPE CLUBS AND COMMUNITIES

**Malcolm Saunders – Lancing and Shoreham**

Malcolm Saunders was a familiar and respected figure in Sussex football, with significant involvement at both Lancing and Shoreham.

At Lancing, he was part of the first-team set-up and worked as assistant to John Sharman through the 2016/17 season. His footballing connections and experience later brought him to Shoreham, where he became co-owner following the deaths of Ralph Prodger and Cheryl Perris in 2021.

Saunders played an important role in the club's subsequent development, including its return to the Premier Division in the 2022/23 season. His involvement reflected the importance of people who are prepared to invest their time, knowledge and energy into helping clubs move forward.

He died on 7 September 2026. His passing was marked by tributes from across the Sussex football community, reflecting the breadth of his friendships and involvement in the game.

**Peter Vale – Sussex football media**

Peter Vale deserves a place in this Roll of Honour for his contribution to Sussex football media.

Football history is not preserved by results and league tables alone. It is also preserved by the people who report on matches, interview players and managers, follow clubs through difficult periods and give supporters a record of what has happened.

Peter Vale was one of those important figures in the Sussex football media landscape. His loss in 2024 was felt by those who valued his work and his contribution to the coverage of the local game.

His inclusion is also a reminder that the people who document football deserve to be remembered alongside those who play, manage and administer it. Without their work, so much of the history of our clubs and competitions would be harder to recover.

## A ROLL OF HONOUR THAT SHOULD CONTINUE TO GROW

This is a starting point, not a finished historical record. Sussex football has too many clubs, too many leagues and too many people who have made a difference for any one article to capture every contribution.

From the historic clubs around Hastings and Eastbourne to the sides in Worthing, Shoreham, Chichester, Crawley and the many towns and villages in between, there are undoubtedly more names that deserve to be included.

There are former players whose records have never been properly documented, club secretaries who gave decades of service, volunteers who built grounds and maintained facilities, referees who supported the local game, and administrators who helped keep competitions running. Some of their stories will be well known within their own clubs; others may be in danger of being forgotten.

I would particularly like to hear from clubs, supporters and families who can help identify people whose contribution deserves recognition. If there is someone who should be included, please get in touch with their name, club, role and, where possible, some details of their contribution.

This is about remembering the people who made Sussex football what it is today. Not just the trophies, promotions and famous results, but the commitment, dedication and often unseen work that allowed clubs and communities to enjoy the game in the first place.

The history of Sussex football belongs to all of us. Let's make sure the people who built it are not forgotten.

## Totton win a five-goal thriller at Horsham

Four goals before half-time, one after it, and the wrong one for Horsham. A crowd of 1,322 at the Fusion Aviation Community Stadium had barely settled when Declan Rose put AFC Totton ahead after four minutes. Charlie Hester-Cook levelled on 20, Luke Hallett restored Totton's lead on 31, and Ryan Bartley made it 2-2 on 35.

The second half was tighter and scrappier. Referee Morgan Conn booked four Totton players in all: Harry Mills, Rose, Reece Fleet and captain Tyler Cordner. But the decisive moment was Josh Sims' goal on 72 minutes, and Horsham could not find a way back despite bringing on Jimmy Wild and Niall McManus. Reece Meekums was booked in stoppage time as frustration set in.

It is a strange season at Horsham. They are unbeaten in eight away from home (three wins, five draws), but have won only two of eight at home and lost four, scoring nine. Saturday drops them to 11th on 22 points, 12 behind leaders Ebbsfleet. Totton, who had lost four in a row before winning two of their last three, climb to 16th.

The Hornets have a week off from the league: Torquay United visit in the FA Trophy second round next Saturday, an all-National League South tie.

## Bridle and Pattenden end Bath's winning run

Bath City arrived at Oaklands Park on four straight league wins and with a defence that had conceded just ten league goals in 14 games. Chichester needed four minutes to find a way through, Harry Bridle scoring his tenth league goal of the season, which puts him second in the Southern Premier South scoring chart behind Plymouth Parkway's Andrew Neal.

Donovan Wilson equalised on 11 minutes, and Chichester lost Ryan Davidson to an early change, William Lannin-Sweet coming on after 34 minutes. The game turned a minute before half-time when Bath's Harry Parsons was sent off by referee Joel Lamping, and Bath spent the second half with ten men.

Chichester made it count. Lucas Pattenden scored the winner on 61 minutes, and the home side saw the game out, with Lloyd Rowlatt, Joe Clarke and Olly Munt all coming off the bench. Munt replaced Bridle with five minutes left, watched by a crowd of 607.

It was Chichester's fifth home league win of the season; they have scored 19 at Oaklands Park. They move up to sixth on 28 points, a point behind Bath and five behind leaders Uxbridge. It is a busy week: Chertsey Town away on Tuesday, two points and one place apart, then a long trip to Salisbury in the FA Trophy second round on Saturday. Salisbury put six past Sholing in the FA Cup this weekend, so bring the good boots.

## Strange's equaliser earns Hillians a point in front of 1,008

Burgess Hill went into the book early and often at the Bauvill Stadium. Referee Oliver Kaya cautioned Ben Pope on 24 minutes, George Vorster on 29 and Charlie Lambert on 35, and the club's own half-time verdict was "a horribly scrappy game" in which Chatham had scored "a worldly". That worldly belonged to Ben Allen, four minutes before the break.

Photo: @Official_BHTFC on X

The response came quickly. Jack Strange equalised two minutes after the restart, and the Hillians said at full-time it was a thoroughly deserved point, and that they were disappointed it was not all three. Chatham had Tolu Ladapo and Mark Chidi booked as the game stretched, and Chris Whelpdale came off the bench on 76 minutes but could not find a winner.

It is a fourth league game without a win for Burgess Hill, but back-to-back draws on the road are steady, if not spectacular. They have now drawn four of their eight away games and have yet to keep an away clean sheet. They move up to 11th on 22 points, level with Chatham and Wingate & Finchley directly above them, and 14 behind leaders Welling United.

A crowd of 1,008 is the kind of number that makes you remember Chatham are a big club at this level: they average over 1,000 at home. Next up for the Hillians is the FA Trophy second round, away at National League South side Dover Athletic on Saturday.

## Dartford end Borough's eight-match run

Eight straight league wins, the best defence in the division and a crowd of 1,108 at Princes Park. Then 45 minutes that Eastbourne Borough will want to forget. Dan Smith opened the scoring on 15 minutes, Max Fiddes added a second on 26 and Ben Greenhalgh a third on 34. Fiddes scored again in the third minute of first-half stoppage time to make it 4-0 at the break. Borough had Harry Phipps and Josh Rees booked in that half, and had conceded twice as many goals in 45 minutes as in their previous seven league games combined (two).

The second half was about damage limitation and a little pride. Liam Nash came off the bench on 71 minutes and scored a minute later, and Kai Corbett, Borough's top scorer with seven league goals, made way for T'yano Tobias Wilson. Dartford, who had lost three in a row before last Tuesday's win at Lewes, saw it out comfortably, with Fiddes now on eight league goals for the season.

It was Borough's first league defeat since 31 August, when they lost 1-0 at Lewes. Before Saturday they had conceded 12 in 14 games. They stay third on 31 points, five behind leaders Welling United with a game in hand, and their home record (seven wins from eight) means there is no need for panic yet.

Dulwich Hamlet visit Priory Lane on Tuesday night, and Chertsey Town come to Eastbourne in the FA Trophy on Saturday.

## Unwin off the bench as Lewes turn it round in front of 3,092

The biggest crowd of the weekend in the leagues we cover, 3,092 at Champion Hill, and the best comeback. Dulwich led at half-time through Danny Mills two minutes before the break, and Lewes, who had lost at home to Dartford in midweek, made a change at the interval: Bobby Unwin on for Jack Enkh.

It worked. Kurtis Cumberbatch levelled eight minutes after the restart. Josh Spinks, already booked in the first half, put the Rooks ahead on 64. Dulwich threw on three substitutes at once on 68 minutes, but it was Unwin, the half-time substitute, who made it 3-1 on 82. Lonit Talla, one of those Dulwich substitutes, pulled one back a minute into stoppage time and the last few minutes got lively, with David Smith and goalscorer Mills both booked by referee Harry Phillips deep into added time.

Lewes are now the division's form side away from home: five wins from eight on the road, more than at the Dripping Pan. The win takes them back to fourth on 30 points, six behind leaders Welling United and level with Dartford. Dulwich, beaten in two straight and with one win in their last six, drop to 14th.

The Rooks are back in action on Tuesday at second-placed Enfield Town, who lost at home to AFC Whyteleafe on Saturday, and then host 21st-placed Stanway Rovers next Saturday.

## Stalemate at the bottom, and a first clean sheet for the Hawks

Twenty-first against 22nd at the Kingdom Stadium, one point between them, and nobody blinked. In front of 109, Stanway Rovers and Whitehawk produced the only goalless draw in the Isthmian Premier on Saturday, and the only booking was Whitehawk's Beaux Booth on 33 minutes.

Photo: @GroundhopPanda on X

Both managers went to the bench. Stanway lost Tyrese Osbourne after 11 minutes and later brought on Ola Bello and George Holley; Whitehawk introduced Seokjae Lee early in the second half and made a double change on 66 minutes, Victor Aiye and Yannis Drais replacing Luke Cook and Matty Jones. Nothing changed the scoreline.

For Whitehawk there is a small positive. It is their first clean sheet in the league this season, and it came away from home, where they had conceded 22 in eight games before Saturday. There is also a big negative: it is now eight league games without a win, and they remain bottom on seven points, one behind Stanway and three behind Three Bridges in 20th. They have won one league game all season.

The week does not get any easier. Leaders Welling United, who won 3-1 at St Albans on Saturday, visit the Enclosed Ground on Tuesday night. Then it is the FA Trophy second round at home to Tonbridge Angels of National League South on Saturday. Two hard games, but cup football can be a welcome break from the league.

## Adeyinka strike not enough for Bridges

Ade Adeyinka gave Three Bridges a 12th-minute lead at Jubilee Field and they held it into the second half. Brentwood made two changes before the hour, Charlie Edwards coming on after 30 minutes and Malachi Linton at half-time, and the pressure told on 58 minutes when Harry Gibbs equalised.

The last half hour was nervy. Bridges brought on Carlos Richards and Josh Chambers, Brentwood brought on three more substitutes, and Nat Mardell was booked on 81 minutes. In the fifth minute of stoppage time Brentwood's Matt Cripps was sent off by referee Gifford Manyange, too late for Bridges to make the extra man count. It finished 1-1 in front of 278.

A point keeps Bridges moving, but slowly. It is five league games without a win and they are 20th on 10 points, six behind 18th-placed Brentwood, who have played the same number of games. The numbers that need fixing are at the back: Bridges have yet to keep a league clean sheet this season, home or away, and have conceded 40 in 15.

There is quality going forward, with 25 league goals, more than Cheshunt and Cray Wanderers above them. The next week will test it: Cray Wanderers away on Tuesday, then leaders Welling United away on Saturday.

## Rawlins rescues Heath at the death

Seventy goalless minutes at the Air Engineering Stadium, then four goals in 19. A crowd of 189 had seen a cagey first half that Sittingbourne described as "even" before the game finally caught fire.

Mitchell May put Sittingbourne ahead on 71 minutes. Samuel Hards equalised three minutes later, his seventh league goal of the season, which makes him Broadbridge Heath's top scorer. Darren Foxley restored the visitors' lead on 77, and with Sittingbourne making changes and seeing yellow cards for Khavarn Williams and Joshua Samuels, it looked like the points were heading to Kent.

Then came Heath's best decision of the afternoon. Ollie Rawlins came off the bench on 85 minutes and scored on 90 to rescue a 2-2 draw. Five minutes on the pitch, one goal: a good shift by anyone's standards.

Broadbridge Heath are unbeaten in five league games, though three of those were draws, and they are strong at home: four wins and four draws in nine, with just one defeat. They have scored 20 goals there. They are ninth on 24 points, seven behind the joint leaders. Sittingbourne, who have won two of eight at home but are better on the road, drop to 14th.

Next Saturday Heath travel to Margate, eighth, a point above them,.

## Hastings go top with a performance to match

Two straight defeats had cost Hastings United top spot, and they answered emphatically at the Mayne Arena. Kesna Clarke scored from the penalty spot on 19 minutes. Warren-Hugues Mfula made it 2-0 on 38, and Cray Valley had Marc-Anthony Okoye and Liam Moore booked either side of half-time as they struggled to cope.

Photo: @DavidPo19777840 on X

Sam Pidgeon settled it on 72 minutes, and Hastings rotated freely after that, bringing on Kian Moynes, Archie Cassidy, Ayo Olasimbo and Sonny Tyrrell. The club's full-time verdict: "Now that's better." A good few of the U's fans made the trip to south-east London, and the club thanked them for their support.

Whitstable Town were held 2-2 at Sevenoaks, so Hastings climb from fourth to first. They are level with Whitstable on 31 points but top on goal difference, +14 to +9. Clarke is now joint top scorer at the club with Max Walsh on eight league goals each. The Hastings record is the most balanced in the division: five wins at home and five away, with 32 league goals scored.

Cray Valley have now lost four in a row and sit 20th on 14 points. For Hastings, the new leaders have two home games to protect top spot: Sevenoaks Town at the Pilot Field on Tuesday night, then a Sussex derby with Steyning Town on Saturday.

## Williams goal settles it, and a late red for Crow

Oghosa Williams scored the only goal on 22 minutes at the Charles Century Community Stadium, and Crowborough could not find a way back in front of 243.

Sheppey had Joshua Wisson booked soon after the goal, and Crowborough tried to change things around the hour, with Finlay Nwanosike and Tom Pearson coming on. Pearson lasted 17 minutes before being booked himself, and Alfie Bloomfield, the player he replaced, had also been cautioned. In the fifth minute of stoppage time Crowborough's Josh Turner was sent off, a frustrating end to a frustrating afternoon.

Harry Forster, the division's second-highest scorer with ten league goals, drew a blank. That is the worry for Crow: when Forster does not score, the goals tend to dry up. It is two straight league defeats and three without a win, and they sit 19th on 15 points, one above Cray Valley PM in 20th. They have won three of eight at home.

Sheppey, by contrast, climbed from 13th to tenth with a third clean sheet away from home this season. They have won four of their six league away games.

The good news for Crowborough is the fixture list. Cray Valley PM, the side directly below them, visit on Tuesday night, a game that now has six-pointer written all over it. Then it is a trip to joint leaders Whitstable Town on Saturday.

## Seventh straight defeat for the Town

Josh Williams on 18 minutes, Jadan Raymond on 40 and Brandon Pierrick on 67 gave AFC Croydon Athletic a comfortable afternoon at the Saffrons in front of 292. Both sides rang the changes in the second half, with four substitutions between them on 73 minutes alone.

Eastbourne Town tried everything from the bench. Sonny Walsh came on for Marcin Ruda on the hour, Nathan Hover replaced Leon Greig on 67, and Alex Plummer, Arron Hopkinson and Reuel Powell-Downey all came on in a two-minute spell. The only booking of the game was Croydon's Cian McCarthy after seven minutes.

The numbers make difficult reading. Eastbourne Town have lost seven league games in a row and are bottom of the Isthmian South East on nine points, one behind Horley. They have not won a league game away from home this season, and they have scored 19 league goals in 16 games. At the Saffrons it is a little better: two wins, a draw and five defeats, with 13 goals scored and 14 conceded.

Croydon, who had lost five in a row earlier in the autumn, have now won two straight and are unbeaten in three, climbing to 11th. Eastbourne Town have a quick chance to stop the run: Faversham Town visit the Saffrons on Tuesday night, then a trip to Sheppey United on Saturday.

## Second-half collapse at Herne Bay

Peacehaven & Telscombe went in level at half-time at The Crest Stadium and conceded five after it. Ade Azeez opened the scoring on 51 minutes, and Ryan Kingsford scored twice in 11 minutes, on 53 and 64. Jaden Brissett added a fourth on 77. Josh Ajayi, who had come off the bench on 68 minutes, scored the fifth on 84.

Peacehaven made four changes in one go on 78 minutes, including taking off Connor Tighe, their top scorer with nine league goals. Lewis Beebee, one of the men who came on, was booked in stoppage time, as were Harry Docherty and Finley Agnihotri. It was that kind of day.

The crowd of 740 saw Herne Bay at their best. They have now won six of eight at home with five clean sheets, conceding just eight goals at home all season, and they climb to seventh. Azeez is their top scorer on seven.

For Peacehaven it is five league games without a win and 24 goals conceded in nine away games. They are 18th on 16 points, one above Crowborough in 19th, and they need home points. Sevenoaks Town visit on Saturday.

## Pitcher's winner makes it three wins in four

A crowd of 120 at the Shooting Field saw Steyning grind out a win that matters. Max Blencowe and Harvey Woollard were both booked in a scrappy first half before Leo Marley Ginger gave Steyning the lead on 41 minutes. Horley hit back almost at once, Abdulahi Abdulazeez equalising three minutes later, so it was 1-1 at the break.

Charlie Pitcher scored the winner on 67 minutes and was replaced by Elliott Hanslow nine minutes later to applause. Marley Ginger was booked soon after his goal, and referee Sean Ridley had his book out for three Horley players, Adam Allen, Elliott McKimm and Tyrece Drummond, as the visitors chased an equaliser that never came.

Steyning have now won three of their last four league games, after four straight defeats before that run. They are 15th on 21 points, seven clear of Cray Valley PM in 20th. It is a needed lift: they have conceded 34 in 17 league games, and they have had to win ugly.

Horley have now lost eight league games in a row and are 21st on ten points, though only one ahead of Eastbourne Town. Steyning's reward is a trip to the new leaders: Hastings United at the Pilot Field on Saturday, a Sussex derby.

## One goal enough for Southall at the Sportsfield

A crowd of 241 at the Sportsfield saw Littlehampton match Southall for an hour before the game turned on one moment. Kickie Dzimba, booked on 40 minutes, scored the only goal on the hour, the same minute George Gaskin was booked for the Golds.

Photo: @FCSouthall on X

Littlehampton made three changes in quick succession on 67 minutes and later brought on Daniel Simmonds, but Southall held firm for their fourth clean sheet of the season, all of them away from home. Joshua Short, Gaskin and Tom Cadman were all booked for the hosts, Kyle O'Brien for the visitors.

The numbers are not kind to the Golds. They have gone seven league games without a win, have won one of eight at home, and sit 21st on seven points, three clear of bottom-placed Binfield. They have scored 16 goals in 15 league games. Southall, who also won August's meeting 3-1, are a well-drilled side away from home, unbeaten in seven of eight on the road. They climb to fifth.

There is one thing guaranteed to lift spirits at Littlehampton: next Saturday is the West Sussex derby away at Bognor Regis Town, who have lost two in a row. Bognor won the August meeting at the Sportsfield 1-0. Derby games have a habit of ignoring the league table, and Littlehampton will be hoping this one does.

## Bognor slip to third after Windsor setback

Bognor Regis Town had beaten Windsor & Eton 4-2 in August. This was a different afternoon at Stag Meadow. Sam Hutchings opened the scoring on 13 minutes and Alex Donville made it 2-0 on 23, and the Rocks made three changes at half-time, bringing on Ben Anderson, Henry McDonald and Maadhav Jagota.

The second half was more even and much more combative. Referee James Thompson booked Bruno Dos Santos, Cameron Rohart-Brown, Donville and Hutchings for Windsor, and Henry Nevill for Bognor. Callum Laycock and Ollie Lovell also came on for the visitors, and Luke Roberts finally scored on 89 minutes, but it was too late to change the result in front of 401.

It is two straight league defeats for Bognor, after a home loss to Egham in midweek, and four games without a win. They drop from second to third on 34 points, a point behind leaders Jersey Bulls and level with Egham, who have now won eight in a row. Bognor have played a game more than both. The underlying numbers are still those of a promotion side: 36 league goals, ten wins, and a home record of five wins from eight.

Windsor, who had lost on the road in August, have now won two straight and climb to 12th.

The Rocks have a perfect chance to bounce back. Littlehampton Town come to Nyewood Lane on Saturday for the West Sussex derby.

## Varndeanians make it two wins in a row

AFC Varndeanians did what they do best at home: kept a clean sheet. The 3-0 win over Horsham YM at Peacehaven Sports Park, watched by 71, was their fifth clean sheet in eight home league games. They have conceded five goals at home all season, a record only the leaders can beat.

FA Full-Time does not record who scored, so the details are thinner than we would like. The pattern is clear enough: Varndeanians, who had lost four of five league games in early autumn, have now won two in a row and are unbeaten in three. They stay tenth on 24 points.

It also completes a league double. On the opening day of the season Varndeanians won 3-2 at Horsham YM, and the gap between the sides has grown since. Horsham YM remain bottom on seven points and have not won in 11 league games. Away from home the problem is goals: three in seven league away games, with 16 conceded.

There is a quick chance for Varndeanians to make it three wins in a row: they travel to Pagham on Tuesday night. Pagham are unbeaten at home this season, so it is a proper test. Horsham YM are also out on Tuesday, at Midhurst & Easebourne, the side four points above them, in a game that matters at the bottom.

## Bexhill climb into the top eight

A 3-0 home win at the Polegrove, watched by 147, lifts Bexhill United to eighth on 26 points and completes a league double over Billingshurst after August's 2-1 win on the opening day.

The goalscorers were not recorded on FA Full-Time, so this is one for the numbers. Bexhill have been better away from home than at the Polegrove this season, with five wins on the road. Saturday's win was only their third at home in seven.

For Billingshurst it is two straight defeats and four games without a win. They have won one of seven league away games, conceding 24, and they sit 16th on 12 points, two points above the bottom three. They have played 17 games, joint-most in the division, so there are no games in hand to fall back on.

Both clubs have a date with Seaford Town this week. Billingshurst are at the Crouch on Tuesday night, and Seaford then travel to the Polegrove on Saturday to face Bexhill. Seaford won on Saturday too, so they will not be easy for either.

## Alder wins it in the 93rd minute

If you want goals, go to the Haven Sportsfield. Crawley Down Gatwick's home league games have now produced 47 goals in 11 matches, and Saturday added five more, all after half-time.

It was goalless at the break. Matthew Rapson scored on 57 minutes; Newhaven described it as a lucky goal, a hopeful effort that found its way in. Ezra Roeg equalised on 63. Then the game turned. According to Newhaven's match updates, Crawley Down Gatwick were awarded a penalty and Newhaven's Ethan Pike was sent off. James Laws put the Anvils back in front on 73 minutes.

Newhaven's ten men did not give up. Omar Bukleb made it 2-2 on 89 minutes, and that looked to be that. Then Joshua Alder, who had come on as a substitute, scored the winner in the third minute of stoppage time. A crowd of 113 had their money's worth.

It is a second straight win for Crawley Down Gatwick, who are ninth on 25 points. The opening-day meeting at Newhaven finished 1-1. Newhaven, who have lost five of eight away, drop to 13th on 17 points.

The Anvils have an FA Vase tie to look forward to: Larkfield & New Hythe away on 28 November. Newhaven host third-placed Hassocks on Saturday, a side they beat 2-1 in August.

## Wright double as Heath win at the East Court

East Grinstead were the only side to stop Haywards Heath scoring this season, in a 0-0 draw on the opening day. Not this time. Josh Wright scored twice in the first half; the second, on 41 minutes, came after what Heath's own updates called a goalkeeping blunder. Kieron Pamment pulled one back on 43 minutes, and it was 2-1 at the break.

Photo: @HHTFC on X

The second half had, in Heath's words, "much controversy", without the club saying more. Wright was replaced by Waters on 77 minutes, with a "Well done Joshy!" from the club's account. Then Lukas Franzen-Jones settled it on 87 minutes, a goal Heath's social media celebrated as "LUAKS. FRANZEN. JONESSSSSSS!!!!", typos and all. Pamment scored his second in stoppage time to make the last minutes nervy, but Heath held on for a 3-2 win.

The numbers are frightening for the chasing pack. Haywards Heath have won four in a row and lead on 38 points from 15 games, two clear of Eastbourne United, who have played two more. They have won seven of nine away games and conceded 11 league goals all season. Wright is now on 15 goals in all competitions, level with Pamment and Callum Barlow at the top of our SCFL Premier chart.

East Grinstead drop from third to fourth. They have yet to keep a home clean sheet this season. Heath go to Lancing on Tuesday night; East Grinstead travel to in-form Guernsey on Saturday.

## Omar's strike completes the double for Hassocks

Hassocks made the trip to Whyteleafe, where Lingfield play their home games, knowing a win would take them back into the top three. They got it, but they had to work for it.

By Hassocks' own account, Lingfield shaded a "fiercely competitive" first half, and it was goalless at the break. The winner came in the second half from Omar, whose "brilliant strike" was celebrated in the Robins' match updates (FA Full-Time does not record the goal). After that it was all about defending, and Hassocks described the clean sheet as "immense".

It completes a league double: Hassocks won 5-1 when the sides met on the opening day. It is three straight league wins for the Robins, who are third on 33 points from 15 games, five behind Haywards Heath, who have played the same number. On the pitch they have lost twice in the league all season.

For Lingfield, it was a rare quiet afternoon at home. They had scored 27 in their first seven home league games, and Kwesi Ntim, on 14 goals in all competitions, is fourth in our SCFL Premier scoring chart. But they have now won one of their last four and drop from fifth to seventh.

Hassocks go to Newhaven on Saturday, the side that beat them 2-1 in August, then Rusthall in the FA Vase on 28 November. Lingfield host Forest Row.

## Harrison's goal moves Roffey up to fifth

Not quite the 8-0 of the opening day, but every bit as valuable. Luke Harrison scored the only goal a minute before half-time at Little Common Recreation Ground, and Roffey made it count.

Roffey are one of the best travelling sides in the division: five wins from nine away, with four clean sheets and 11 goals conceded on the road. Their top scorer, Jordan Mase, has 11 goals in all competitions, although he was not among the scorers on Saturday.

Roffey climb from sixth to fifth on 29 points, nine behind the leaders with the same number of games played. They had lost two of their previous five league games, so the win steadies things.

Little Common have now lost six of their last eight league games and sit 19th on ten points, level with Forest Row and three above bottom-placed Horsham YM. Their home record is respectable, three wins from eight, and they have scored 14 goals at home. The problem is away from home: eight away games, eight defeats.

The next week is a tough one for Little Common. They go to Eastbourne United, who have 60 league goals, on Saturday. United won 4-1 at Little Common in August. Roffey have no league game listed for Saturday; they meet Crawley Down Gatwick in the Peter Bentley Challenge Cup on 17 November.

## Seaford take revenge on Pagham

Seaford Town won 3-2 at the Crouch in front of 94, reversing the 1-0 defeat at Pagham in September. The goalscorers were not recorded on FA Full-Time, which is a shame for a five-goal game, but the result says plenty.

It was Seaford's third home league win of the season and lifts them to 12th on 19 points. Their form has been in and out all autumn, but they have now won two of their last four.

Pagham's season is a tale of two cities. At home they are unbeaten: five wins and two draws in seven, with 20 goals scored and six conceded. Away from home they have won one of six, and Saturday was their fifth away defeat. They have gone three league games without a win and are 11th on 20 points, but they have played only 13 games, fewer than anyone around them. Lewis Rustell, with 13 goals in all competitions, is fifth in our SCFL Premier scoring chart.

Both clubs have a home game on Tuesday night. Seaford host Billingshurst, who are 16th, and Pagham host AFC Varndeanians, who have won two in a row. On Saturday Seaford travel to Bexhill United.

## Overy double as United hit five again

Callum Beck put Wick ahead after four minutes at Crabtree Park, and for a few minutes the home side dared to dream. Then Eastbourne United remembered they have the best attack in the league. Joe Overy equalised on nine minutes and Brett Patton put United ahead on 14. It was 2-1 at half-time.

Ryan Blunt made it 3-1 four minutes after the restart. Beck scored his second on 51 to bring Wick back to 3-2, but Jorge Nones powered home Zach Robitaille's cross on 56 minutes, and Overy scored the goal of the game on 65, a curling effort into the top corner. United's goalkeeper Alieu Secka made a big save on 71 minutes, and Blunt chipped just over the bar soon after. Wick kept going to the end.

Wick's social media summed up the afternoon well. The club's admin had been locked out of the account for part of the game. "Good news, we're back. Bad news it's 2-5 to Eastbourne United." We have all had afternoons like that.

United also won the opening-day meeting 5-1 at the Oval. They now have 60 league goals in 17 games, 22 more than anyone else in the division, and 34 of those have come in ten away games. Callum Barlow, substituted after 67 minutes, did not score but remains joint top of our chart on 15. United are second on 36 points, two behind the leaders, who have two games in hand.

Lancing's day started early, with a flight from Sussex on Saturday morning. It ended with a long journey home after a 4-0 defeat to a Guernsey side that is now the form team in the SCFL Premier.

Ross Allen opened the scoring after 12 minutes. Two minutes later Lancing goalkeeper Dailly saved from Brandon Wallace, and the resulting corner hit the crossbar. Will Fazakerley made it 2-0 on 41 minutes and Sam Murray added a third before half-time, which came after six minutes of added time. Two minutes after the restart Dylan Graham was brought down in the box and Allen scored the penalty, the keeper guessing right but unable to reach it.

Guernsey had chances for more. Corey Brouard dragged a shot wide on 74 minutes, and Murray headed Allen's cross against the bar two minutes later. Seb Sheppard kept his fifth clean sheet in his 20th appearance for the club, and Guernsey noted it was the tenth time in their history they have won a game 4-0.

It is a sixth straight league win for Tony Vance's side. They are sixth on 29 points from 14 games, nine behind the leaders with a game in hand on them, and the club now talks openly about the play-off chase. They won 3-2 at Lancing in September.

## Infinity win the top-of-the-table clash

Second against first at the Reg Madgwick Stadium, and the leaders showed why they are ten points clear. Infinity won 1-0 in front of 100, and the goalscorer was not recorded on FA Full-Time.

It was a meeting between the best attack and the best defence in Division One. AFC Walcountians had conceded three goals in six home league games before Saturday and kept five clean sheets at home; Infinity had scored 45 league goals. On the day, Infinity's defence was the one that held firm. They have now won seven of nine away league games and are unbeaten in 12.

The numbers are relentless. Infinity have 43 points from 16 games. At home they have won all seven league games and conceded twice. Zackary Willett, with 20 goals in all competitions, is the top scorer at any of our clubs. Jarvis Brook, in second, have played a game fewer but are ten points behind.

For Walcountians it is only a second league defeat at home this season, and they slip from second to third on 32 points. They still have the best defence in the division, with 12 league goals conceded in 15. Charlie Moore leads their scoring chart with nine.

Walcountians host Clanfield on Tuesday night and go to Oakwood on Saturday, where they won 5-0 in August. Infinity turn to the Division One Challenge Cup, away at Dorking Wanderers B on Tuesday.

## Clanfield fight back for a point

East Preston looked set for a comfortable afternoon at Westleigh Park. Henry Breden scored after ten minutes and Frankie Bigwood made it 2-0 on 15. A crowd of 39, small but loyal, might have feared the worst for Clanfield.

Clanfield came back. Their two goals were not recorded on FA Full-Time, so we cannot tell you who scored them or when, only that the home side turned a two-goal deficit into a 2-2 draw. For a side that has won once in its last eight league games, that counts as a good afternoon.

Clanfield are 17th on ten points, above Dorking Wanderers B, Ringmer and Shoreham. Their home form is what keeps them in touch: three wins and three clean sheets in eight home games. Away from home they have scored one league goal all season, in six games.

East Preston's season is stuck in neutral. They are 14th on 19 points with a goal difference of exactly zero, and they have won one of their last four.

Clanfield are on the road on Tuesday night, at AFC Walcountians, then go to Loxwood on Saturday. East Preston host Ringmer on Saturday.

## Two goals in eight minutes for Dial Square

Dial Square's home ground at Brookwood Country Park, which they share with Knaphill, is becoming a fortress. Matt Hinks scored after five minutes, then set up Daniel Wanyonyi three minutes later, and Shoreham were 2-0 down before they had settled. Danny Taylor added a third on 57 minutes. Shoreham pulled one back, though FA Full-Time does not record who scored it.

Dial Square's match record names George Douglas as player of the match. The home side had one player booked.

The home numbers are remarkable. Dial Square have won seven of nine home league games and have conceded three goals at home all season, with six clean sheets. Away from home it is a different story, with one win in six. Saturday's win was their second in a row and lifts them to eighth on 26 points.

For Shoreham it is a fourth straight league defeat. They are bottom of Division One on eight points, with a goal difference of minus 34, and they have conceded 47 in 16 league games. They have won one at home and one away.

Dial Square play Reigate Priory in the Division One Challenge Cup on Tuesday. Shoreham host Westfield on Saturday, and need something to change.

## Saltdean held at Meadowbank

Dorking Wanderers B played at Meadowbank on Saturday and twice led Saltdean United. Leo Bines scored after 16 minutes, and Rubens Andrade Moreira added the second on 55 minutes, his eighth goal in all competitions, which makes him Dorking B's top scorer. Saltdean scored twice to draw 2-2, but their goals were not recorded on FA Full-Time.

For Dorking B, it is a point that keeps them off the bottom two. They are 18th on nine points, level with Ringmer and one ahead of Shoreham. Their home record has been tough: one win, two draws and six defeats at Meadowbank, with 24 goals conceded in nine home games. They have now gone four league games without a win.

Saltdean were the in-form side going in, with six wins in their previous seven league games, and they extend their unbeaten run to three. They climb to sixth on 26 points and have played only 14 games, so there is plenty of room to move up. Their away record is solid: four wins, two draws, three defeats.

Both sides have Division One Challenge Cup ties on Tuesday night. Dorking B host leaders Infinity, and Saltdean host Guildford City.

## Ambler double for the Oak

Marley Ambler scored twice for Mile Oak, on 30 and 65 minutes, and the Oak held on after a late Loxwood goal to win 2-1 in front of 54. Mile Oak's own match record has the Loxwood goal in the 90th minute.

Mile Oak's home form is doing the heavy lifting this season: five wins, a draw and a single defeat in seven home league games, with eight conceded. Away from home they have won two of nine. Saturday's win was their fourth in six league games, and they are tenth on 24 points.

Loxwood have the opposite pattern. At home they have conceded two league goals all season, in five games. Away they have won two of 11 and conceded 17. They drop from 11th to 12th on 20 points. Lewis Huggins, with eight goals in all competitions, is their top scorer.

Reigate Priory led 2-0 at half-time and added a third five minutes after the restart. Hailsham Town's match record has the goals on 13, 35 and 50 minutes, but neither side recorded who scored them on FA Full-Time. Jordan Masters scored Hailsham's consolation on 71 minutes. A crowd of 58 watched.

Priory's top scorer, Tommy McKenna, has 15 goals in all competitions, second in our Division One chart behind Infinity's Zackary Willett. Priory are strong travellers, with five wins from seven away games, so it is good for them to have a home win to show too. They move up from sixth to fifth on 28 points.

Hailsham had won three of their previous four league games and slip from eighth to ninth on 25 points. They have won five of eight at home but only three of eight away. Their top scorer, Tyler Pearson, has 12 goals in all competitions.

Both clubs are in Division One Challenge Cup action on Tuesday night. Priory host Dial Square, and Hailsham go to Jarvis Brook. On Saturday Hailsham host Mile Oak.

Jacob Todman scored after 24 minutes and Luca Anderson added a second on 37, and Oakwood took a 2-0 lead into half-time at the Kings Academy. Ringmer scored once, but their goal was not recorded on FA Full-Time, and it was not enough. A crowd of 88 saw Oakwood win 2-1.

It is a sixth straight league defeat for Ringmer, and their home record is the worst in the division: no wins in nine home league games, two draws and seven defeats. They are 19th on nine points, level with Dorking Wanderers B and one above bottom-placed Shoreham. Their goal difference is minus 29.

Oakwood have won two of their last four after a difficult spell, and they are 16th on 15 points. Their away record is better than their home one, with three wins from eight on the road.

## Glanfield hat-trick at the High Street Ground

Luke Mitchell put Guildford City ahead on 14 minutes at the High Street Ground. Mitchell is Guildford's top scorer with nine goals in all competitions, and for a quarter of an hour it looked like his side would have a good afternoon.

Then Isaac Glanfield took over. Selsey's match updates praised his "excellent work" for the 30th-minute equaliser, and he scored again a minute before half-time to make it 2-1 at the break. Frederick Chipp-Smith made it 3-1 three minutes after the restart, and Glanfield completed his hat-trick two minutes from time.

A crowd of 162, the biggest in Division One on Saturday, saw Selsey climb to 11th on 21 points. It was their third home win of the season and has them alternating wins and defeats in recent weeks; a win on Tuesday would make it two in a row.

Guildford City slip from fifth to seventh on 26 points. They have won four of eight away.

Westfield wore their remembrance kit at the Knight and Davey Community Stadium, and the occasion felt right for a big crowd of 114. Jarvis Brook spoiled the afternoon in 11 first-half minutes. Archie Carey scored on 18 minutes, Alfie Gilder on 22 and Jimmy Hoy on 29.

Bradley Pritchard pulled one back for Westfield on 64 minutes, but Jarvis Brook were comfortable. Their club's verdict at full-time: "Victory in Westfield!"

Jarvis Brook are now unbeaten in 13 league games and climb from third to second on 33 points. They are ten behind leaders Infinity, with a game in hand. The away record is outstanding: six wins from seven away games, with five goals conceded. Their top scorer is Chidima Ajeh with seven goals.

Westfield's home record had been good, five wins from nine, but away from home they have not won all season. They have now gone four league games without a win and are 13th on 19 points.

This is the Sussex Westfield, not the Isthmian side from Surrey. Both clubs have Division One Challenge Cup ties on Tuesday night. Westfield host Worthing United, and Jarvis Brook host Hailsham Town.

## Appleton double keeps the Mavericks rolling

Liam Appleton scored twice in seven minutes, on ten and 17, at the Robert Albon Memorial Ground, and Worthing United should have had more. The club's match updates said they had "a lot of chances to put this to bed". Harry Russell pulled one back for Arundel on 76 minutes, but United held on to win 2-1 in front of 128.

Appleton's double takes him to 12 goals in all competitions, level with team-mate Daniel Kingston as the club's top scorer. United's home record is one of the best in Division One: seven wins, a draw and a defeat in nine, with 28 goals scored and seven conceded.

United are unbeaten in five league games and fourth on 30 points, three behind Jarvis Brook in second. Their goal difference of plus 28 is the second best in the division.

## Wilson's goal settles it for Worthing Town

Muhammad Wilson scored the only goal on 25 minutes, and Worthing Town won 1-0 at ASC Brighton Rangers, who play their home games at the Sussex County FA ground in Lancing.

It was a classic Division Two afternoon: one goal, a clean sheet, and three points that matter. Worthing Town had lost three in a row before Saturday, so the win is a good response. They climb from ninth to seventh on 15 points and have played just 11 games, fewer than anyone around them. Fahmi Juneydi, with seven goals in all competitions, is their top scorer.

For Brighton Rangers, home has been hard all season. They have not won a league game at home, with one draw and four defeats, and have scored two goals in five home games. Away from home they have won four. They drop from seventh to ninth on 14 points.

Worthing Town won September's meeting 6-2. They are in the Sussex Intermediate Challenge Cup on Saturday, at home to BN Dons. Brighton Rangers go to Bosham.

## Chapman rescues a point for Bosham

Bobby Lee put Bosham ahead after four minutes at Withdean, and they led at half-time. Brighton Electricity scored twice in the second half, though their goals were not recorded on FA Full-Time, and for a few minutes it looked like their first league win of the season was coming. Then Alexander Chapman equalised a minute into stoppage time, and it finished 2-2 in front of 45.

Electricity are still waiting for that first league win. They have four points from nine games: back-to-back draws now, after four straight defeats. Their goal difference is minus 16, and they are 14th.

Bosham's late goal keeps them unbeaten in three, and they are tenth on 11 points. Their away record is better than their home one.

Electricity travel to Rudgwick on Saturday. Bosham host ASC Brighton Rangers.

## Leaders held at Ferring

Chichester City B dropped points for only the second time this season, held 1-1 at Ferring in front of 61. FA Full-Time does not record the goalscorers.

It was no fluke. Ferring are unbeaten at home in the league this season: five wins and four draws in nine, with 22 goals scored and nine conceded. Saturday was their third draw in a row, and they are fifth on 20 points from 11 games.

Chichester City B are still the team to beat in Division Two. They lead on 31 points from 12 games, three ahead of Hurstpierpoint, and have scored 64 league goals with a goal difference of plus 55. Josh Hall has 15 goals in all competitions and Joshua Irish 14, the top two in our Division Two chart.

Both sides are in the Sussex Intermediate Challenge Cup on Saturday: Chichester City B away at AFC Uckfield Town's second team, and Ferring away at Balcombe.

## Wilson double in Rustington win

Matthew Wilson scored on 30 minutes to give Rustington a 1-0 half-time lead over TD Shipley. Joe Onipede made it 2-0 on 50 minutes, Wilson added his second on 68, and Andrew Cole completed a 4-0 win on 84.

Rustington's home record is perfect: five league games, five wins, 18 goals scored and three conceded. It was a statement result against a TD Shipley side that sat fourth and had been unbeaten at home all season. Rustington are third on 27 points from 11 games, four behind the leaders, Chichester City B, with a game in hand. Jordan Clark leads their scoring chart with seven goals.

TD Shipley stay fourth on 23 points. Their home record (six wins, two draws, no defeats) has been their strength; away from home they have won one of three.

Rustington are in the Sussex Intermediate Challenge Cup on Saturday, away at Hurstpierpoint, the side in second place. TD Shipley go to Copthorne in the league.

## Oram and Christensen doubles in Rudgwick rout

Rudgwick won 5-1 at Southwater Sports Club in front of 137, a big crowd for Division Two, and two players scored twice each.

Kai Oram opened the scoring on 15 minutes, set up by Zachary Maunder. Oram then set up Lewis Christensen on 22, and Christensen added another on 31. Oram scored his second on the hour from Luke Sprigge's pass, and Sprigge scored the fifth himself on 73. Southwater's goal was not recorded on FA Full-Time. Oram now has 11 goals in all competitions.

It is a needed win for Rudgwick, who climb from 13th to 11th on 11 points. They had won two of their previous four league games.

Southwater have gone eight league games without a win and drop to 13th on nine points. They have won one of seven home games and have conceded 19 at home.

Rudgwick host Brighton Electricity on Saturday. Southwater travel to Upper Beeding, who beat Storrington Community 3-2 in the Division Two Challenge Cup on Saturday.

**Rustington celebrate after beating TD Shipley 4-0** · Photo: @tombarnes71 on X (cropped)

Saturday's standout post was not a goal, a save or a table. It was a dressing room. Tom Barnes posted Rustington's celebration after the 4-0 win over TD Shipley, with the squad holding cans of Dugout 90 and a caption that suggests it was his last game for the club. On Sunday morning it was showing 185,500 views, which is more people than live in Worthing. Some of the lads were wearing less than others. We have cropped accordingly.

The football was worth celebrating, too. Matthew Wilson scored twice, Joe Onipede and Andrew Cole once each, and Rustington's home record in SCFL Division Two is now played five, won five, 18 scored and three conceded. They are 3rd on 27 points from 11 games. Whatever Tom does next, he went out on a high, and the Dugout 90 went down well. Allegedly sourced from the fountain of youth; definitely sourced by the Rustington dressing room.

# THE UNSUNG HEROES OF NON-LEAGUE FOOTBALL: THE VOLUNTEERS WHO KEEP OUR CLUBS ALIVE

*Have you got what it takes to put your hand up?*

FEATURE · HAVE YOU GOT WHAT IT TAKES TO PUT YOUR HAND UP?

**By Russ Cochran**

When we talk about non-league football, our attention naturally gravitates towards the people on the pitch. The players, managers, coaches and perhaps the officials who make the game happen. We discuss results, promotions, relegations, transfers, budgets and ambitions. We celebrate success and debate disappointment. But there is another side to non-league football that rarely receives the same attention, and arguably it is every bit as important as what happens between the white lines.

Across Sussex, at clubs of every size and level, there are countless local people giving up their evenings, weekends and sometimes substantial portions of their working weeks to keep their football clubs running. They aren't necessarily football people in the traditional sense. They might never have played for the club, have no interest in team selection and could probably tell you very little about the latest signing. Some might not even watch much football at all. Yet they are absolutely fundamental to the existence and success of the clubs they serve.

These are the volunteers who underpin the game. The people whose contributions are often invisible to the average supporter, because so much of what they do happens long before the turnstiles open and long after the final whistle has blown.

Think about what actually goes into running a football club. Someone has to make sure the facilities are clean, the toilets are fit for purpose, the stands are swept, the changing rooms are ready and the bins are emptied. Someone has to ensure that the clubhouse is open, the bar is stocked, the kitchen is ready and the food outlet can serve supporters. Someone has to look after the club shop, manage stock, order merchandise, deal with suppliers and make sure there is something available for supporters who want to take a little piece of their club home with them.

Then there is the football that happens away from the first-team spotlight. Junior teams need kits, equipment, training facilities and someone to organise it all. Kit needs washing, repairing, sorting and distributing. Training sessions need booking, pitches need preparing, goals need moving and facilities need opening and securing. A youth team might use a ground on a Tuesday evening, but somebody still has to make the journey to unlock the gates, switch on the lights, ensure everything is ready and then return later to lock up and secure the premises. It is an unglamorous responsibility, but without it that training session simply wouldn't happen.

There are people organising fundraising events, chasing sponsorship, applying for grants, maintaining accounts, attending committee meetings, dealing with correspondence, managing social media, producing programmes and arranging everything from transport to equipment. Some will have one clearly defined role, while others will have several. In many smaller clubs, the distinction between responsibilities becomes almost meaningless. The person serving behind the bar might also be the one organising the club's next fundraising event and making sure the junior teams have everything they need for the weekend.

And let's not forget the people who spend hours in meetings, sometimes listening to discussions about decisions that have effectively already been made, yet still turn up because somebody has to represent the club, ask the questions and make sure the practicalities are dealt with. They give their time because they care about the place, its people and its future.

## THE WORK DOESN'T STOP WHEN THE FOOTBALL STOPS.

For supporters, match day might be the most visible part of a football club's existence, but for volunteers it can be just one small part of a much longer working week. There are facilities to maintain, bookings to manage, equipment to organise, suppliers to contact, money to raise and problems to solve. A football ground is not simply somewhere that magically opens its gates every Saturday afternoon. It is a facility that requires constant attention, investment, maintenance and, very often, a remarkable amount of unpaid labour.

Some volunteers will arrive hours before kick-off and leave long after everyone else has gone home. Others might never actually attend a first-team fixture at all. Their contribution might be concentrated entirely on the junior section, the clubhouse, the grounds or the administrative side of the organisation. They might be working behind the scenes on a Wednesday evening while the first team is playing away, or spending Sunday morning dealing with something that nobody will ever notice unless it hasn't been done.

That is perhaps the greatest irony of volunteering. When everything works, nobody gives it a second thought. The facilities are ready, the clubhouse is open, the food is available, the pitch is prepared and the junior teams have their equipment. Everyone simply assumes that is how things should be. But let one of those things go wrong and suddenly everybody notices.

## THE PEOPLE WHO DO THREE OR FOUR JOBS, AND NOBODY NOTICES.

One of the greatest challenges facing grassroots and non-league football is its reliance on individuals who take on multiple responsibilities. There is often no neat job description, no rota and certainly no department with several people sharing the workload. There is simply someone who sees something that needs doing and gets on with it.

These people often become walking encyclopaedias of their clubs. They know the history, the suppliers, the contacts, the procedures and where everything is kept. Their knowledge and experience are invaluable, but there is a danger in becoming too dependent on them. When one individual holds the keys, knows the passwords, manages the bookings, understands the accounts and organises the volunteers, what happens when they are unavailable?

What happens when they decide they have given enough of their time? What happens when family commitments, employment, age or simply exhaustion mean they can no longer continue?

Too many clubs operate on the assumption that somebody will always be there. That somebody will always volunteer, always sort out the problem and always find another hour in an already busy week. But goodwill is not an endless resource, and neither is people's patience.

There is a real need for clubs to share responsibilities, document processes, encourage new volunteers and make sure that knowledge doesn't disappear when one person walks away. Recruiting volunteers isn't simply about finding another pair of hands; it is about protecting the future of the organisation.

## WHEN PROMOTION CHANGES EVERYTHING.

There is another interesting aspect to volunteering that deserves consideration: what happens when a club becomes successful and starts climbing the football pyramid?

Promotion is rightly celebrated. It brings excitement, recognition, bigger crowds, new challenges and the opportunity to compete at a higher level. But it also brings expectations, additional responsibilities and, in many cases, considerably greater demands on the people running the club.

A club that has operated successfully with a small group of committed volunteers at one level might suddenly find itself facing a completely different set of requirements after promotion. Ground grading, additional facilities, safety arrangements, administration, media obligations, commercial expectations, hospitality and match-day operations can all become more demanding.

The club's existing arrangements might no longer be sufficient. What worked perfectly well with a handful of people managing things around their other commitments may become unsustainable as attendances grow and expectations increase. At some point, the club may need to introduce paid positions. A groundsman, facilities manager, commercial manager, general manager or administrative support might become necessary. Jobs that were once fitted around somebody's spare time can become too substantial to manage on a voluntary basis.

And that is not necessarily a bad thing. In fact, it can be a sign of progress. If a club is generating more income, attracting greater attendances and operating at a higher level, investing in the people who keep it functioning can be essential to its sustainability.

However, it raises an interesting question about the relationship between volunteers and the growing professionalisation of non-league football.

The people who have spent years doing these jobs without payment might suddenly find that their responsibilities are being transferred to someone who is employed to do them. The person who has maintained the facilities, organised the bookings or managed the commercial operation might find themselves stepping aside as the club brings in somebody with a formal job title and a salary.

There is perhaps an uncomfortable question that clubs should occasionally ask themselves. When a club becomes successful enough to employ somebody to undertake a role that a volunteer has performed, sometimes for years, does it properly recognise the person who helped create that opportunity in the first place? There is nothing wrong with professionalising an operation, but success should never mean forgetting the people who helped make it possible. Their contribution doesn't become less important simply because the club can now afford to pay somebody else to do the job.

There is also a financial reality. Promotion doesn't automatically mean a club can afford to employ people. Increased costs, ground improvements, travel, staffing and league requirements can consume additional income very quickly. Some clubs may find themselves needing more help precisely when they have less money available to pay for it.

The challenge is finding the balance between maintaining the volunteer spirit that built the club and introducing the professional support needed to take it forward.

Perhaps the greatest measure of a club's success isn't simply how far it climbs the pyramid, but whether it can grow without losing the people and community values that got it there in the first place.

## YOU DON'T HAVE TO PLAY FOOTBALL TO BE PART OF FOOTBALL.

There is sometimes an assumption that volunteering at a football club means coaching, managing, refereeing or helping with the footballing side of the operation. But that is a very narrow view of what volunteering actually means.

You don't need to understand a 4-3-3 formation, know the offside rule or have ever kicked a ball to make an enormous contribution to the game. You might be brilliant at organising events, managing finances, fixing things, cooking, cleaning, marketing, dealing with people or simply being reliable.

A club needs all those skills, and often many more. Someone who enjoys gardening might help maintain the surroundings. Someone with an eye for detail might manage the club shop. A local businessperson might help with sponsorship. Somebody who enjoys cooking might take responsibility for the food outlet. A retired tradesperson might be invaluable when something needs repairing.

The opportunities are enormous, and clubs should be better at communicating that. Not everybody wants to stand on a touchline on a Saturday afternoon, but plenty of people might be willing to give a couple of hours during the week if they knew their skills could make a difference.

Volunteering should be accessible, welcoming and flexible. It shouldn't become an expectation that somebody gives up every weekend or takes on a responsibility that becomes impossible to relinquish.

## RECOGNITION IS NOT ALWAYS FORTHCOMING.

There is a tendency to celebrate the visible achievements of football clubs, and rightly so. A promotion, a cup win, a new stand, improved facilities or a successful season are all reasons to be proud. But behind almost every achievement there are people who have given up their own time to make it possible.

Volunteers rarely have a name on the teamsheet, their contribution doesn't appear in the league table and there is no man-of-the-match award for the person who has spent the afternoon cleaning the toilets or the evening securing the ground. They don't receive a standing ovation for washing twenty sets of junior football kits or spending hours chasing local businesses for sponsorship. Yet those jobs are every bit as necessary as the football itself.

It is also worth remembering that these people have lives outside their clubs. They have families, jobs, commitments and responsibilities of their own. They are not employees with contractual obligations or people being paid to turn up. They are giving something away that they will never get back: their time. And in an age when everybody seems increasingly stretched, that is an enormous contribution.

## BUT DON'T LET ANY OF THIS PUT YOU OFF VOLUNTEERING.

Before this article starts to sound like a warning, or leaves you thinking twice about putting your hand up to help, it is worth remembering that volunteering can be enormously rewarding. What you put into it is very often what you get out of it. You are offering your time, your skills and your enthusiasm, but the reward isn't necessarily financial, nor is it about receiving recognition or having your name mentioned in a programme. It is about seeing people pull together, watching a club move in the right direction and knowing that, in some small or perhaps quite significant way, you have helped make that happen.

There is a real satisfaction in being part of something bigger than yourself. Seeing a junior team take to the pitch in a kit you've helped organise, watching a clubhouse full of people enjoying themselves, seeing improvements to facilities that you've helped deliver or simply knowing that everything is ready for another weekend of football. Those moments matter. You meet people, build friendships, share experiences and become part of a community that extends well beyond ninety minutes on a Saturday afternoon.

And perhaps that is the most important thing to remember. Football clubs aren't made by buildings, pitches, badges or league positions. They are made by people. The players might provide the entertainment, the managers the direction and the supporters the atmosphere, but it is the collective effort of everyone involved that gives a club its character and its future. Whether you contribute an hour a week or several days, whether you are washing kit, managing the finances or simply making the tea, you are part of that.

## WE NEED TO VALUE THE PEOPLE WHO MAKE THE GAME POSSIBLE.

Non-league football often talks about community, belonging and being more than just a football club. But those phrases only have real meaning when the people who give their time to create and maintain that community are properly valued. A club isn't just its first team, its manager or its supporters. It is the collection of people who collectively make the whole thing work.

Perhaps clubs could do more to recognise those contributions, not simply through an annual award or a mention in a match programme, but by making sure volunteers feel included, listened to and appreciated throughout the year. It is important that people understand their work matters, that their opinions count and that they aren't simply taken for granted because they have always been there.

There is also a responsibility for the wider football community to recognise that volunteering isn't an endless resource. People get older, circumstances change, families and employment take priority, and sometimes the same small group of individuals end up carrying responsibilities that should really be shared. Recruiting new volunteers, encouraging younger people to get involved and making roles manageable is essential if clubs want to remain sustainable.

So, next time you visit a non-league ground in Sussex, take a moment to look beyond the pitch. Think about who opened the gates, prepared the facilities, served your refreshments, stocked the club shop, organised the junior teams, maintained the ground and made sure everything was ready for your visit. Think about the people who will still be there long after the players have disappeared down the tunnel.

They might not wear the club shirt, they might not appear on the team photograph and they might never receive the recognition they deserve. Some might eventually hand over their responsibilities as their clubs grow, while others will continue quietly giving their time for as long as they are able.

But they are every bit as much a part of that football club as the eleven players who walk out on a Saturday afternoon.

Because without the volunteers, there quite simply wouldn't be a game to watch.

# TITLE RACES, GAME BY GAME

TOP FIVE

How the top five in three of our divisions have collected their points, one league game at a time. The leader is the thick gold line. The steeper the line, the better the run; a flat stretch is a run of defeats. Walkovers count as wins.

360° TOURS FOR FOOTBALL CLUBS

# What a 360° tour can do for a football ground

Built on Matterport. Here's what I can add to a club's tour, beyond the walk-round itself.

A 360° tour lets anyone walk round the ground online: the clubhouse, the bar, the dugouts and the pitch. **The extras below make it easy to find your way round, and point people to the club's hire, tickets, shop and sponsors.**

## 01 Helping people find their way

No one has to click through the whole tour to find what they want.

### Labels on every area

Bar, function room, dugouts, changing rooms. Each area is named, so people always know where they are.

### Search

A search button finds any named area or tagged item and takes people straight to it.

### Jump to any highlight

Tap any picture in the highlight reel to go straight there. It can also play as a guided tour, and loop on a TV in the clubhouse.

### Links that open in the right place

A link can open the tour at one exact spot. **"Hire the clubhouse"** on the club's website opens in the function room; **"Matchdays"** opens pitch-side.

### Choose where it opens

The tour can start wherever makes the best first impression, such as the view from the main stand.

### Minimap and compass

A small map shows where you are in the ground, and a compass shows which way is north. Handy on a big site.

## 02 Links to the club's own pages

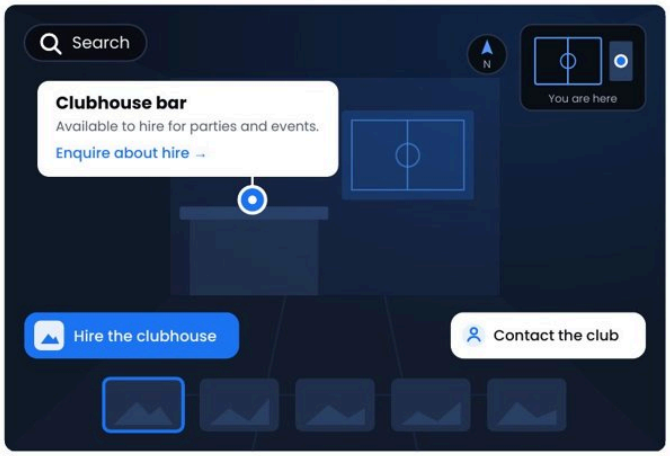

Set up once, for the whole tour.

ALWAYS ON SCREEN

### One button, in every view

An image and link sit in the corner of the whole tour, so **nobody has to hunt for the booking page**, and it doesn't need adding to every view.

Hire the clubhouse | Buy tickets | Club shop

An illustration of where these sit on screen. The exact look is Matterport's.

### Tags: pins on anything

A tag sits on a real spot in the tour: the bar, a sponsor board, the trophy cabinet. Each one can hold text, a link, photos or a video.

### A contact card too

An expandable card in the other corner gives the club's contact details, so visitors can get in touch without leaving the tour.

What a 360° tour can do for a football ground · continued

## 03 Ideas for a football ground

What the tags and links could point to.

**Hire**
The function room and bar tagged with their capacity and an "Enquire about hire" link.

**Matchday**
The turnstiles link to the tickets page, the tea bar to its menu, and the club shop to the online shop.

**Sponsors**
A tag on each pitch-side board, linking to that sponsor's website. Something the club could add to its sponsorship packages.

**Getting there**
A tag at the entrance with the address, parking and step-free access, so visitors know what to expect before they arrive.

**History**
The trophy cabinet or honours board, with the club's story, old photos or a video clip.

**Getting involved**
Links to membership and volunteering, right where people can see what they'd be joining.

## 04 More from the same visit

| | |
|---|---|
| 360° views | Single 360° photos for spots outside the main scan, like the far terrace. |
| One joined-up tour | Separate scans, such as the clubhouse one day and the ground another, joined into one tour. |
| Measurements | Visitors can measure rooms themselves, which helps anyone planning an event. |
| Photos for the club | Still photos taken from the scan, for the club's website and social media. |
| Visitor numbers | How many people have viewed the tour. |
| Tidy and private | Stray bits outside the ground trimmed off. Faces and number plates can be blurred. |
| Floor plans | Priced on request. |

ALREADY DONE AT A BIGGER CLUB

### Aberdeen FC

Aberdeen's Matterport tour of Pittodrie showed the club shop, matchday hospitality and the pitch from an executive box. It won "best digital twin of 2021".

Source: afc.co.uk, 13 December 2021

## 05 What I'd need from the club

So everything's ready on the day of the scan.

- ✓ **The links:** hire or booking page, tickets, shop, membership and volunteering.
- ✓ **Sponsor names and websites,** once the sponsors are happy to be included.
- ✓ **The facts for each tag,** such as room capacities and opening times.
- ✓ **Anything to keep out,** like private offices. Any photos showing children are taken down before the scan.

NEXT STEP **A free 20-minute call to talk through the ground and what the club wants from its tour.** Fixed price, agreed up front.

- Some features depend on the Matterport plan. I confirm exactly which ones a club's tour will have before the scan.
- Sponsor tags only go in with the club's OK.
- I never show children in a tour, its tags or its photos.
